COUNCIL BLUFFS.

Thursday Morning, June 5.

SUBSCRIPTION RATES. By Carrier - 10 cents per week. By Mail - \$10.00 per year.

OFFICE: No. 7 Pearl Street, Near Broadway.

MINOR MENTION.

See J. Reiter's spring goods. The city council meets again to-night. Fresh baled hay and straw at 70¢ b'way.

W. B. Braun, brother to Braun the caterer, has a very sick child. The district court, which has had a week's vacation, resumes business to-day.

The work on Wm. Smith's new building on Broadway is to be commenced to-day.

Good walks and a fountain are among the needed improvements in Baylis park.

Broadway near Geier's brewery has had to be reinforced to keep from falling into the creek.

The main street railway track has been torn up, to be replaced with new rails, as promised by the company.

James Winans has opened a confectionery store next to the opera house, in addition to his restaurant farther up Broadway.

Although a few new benches have been added in Baylis park, still there is need for more, especially in the sunset hours and on Sundays.

One of the prisoners set at work on the stone-pile yesterday tired of the job and climbed over the fence, barbed wire and all, making good his escape.

There were about forty couples at the dancing school at the rink Tuesday night. The prospects for the school are excellent, and the ice cream parlors are well patronized.

New lamp posts are now ordered planted at the corner of Fourth street and Eleventh avenue, Sixth street and Twelfth avenue, and Tenth street and Seventh avenue.

It seems now pretty certain that First avenue will be extended through to Bancroft street. The cost is estimated at \$7,000, and it is proposed to charge this up to the property directly benefited.

Hans Miller, who was arrested at Denison for striking his wife over the head with a gun, has been placed in jail here to await the action of the grand jury, being unable to furnish the \$500 bail required.

R. Britton, who is writing up the ghost manifestations at Hancock, says: "Several times in our nightly vigils we have felt powerful manifestations of the spirits." That settles it--\$9.00, and stand committed until paid.

Ladies and gentlemen who wish to become charter members of the lodge of Knights and Ladies of Honor, to be organized here about June 10, may obtain necessary information by consulting W. W. Chapman, or Frank Cook.

To-morrow evening a gift social is to be given at the rooms of the Y. M. C. A. It is to be hoped that citizens generally will attend, and that each will bring some offering to make the furnishings and adornments of the rooms complete.

Yesterday forenoon a farmer named Campbell, was driving his team along lower Broadway, when the horses became frightened and made a lively run. One of the horses climbed into the wagon-box, and in doing so got a bad gash on one leg.

J. A. Auwerder & Co., have displayed in their show window a very fine floral decoration, consisting of compass and square, enclosing the letter G. The whole of this Masonic design being wrought in flowers by W. W. Chapman. It has been loaned to the festival.

An attempt is being made to organize here a branch of the Woman's Christian Temperance Union, and the ladies having the matter in charge will meet at the Y. M. C. A. rooms next Monday afternoon to perfect an organization. All ladies interested are invited to be present.

There was a quiet little wedding yesterday afternoon at 4 o'clock by which Charles Harmon and Miss Rachel Fisher became Mr. and Mrs. Harmon. Rev. Mr. Bates performed the ceremony, and the newly wedded ones started for a westward trip. Mr. Harmon is one of David Bradley & Co.'s traveling salesmen.

Thomas Bowen, secretary of the driving park association, reports that the entries are coming in very encouragingly for the meeting. There have been ten entries in one class alone, and he predicts with confidence that there will be from 75 to 100 horses at the meeting, a larger number, and including speedier ones, than at any previous meeting.

Gus Bergman, who has been associated with the Globe for some time, has now arranged to join with T. D. King in the manufacture of cigars, the new firm to be T. D. King & Co., and the location 919 Broadway. Both are well known, and with experience in the business and many friends, there is every reason to believe the new enterprise will be a great success.

Mr. Hofflinger is making every effort to satisfactorily settle the affairs of the Crawford county bank. He has turned over all his property, save one farm upon which he will move, thus proving his honesty of purpose and that his personal integrity is unimpaired by his business misfortune. Arrangements are being to

Further Doings of the Masonic Grand Lodge.

Election of Officers.

At the yesterday's session of the Grand Lodge A. F. & A. M., the committee on jurisdiction reported against the proposed dispensing with the next annual convocation, and the grand lodge concurred in this report.

The report of the finance committee showed the receipts for the year ending June 1, 1884, to have been \$29,576.83, and disbursements \$26,955.65, leaving a balance of \$2,621.18.

