**FINANCE AND COMMERCE.****FINANCIAL**

NEW YORK, December 31. Money--Easy at 2½ per cent, closed at 2½ per cent.

Prime Paper--5¢/lb per cent.

Exchange Bills--Dull at 4.81%; demand, 4.84%.

Governments--Strong.

Stocks--The market opened firm and in the first few minutes' business prices advanced 1 to 1½ per cent. Before the first call Northern Pacific preferred broke 2 per cent to 50, and the general list 1 to 1½ per cent.

Toward midday a steadier tone prevailed, but after 1 o'clock the market became weak and demoralized and Union Pacific dropped 40 per cent to 70, Missouri Pacific 34 to 86, St. Paul to 912, Western Union 1 to 731.

A decline was brought about by rumors that Gould was seriously ill and that the Union Pacific's annual report would make a poor showing, but the decline was materially assisted by the continued liquidation for account of many firms which will dissolve with the close of the year.

The number of these changes was greater to-day than ever before. A heavy decline in prices weakened margins and a great many small holders were forced to sell, which also had a depressing influence on the market.

Late in the afternoon speculation assumed a steadier tone and there was a rally of 1 to 1½ per cent in Union Pacific.

The market closed irregular, but in the main weak.

As compared with Saturday's closing, prices are 1 to 4½ per cent lower, except for Oregon Transcontinental, Oregon Navigation and Kansas &amp; Texas, which were 1 to 3 per cent higher.
