THE soft service brigade must go.

VAN WYCK and Manderson, like "Betsy and I," are at outs.

SENATOR MANDERSON'S proposed summer trip to Alaska is likely to be indefinitely postponed.

SENATOR VAN WYCK keeps on amusing himself and the public by stirring up the sanatorial menagerie with a sharp stick.

IT is very singular that councilman Hescall is so very enthusiastic for Mr. Boyd. The question is, what is Hascall's object ?

IT has been reported that two Omaha wholesale liquor houses have threatened to move elsewhore if they are to be compelled to pay the thousand dollar license. We would advise them to move over into Iowa.

The workingmen hold the balance of power in Omsha. If the republicans act prudently they will nominate candidates the chairman of the commission, whose whom the workingmen can heartily support.

WE want above all things a competent and honest city council. Lat every republican attend the primaries on Monday republicans can support.

Ir it is possible we would like to have the candidates for councilmen at large guilty of reckless extravegance himself, chosen without reference to the wards they may live in. This is the intention from the pockets of the tax-payers. Cenof the law, so that we can get the very hest men to serve in the council.

According to the Republican the citizens of Onsha will have to choose between Boyd and "Hank" Hornberger. Are we to infer that the republicans will years under the cover and pretense that make no nominations? Has the rapubli- he rapresented the Chicago Inter-Ocean. can party disbanded, and is it dead ?

tery was head by the court and taken un der advisement. George Richardson entered complaint against Henry Sincers for Estault and

ttery. Mike Benterimer entered complaint gainst one whose name is unknown, for blaining money under filse pretenses.

## Liquor Dealers' Action.

On Friday night the asloon men held a meeting in the Eikhorn Valley house for the purpose of auditing and settling the costs and accounts of their committee who went to lobby at Lincoln in February last, and also for the purpose of tak-

ing steps to sceure the privilege of payfog the \$1,000 yearly license in quarterly It is well equipped payments of \$250. Mr. Duncan, treas-HLAR urer, was not present, hence the auditing of the lobby committee did not take place, but committee of five with Col. Pratt as chairman was appointed to look after the

> dealers' interests in the matter of quarterly payments of the liquor license tax. The Sil It is said that soveral of the city and school authorities favor this practice if it can be legally done, and the whisky men claim that the \$1 000 spit is more than very many can stand,

who could pay in quarterly installments. In this connection a reporter learned that since the recent decision of the Nebraska supreme court upon the saloon isw that wholesale spirituous and mali Iquor dealers must ray the \$1,000 tax a icense, these dealers pretty generally will pay the tax and continue business

cash

the sheen of the two cylinder heads of a locomotive. The light failing on their bright surfaces tended to disclose them first of all. Realizing that the engine was close on him, and that what he did must be done quickly, he sprang f om his hand car and plunged down a high embankment. He struck on a pile of atones and sustained severe, but not fatal, injuries. Curlone to know what train had been at that point at that hour, he made h quiry, and found that there was no train. The cylinder heads that he supposed he saw were dinner pails. Two section men were returning home from work, walking one on either side of the track with the'r dinner pail in hand, and the wanirg light fell on the palls in such a manner as to give them the apparance of the cylinder heads of an engine. It was a curious accident, but it showed that the track master had the instinct of a true railroad man. There was no time to wait and investigate, for had he done so ard it had proven to be an cogine, it would have been everlastingly too late.
