ON SHILOH'S BLOODY FIELD.

The Excursion of 400 Members of the G. A. R. of Illinois, Indiana and Iowa.

Appropriate Services Among the Graves of Fallen Comrades-Relies of the Great Battle.

—Malarial fever, Ague and Bilioussas, will leave every neighborhood as broke bright, mild and beautiful over shiloh Sunday morning, as the steamers John Gilbert and W. F. Nibit, lashed euralgia all out of her system with hop together, steamed up to Pittsburg Landing with 400 excursionists on board, mostly members of the G. A. R. of Illinois, Indians and Iowa. The excursionists as they landed marched to the national cemetery, the bands beating the dead march with muffled drums. Here they played Webster's funeral march, the men standing with uncovered heads, tears running down the cheeks of many, as they looked around and recognized the and marched to the platform erected for the speakers and the bands, at the wes end of the cemetery.

The press was represented by J. S. Clarkson, of The Des Moines (Iowa) Reg-Clarkson, of The Des Moines (1988) to the company snail be subject to the company snail be sub ceremonies opened with an appropriate prayer, by Capt. T. J. Bryan. Hon. F. D. Smith, of Illinois, was the orator of the day, and delivered a stirring speech. eulogistic of both federal and confederate dead, and concluded as follows:

"As the quiet, steadily flowing current of the beautiful Tennessee, which perpet-ually bathes the feet of the hill on which rest our beloved dead, coming down from the uplands of the south to join its waters with that of the great rivers of the missioner of railroads. night, preventing rest and sleep, will disappear by using hep bitters.

There was an old time camp fire last night on the digestive organs. Beware of the genuine article, manufactured by Dr. J. G. B. Siegert & Sons.

Fatal Ending of a Feud.

JUNCTION CITY, Ks., April 8.—Yesterday noon as Tim O'Connor and his brother Mike were driving along the road on Dry creek, twelve mi'es from here, they were warned by Ernest Allen and others not to cross a certain piece of land be-longing to the school district. Not heeding the warning, an attempt was made to stop them, which did not succeed, and they passed on. When returning later in the day, the O'Connors found a wire stretcaed across the school district land to prevent their passage, and five men, two named Alien and three named Breen, stationed there with shotguns and revolvers. Mike O'Connor cut the wire when Earnest Allen shot and killed Tim O'Connor. Mike then rushed at one of the Breens with an ax and chopped his tween the Breens and O'Connors.

Fragments of the Wreck. HALIPAX, April 8 .- Three wracking schooners are taking out the cargo of the wrecked steamer Steinmann. Divers report the steamer upright and the deck with the approaches to the harbor is unfavorable to the commander of the Stein-

Relies of the Riot. CINCINNATI, April 8.—The Seven-teenth regiment left this city this morning. The jail is now unprotected by the military detail. Fifty extra police, under Lieut. Langdon, are in charge of the Gatling guns, and the assistant sheriff and First regiment of militia remains in readiness for call. The riot scare shows its effect in the sales of scats at auction for the Dramstic Festival association. A very small number of visitors were present, and only about 100 seats were sold during the hour. The sale continued this afternoon. Premiums began at \$30, but fell so that the average is not more than \$5. Manager Miles says he finds the people abroad actually airaid to c me to Cincinnati through fear of being shot. He says no assurance of safety seems sufficient to remove the fear of danger,

Easton, Pa , April 8 - John Dillman was hanged here at 11:10 this morning. Dillman was hung for the murder of his wife. He slept well last night and ate a hearty breakfast this morning. Religious services were held in the cell by and Reformed churches. He marched to the scaffold with a steady step and was to the scaffold with a steady step and was unmoved almost to the last. He began to cry after the benediction, but after the black csp was drawn over his face he remained motionless until the drop feli.

The ite autiful. CHICAGO, Ill., April 8 .- The Journal's Junction, (Wis) special says, snow has fallen here for 24 hours continuously and is now six inches in the level.

are the milestones in her growth.

Michael McCartin, a member of the Seventh cavalry, died at Fort Russell of injuries received in the Warren fire. He rushed into the burning building to rescue some of the occupants, but in returning he jumped through a window, receiving cuts and bruises which ended in death.

ended in death.

William Granger, county commissioner and an old and well-known citizen of Carbon county, was shot and killed by Nate R binson in a dispute over the settlement of wages. The celd-blooded murderer stood over the body of his victim, revolver in hand, the other grasping the throat of Mrs. Granger to prevent her easing the last moments of her husband, and when he saw life had departed he fluog her from him and made his escape. Robinson is given the reputation of being a desperado. He is 24 years old, of sandy hair and complexion, no beard, five feet ten inches high and ordinary proportions. high and ordinary proportions.

The total registration of Denver is estimated at 12,000. A large amount of bogus silver certificates

re in circulation in Leadville.

Farmers throughout Northern Colorado are preparing to raise more hogs than ever before.

There has been an encouraging show of decency in the press of Denver since the close of the spring campaign.

Mesa county gained over \$700,000 in its assessed valuation of live stock and taxable property during the year 1883. The San Juan and New York Smelting company have let contracts for the immediate erection of eight new coke ovens at the works

of the company in Durango. It won't do for a man to beat his boarding houses among the camps of the mountains. The papers hop onto him with a greater alac-rity than though he were a murderer.

