A Rise at Omaha and Poir ta Above-A Big Flood Expected.

The Missour river has risen about four quite a heavy rise is expected when the AT SIOUN CITY.

still holds firm, and a few teams crossed. Numerous foot passengers went over, but not entirely dry shod. The winter bridge was crossed by trains of the Ne-braska division during the day, and holds firm. It is not likely to be weakened

antil the ice moves out. Just how long it will be before the ice goes is what peo-ple want to know. With the thaw of yesterday, the rain of last night and the steady rising of the river, the ice cannot remain in place much longer.

Captain Grant Marsh says that it is a mistaken idea that the disastrous high water of three years ago was made by the melting of the snows in the few hundred Sioux City. That rise came from the up-

WHENCE COMES DISASTER.

niles of the river immediately above per river, and the snow hereabout did not nelt until most of the damage had been done by the ice gorges. The damage, if any, from the present break up will depend on the amount of water that the ipper river sends down, rather than on the water coming into the stream below Bismarck. AT RUNNING WATER.

Captain Joe Leach, master of the steamer Maude, came in yesterday from Running Water. He informs a reporter that the river there is several feet higher than at this city. The ice in the main channel for the distance of a mile went aut several days ago. From the color of the water Captain Leach thinks that the Yellowstone rise has passed Weeping Water. The ice in the Niobraro has gone out.

AT YANKTON.

A gentleman from Yankton says that the river there is yet mostly covered by ice, but that the ice is flooded, and the up a these organs, river raising. No immediate break-up is irritation, and is, therefore, far better

AT CHAMBERLAIN. CHAMBERLAIN, D. T., March 10 .- The river is quiet. In the channel some parts are yet frozen over. No break up is looked for at present. It has been thawing all day and the snow is nearly

all gone. Bismarck Tribune, 6: Indications at the river now are that the flood caused by the break-up of the Yellowstone and Tongue rivers has reached this point. The water has risen nearly seven feet luring the last forty-eight hours, and is lowing on top of the ice. The sun is nigh enough with favorable winds to cause a speedy break-up at almost any

Gosper County Notes.

Correspondence of THE BEF. GOSPER COUNTY, Neb., March 6, 1884. Having been a reader of THE BEE for four years, and never seeing anything in it from this. county, I will give a few tems that may be of interest to your nany readers.

Gosper county is situated on the divide etween the Platte and Republican rivers, and has a territory of 468 square miles and is accessible by the Union Pacific ailroad on the north and Burlington & Missouri River railroad on the south, at Arapahoe, and Plum Creek, on the Union

Pacific. Wheat, oats, corn, barley, rye, flax and broomcorn grow in abundance. Crop n this township, 7, north,range 21, west, weraged in 1883: Wheat, 25 bushels per sere; oats, 40; corn. 40 to 45; barley, 5 o 60; broomcorn, about 1 ton to 4 acres most all of the latter on sod.

Water is obtained in abundance, and spure and good as in any country, the and shot himself through the heart.

depth to it varying according to locality, being on the low lands about 20 to 40 feet, and on the high lands from 150 to 200, but these deep wells are easily made with well augers, the cost being about \$60 to \$70 all complete. It is suitable for raising stock of all kinds which always finds a sale at good prices. There is some government land yet for home-A Medicine with curative profeet at Omaha during the last thirty-six
hours. The icis, however, still holds.
The river is rasing all the ways up, and

The Eastern Trunk Line Reported Gone to Pi ces - Through Trains from Chicago to Mexico.

Special Dispatch to THE BEE.

CHICAGO, March 11 .- According to a rumor on the board of trade to-day the eastern Trunk line pool has gone to sioner Tink were to the effect that no reported yet.

GRAND FORKS, D. T., March 11.—A Trunk line pool was just as solid and as likely to stand as it ever was.

Special Dispatch to The Bee. Washington, March 12 -Information reaches here that through trains from the City of Mexico to Chicago, will be put on in a very short time on the through lines completed. The time between Chr-cago and the City of Mexico, will be, it is said, between three and four days.

