

TERRIFIC SACRIFICE

AND

SLAUGHTER SALE.

A Chicago Furniture House Goes Bankrupt

AND

THEIR STOCK SOLD FOR A MERE SONG.

The sheriff and cash money are always sure to agree. When the Chicago Furniture Co. failed, about 30 days ago, the entire stock, amounting to \$46,000.00, was placed in the hands of the sheriff with instructions to sell it for cash to the highest bidder. Their immense stock consisted of Furniture, Carpets, Stoves, &c., usually handled by first-class furniture houses. This entire stock we bought for \$21,000.00, less than fifty cents on the dollar. These goods have been arriving all of last week. The entire stock making one enormous shipment. Every dollar's worth has been marked and will be ready for sale, beginning to-morrow, Monday morning, May 5th, at less than manufacturers' prices. No one in need of a dollar's worth of goods should fail to call this week. Positively no goods sold to dealers during this great bankrupt sale. All goods shipped within a radius of fifty miles free of charge. Car tickets furnished those at a distance.

WOVEN WIRE SPRINGS NEXT WEEK, \$1.25.