Doc. Baggs, the notorious manager of skin games, figures every week in the Denver court. He appears in the latest case as plain-tiff, seeking dan.ages for baby's bibs stolen from his trunk.

S. B. Stewart, of Rustic, employs a force of sixty-five men in the mountains. He has now ready for the market 120,000 railroad ties, 30,000 coal props, 10,000 fence posts and 500 cords of pitch pine wood.

The Pioneer-Extension ditch in Mesa county, will be when completed its full length, twenty-seven miles long, thirty feet wide and five feet in depth. The first thirteen miles has been finished, and water will be running the full length by April 15th. full length by April 15th.

The state law requires one hundred dollars work yearly upon all unpatented mines. Failures to comply with this, subjects claims legally, to relocation in common with virging round. Non-resident claimants lose much ground. Non-resident claimants lose much valuable property by entrusting the fulfilment of this requirement to unreliable agents, The construction of the Denver & New

The construction of the Denver & New Orleans railway is now an assured fact, the contract for the same having been duly signed. This line will prove to be a prominent link, or feeder, in the chain of roads extending across the continent. It will unquestionably cut a most important figure in the transportation of cattle from Texas to the northern ranges.

E. R. Theyer, a heavy cattle raiser of Greeley has just returned from Las Vegas, where he effected the sale of his cattle ranch at Las Carritas, near Fort Sumuer, to eastern capitalists for the sum of \$75 000. Last spring he purchased the range, comprising seven themsand acres of good grazing land with eleven miles of water front on the Rio Pec.s, for \$20,000. He put on a few head of cattle and now sells out the entire concern for \$75,000.

The Butte water works pa'd ten per cent on the investment the past year. There will be 3,000 locust seeds planted in the Beaverhead Valley this spring.

For the months of January and February the Northern Pacific earned \$1,083,800, as against 8757,549 for the same period last year. Rich strikes are reported to have been made recently in mines near Maidenville. A. M. Esier offered \$1,000 a ten for a few tons of the

It never fails that on the second Tuesday of each month the Grand Drawing of The Louisiana State Lottery occurs with regularity and unimpeached honesty at New Orleans. The 166th took place on March 11th, last, and Generals G. T. Beauregard, of La., and Jubal A. Early, of Va., sent to the destined parties large fortunes and small sums thus: ticket No. 14,467 drew the first capital, 875,000, which had been sold in fractions, one-tifth of which was held by G. Goldsmith, a well-known Jewish merchant of Columbus, Miss., collected through the Columbus Insurance and Banking Co. of Miss., another fifth, costing also \$1, to Henry Rivers, a well-known citizen of Milwaukse, Wis., collected through the Marine to Henry Rivers, a well-known citizen of Mil-waukee, Wis., collected through the Marine and Fire Ins. Co., Bank of Milwaukee. No. 6,998 drew the second capital prize, 825 000, sold also in fifths at \$1 each; James Wentzel, Port Carbon, Schuyikill county, Pa., drew one piece, and C. M. McCormick, Charl-ston, Ark., were among the fortunate ones. Ticket No 1,282 drew the whole third capital prize of \$10,000 for \$5, went to J. Kraimer, San Fran-810,000 for \$5, went to J. Kraimer, San Francisco, Cal. The next drawing takes place on Tuesday, May 13th, and M. A. Dauchin, New Orleans, La., will give all information desired if applied to.

An Obedient Son-in-Law. Atlanta Constitution.

"How's Martha, to-day?" asked a sharp visaged old lady, as her son-in-law crept in at the open door, glancing around furtively. "She's tol'able," he replied, rubbing the back of his head and then closely examining his hand. "Is she in good sperrits this morning?' again queried the old lady. "Moderate," answered the visitor, slowly putting up his pan's and rubbing a bruised place on his shin carefully "Hev' you an' her been row-in' again?" gasped the lady, as the man displayed several other wounds; "I declare, Joshua, you orter be assamed of yourself, to lead her sech a life." "Me?" he asked, wonderingly, scraping some loose and bloody hair from his hat, "me be ashamed of myself?" "Yes; you good for nothin' wretch; Marthy sez you never will do enything she tells you to, anapped the mother-in law. The wounder man smiled a sickly grin, and answered: Well, I did once—this morning " "You minded her and she beat you up that way?" "Yessum, I did." How did you obey her?' Quietly sitting down on the

Ladies should reflect well before using an preparation that is applied to so delicate a surface as the skin. Any cosmetic will at his mpart a beautiful of effect and not apparently injure the skin, but in a very short ting ittle blotches and discolorations appear on the face which conclusively show the poison John steck, a stage lifter of extensive reputation who recently broke jail at Missoula and escaped, was mighty glad to return tescellar and grub after wading over 100 miles of snow carped hills, without a morsel to eat to four days.

During February 1,300 tons of ore was brought down from Lion mountain, and 500 to at these ore was received at the smelter. But its principal ingredient is a active curative for all diseases of the skin. I have a strong some resident. In the same month seventrom boap guica. In the same month seven- druggiste.

broom and reaching for the poker, the abased man replied: "She told me to go to the devil." "An' you...." "Came

over to see you for a few minutes," answered the daring fellow as he caught both broom and poker in a death grip.