THE OLD WORLD.

A CRISIS APPROACHES AT SUAKIM. SUAKIM, March 11, 8 p. m.—Firing last three days. The weather has not has begun at Zariba. General Graham, been cold but the exceedingly high winds Colonel Stewart and the whole force has caused snow drifts twenty to thirty feet gone thither, including the guard detailed for the forts here, which consisted of 730 British and 600 Egyptian troops. where the weather is mild. In St. Paul men the same examination as given men. fort at Zariba were attacked by impossible to see across the street.

Osman Digna's advance at 6 Jackson, Miss, March 11,—A cy o'clock last evening. Only 422 struck the Agricultural college at Shark-marines now defend the forts of Suakim. ville this afternoon. Captain Lucas was Scouts from the direction of Tamanieb slighly wounded. All the buildings are report that Osman with 7,000 men is more or less damaged. Stock suffered moving toward Zariba, in the hope of destroying the British stores of water in a series of night attacks. Osman retains there was severe wind. Lightning struck Bishop Wegner of Patterson, N. J., has reas adherents the great tribe of Huddriamas. The Shiekh has urged that night assaults were the best kind of strategy against England's arms of precision.

BATTLING AT BACKINH. LONDON, March 11 .- A report is current at Hong Kong that General Millot opened a cannovade upon Bacuinh Monday. At Canton are all the signs of a prolonged war. There is no hostility to

foreigners, however.

DYNAMITE FOR DE PARIS. PARIS, March 11.-A box addressed to Compte de Paris, seized in Lyons, con-tained dynamite sufficient to kill many persons

BISMARCK BADLY RATTLED. Berlin, March 11 .- Bismarck is suffering from a severe attack of gout. The Lasker incident has severely excited him and every fresh phase of the dispute is quickening his irritation. He is much maciated, having lost over forty pounds

in a short time. FRANCE AND SUR PORK.

Paris, March 11.—The committee of the chamber of deputies, to which the question of the importation of American pork had been referred, have decided, subject to the approval of the government, to consult the consul generals of the various departments upon the matter. Meanwhile Lanessan, a member of the committee, has resolved to request the government to suspend the embarge on pork until the committee shall have come to a final decision.

A GREAT COMPLIMENT.

Berlin, March 11 .- The North German Gazette considers it noteworthy that an article should have appeared in The Journal Des Debats, Paris, which expressed approval of Bismark's action in regard to the Lasker resolution. It is unexpected that a French journal should judge Bismarck favorably. AFFAIRS IN TOAQUEN.

Pauls, March 11 .- Tonquin advices report a French column advancing upon Baeninh from Haidzeiong and has had a successful engagement with the enemy. Admiral Courbet has taken an ironclad to Quinton and declared that part of the coast blockaded.

Wholesale Slaughter of Train Rob-

SILVER CITY, N. M., March 11 .formation has been received from the Deming train robbers. Frank Taggar and Mike Lee were hanged to a tree by he posse. The negro Washington had als head shot off. A Fire in East St. Louis Inflicts \$500.000 Loss.

An Elevator, Railway Freight Office and 140 Cars Destroyed.

Sr Louis, March 11 .- There was a nost destructive fire in East St. Louis to-night. The flumes caught in a small barber shop in a row of old frame buildings on the river front. There is no fire department in the place, and the sur-rounding property was at the mercy of the flames, which spread with great rap-idity, soon consumed the row of frames, spread to the transfer company's stables in the rear, and then advanced to Elevator A. The entire property was destroyed. The elevator is said to have contained between 200,000 and 300,000

bushels of corn, 50,000 bushels of oats,

and 10,000 bushels of wheat. Leading W. Chandler, pox-master; Shubert, Richardson county, Frank M. King, post master; Thatcher, Cherry county, Loran F. Lewis, postmaster.

Postmasters appointed—Ayr, Adams

West from this elevator was a long contained the company permit payment of 8 per cent dividend on common stock. The first burned, but the remainder was saved.