The committee on chartered lodges reported the whole number as 437; number of lodges extinct, 42; whole number working lodges paying dues, 389; lodges making returns up to May 15, 376; not making returns, 13. Capital lodge, No. 110, of Des Moines, showed the largest increase for the year, their increase being \$2,014. Lodge No. 200, of Perry, showed the largest amount of work done, and sent in the model report of the year.

The committee on library, through Lafo Young, reported:

The grand lodge was organized in 1844. In 1845 an appropriation of \$5 for the purchase of books was made. Small appropriations followed during the years, and in the year 1882 an appropriation of \$1,000 was made for the purchase of the Bowen library which was the finest of its kind in the world.

The books previously gathered, added to the Bowen collection, the grand lodge now owns the most comprehensive and extensive Masonic library in the world, and it not infrequently happens that the authors and compilers in Europe are compelled to seek information on y to be found in our Iowa Masonic library. No correct estimate of the library can be formed without a visit to it. Many of the works are rare and not a few beyond price.

Lovers of the curious in literature or of the strange and forgotten facts of history would be delighted with the books in the shelves. We are able to state that the grand librarian is faithful and competent in the discharge of his duties, and that he takes great pride in the 19,000 rare volumes entrusted to his care.

A communication was received from the Grand Lodge of Missouri, sending greetings, and expressing regret that its officers could not be present.

Yesterday afternoon the following grand officers: Grand Master C. T. Ganser, of Appanoose county; Grand Secretary Warden Lafayette Young, of Atlantic; Grand Junior Warden E. A. Charles, of Cedar Rapids; Grand Secretary Theodore S. Parvin, of Iowa City; and Grand Treasurer John M. Zane, of Sac City.

Bushnell sells railroad tickets cheap to all points.

Police Pointers. In the police court yesterday morning, F. Curry, T. Martinson and T. Welch were brought before the bar on a charge of being found sleeping in box cars.

Martinson was discharged, but the two others were fined \$7.00 each as they were found to be armed with revolvers. They will tarry for a while on the stone pile.

John Peterson for being drunk and asleep in the park, was assessed \$7.50. John O'Brien, John Emmett and Nelson, were also adjusted for plain drunks.

Jennie Climer, known as "Chub," was arrested for disturbing the peace, who being concerned in some fuss at Belle Morris' old house. Jennie Grayevard, alias Cemetery Jan, was the prosecuting witness. The case went over until this afternoon. Two young fellows, Jones and Phillips, charged with being mixed up in the row, were discharged.

W. T. BRAUN has the reputation of serving as fine meals as any in the city. His ice cream are said to be the best. Don't forget the number. It is 404 Broadway.

COUNCIL BLUFFS' MAYOR. He is Presented by Citizens With a Horse and Buggy.

Yesterday forenoon Mayor W. R. Vaughn was the recipient of a very practical and valuable gift, consisting of a horse, buggy and harness. The horse was purchased of Fred Davis, a fine black horse, five years old, costing \$300. The buggy is a top one, a tip-top one, one of Hattenhauer's best, costing \$350, and the harness was made by Walters Bros.; it cost \$45. The whole rig is one worthy of carrying the mayor of a live city of 25,000 people. The presentation was made by Alderman Mynster in behalf of the citizens who had joined with him in purchasing it. In response Mayor Vaughn returns the following card:

A CARD OF THANKS. Wm. A. Mynster, P. J. McMahon, C. Gates, Rev. H. P. McManis, Kimball and Champ, A. Louis, A. B. Howe, J. W. Thomas, Thomas Cowens, Harry Birkenbine, H. H. Martin, H. E. Hattenhauer, Geo. F. Wright and many others.

The beautiful and costly horse, buggy and harness, this day presented to me, through your committee is most gratefully accepted. I shall endeavor to show my full appreciation of the same by carefully looking after the interest of our city, and I trust that before my term of office has expired, in 18-85, that the inhabitants of Council Bluffs may be increased to 50,000 active people, and that each may be free from old fogeyism and jealousy.

My gentlemen, I again return to you my heartfelt thanks. Very truly, W. R. VAUGHN, Mayor.

Casady, Orcutt & French's great clearing sale of carpets, curtains, and upholstery, will commence June 5th, and continue 30 days. Look out for big bargains. Strangers visiting the city are invited to call and inspect our stock.

A SCENE OF BEAUTY. The Display Made by Casady, Orcutt & French.

Yesterday afternoon and evening Casady, Orcutt & French gave their grand opening display of carpets, curtains, etc., in their new quarters in the Masonic Temple. The scene presented was one well worth seeing, and fully justified the exclamations of delight in which the many lady visitors expressed themselves. Certain it is, that Council Bluffs never had as fine a showing. The whole of the first floor, 60 by 100 feet, was filled with a great variety of carpets, curtains, and house furnishings in that line, dis-
