Easy at 1@1 per cent. Closed offered at
1 per cent.

Prime mercantile paper—4@6c.

Sterling Exchange, Bankers' bills—Steady
at 4@8c; demand, 4@4c.

Stocks showed increased activity to-day and
advanced sharply. Some prominent buyers
were free buyers. The announcement that a
large western rolling mill would resume work
shortly was accepted as indicating improvement
in the outside situation. Near the close
Louisville & Nashville dropped 1@ per cent on
unfounded rumors. Coal stocks sold on the
refusal of the Pennsylvania railroad to enter
the combination, and Grangers sympathized
with the afternoon decline in wheat. In the
final sales there was a fractional recovery in
one shares. Compared with last night's closing,
prices are 1@ to 1@ per cent higher, except St. Paul, Louisville & Nashville, Lake
Shore, Kansas & Texas, Jersey Central and
Pacific Mail, which are 1@ to 1@ per cent lower.
It was rumored that the officials of the Penn-
sylvania and New York Central railroad
companies held a conference to-day for the
purpose of forming a defensive alliance.