Postmasters appointed—Ayr, Adams Postmasters appointed—Ayr, Adams torn down and the elevator was saved. from the tounty, H. A. Howe; Camden, Seward Extending northward, the fire spread to Saturday. county, E. Kinney; Stowe, Frontier the freight office of the Chicago & Alton road, and to the cars in the yards of that company. The freight office was totally destroyed, and a large number of empty and laden cars burned. One train of six burning cars was pulled out of the yards to Cone station, near the stock yards, and the flames communicated to long lines of ears, 75 to 80 of which were burned. A number of other cars also burned, making the number about 140, one-third of which were laden with grain. The loss is in the neighborhood of \$500,020. On elevator building, \$150,000; grain, \$200,000; cars and freight, \$75,000; railroad buildings, \$50,000; smaller losses, \$25,000; insurance not ascertained.

WHERE WINDS WHISTLE.

A Severe Blizzard Raging in Minne sota and Dakota-A Cyclone in Mississippi.

done. Moore was of the opinion that the blizzard is raging here, the air is filled with snow, driving before the high north wind, the temperature ranging from 10 above to 35 below this afternoon. All the roads except the Northern Pacific are blockaded. Former reports of a severe blizzard east are exaggerated. Men and women were out three days and nights without shel er, and no physical injury was sustained. Not exceeding 12 per-sons have been lost to date in Dakota and the neighboring regions of Minnesota and Canada.

St. Paul, March 11.-A peculiar blizzard has been blowing northwest for the deep in places. Most trains have sus-SUAKIM, March 12, Morning.—The to-night it is growing rapidly colder. A Highlanders working on the intrenched strong wind is blowing snow so that it is

JACKSON, Miss , March 11, -A cyclone

the state house here. WAVERLY, Miss., March 11 .- At four o'clock this afternoon every cabin and gin house on Major Young's plantation were wrecked by a territic storm. The rain poured in torrents for two hours, accompanied by hail and wind. The elements are still at war and worse is expected.

THE CATTLE CONTAGION.

Kansas Stock Men Fearful of the Re sult-The Convention at Kausas City-Worse Developments.

Kansas City, March 11.—The Journal's Neosha Falls (Kansas) dispatch says The situation is becoming more serious The examinations to-day show that the disease appeared in the herd of one Priveau. This is the Yates Center case, the first report of which was contradicted. A well developed case has also been discovered in James C. Toles' herd, in Lyon county, some miles south of Emporia. The cattle men assembled here are fearful of the result, but still hope for the company's grounds the hotels will be shut off from even these limited privileges. the best. The meeting in this city to-day brought stock men from al parts of the state, there being 500 is attendance. They organized by the election of Lieutenant-Governor Finney as president and L Foil as secretary. Finney stated that thus far only stock cattle are being affected; corn-fed cattle have not yet been touched by the disease. The experts then made a report of their examination, Dr. Halcom, army surveyor at Fort Leavenworth, stating that after a close investigation he was convinced that the malady is the foot and mouth disease.

Yuna, Ariz., March 11 .- The Gila river is rising rapidly, being now six feet higher than at the time of the great flood of 1862. The citizens are constructing a levee, but this will not prevent the lower part of the town from being swept away if the river continues to rise. The people are excited and afraid to go to bed. The Colorado is reported as rising rapidly.

Nail Rate to Omaha Reduced. CHICAGO, March 11.—Commissioner Vining, of the Western Trunk Line association, yesterday ordered a reduction in the nail rate between Chicago and Omaha from 28 to 23 cents. This was done to neet the river competition. The Southvestern Railway association lines made he same reduction from Chicago and St. ouis to Kansay City March 1.

Western Ways and Wickedness. SAN FRANCISCO, March 11.-The Chronicle's Los Angoles special says passen-gers by the delayed train from the east srrived to-day. They came by rail as fer s Pomons, thence by team and on foot tere. They report fully thousand emigrants and first class passengers at Colton
