HOW TO VOTE AGAINST PROHIBITION.

Those who are opposed to prohibition and desire our present local option and high license laws to remain in force should vote against both of the amendments.

Those who desire to engraft the license principle coupled with regulation upon the constitution and forever prevent statutory prohibition as it now exists in Iowa, should vote against the prohibition amendment for the license amendment.

Remember a vote for the license amendment is not a vote against prohibition. These propositions are entirely separate. If you want to defeat prohibition you must vote against prohibition.

The following is the form of the anti-prohibition ticket:

"Against the Proposed Amendment to the Constitution, prohibiting the manufacture, sale, and keeping for sale of intoxicating liquors as a beverage."

"For Proposed Amendment to the constitution, that the manufacture, sale, and keeping for sale of intoxicating liquors as a beverage in this state shall be licensed and regulated by law."

SALARIES UNPAID. Deadline in the Commissioners' Board Knocks Out the Appropriation.

There was an adjourned meeting of the county board yesterday morning, Mr. Corrigan being the only absentee.

A report from the committee on court house and jail recommending the payment of \$185 to Noss Brothers and \$125 to the Omaha wall paper and paint company for falsifying and painting the jail residence was approved.

Appropriation sheet No. 36, the hospital fund, calling for \$2,493.50 was passed.

The appropriation sheet for salaries for county officers and employees was read a second and third time but failed to pass on account of Anderson and Berlin voting against it just as they have done for some time past. Had Corrigan been present the sheet would have passed.

When the chairman had announced that the sheet had not passed Berlin rubbed his eyes and exclaimed: "Why didn't it pass?" "Cause it didn't have votes enough," said Berlin dryly.

"What's the reason you didn't vote for it, Berlin?" asked Turner.

Before Berlin could answer O'Keefe spoke up with: "A man doesn't have to give his reasons."

Berlin continues to vote against these salary sheets because, as previously stated, he holds that there are several illegal items in them, particularly the assistant attorney's salaries which, the attorney general has decided, constitute an illegal charge.

The board of Canfield & Ryan for doing 300 yards of grading on the new county hospital premises was approved.

Adjournment was taken until 2 o'clock. The meeting of the commissioners in the afternoon was short but spirited. Mr. Corrigan was absent. The meeting was held for the purpose of passing appropriation sheet No. 34, amounting to \$3,558.35. The sheet was the October salary sheet, providing for the payment of the employees. Mr. O'Keefe moved the sheet to be read a second and third time and under the suspension of the rules. This was warmly opposed by Mr. Berlin and Chairman Anderson.

The bill was passed several times and the bill went to the third reading.

Mr. Turner discussed the sheet. He favored taking the death watch off Neal, saying: "His case has gone to the supreme court and he is not in any trouble."

"The man is out of order," said Berlin. "The bill has passed two readings and cannot be taken up again."

The chair ruled that Berlin's point of order was well taken and Mr. Turner was forced into his seat, while the passage of the sheet was defeated.

REMARKED BY H. C. JOINER, OF ALLEN P. O., HILLSIDE CO., NEB.: "Nothing gave my rheumatism such quick relief as Dr. Thomas' Electric Oil—believed infallible for rheumatism."

Geo. P. Bemis Waves Warm. OMAHA, Oct. 29.—To the Editor of The Bee: It is high time that every taxpayer of Omaha, of Douglas county and of the state of Nebraska, if not of the United States, should become "wild-eyed" as has City Treasurer Rash, as suggested in THE BEE under the heading: "Blasting the City's Credit" when we find out that John Dale or other person or persons are resorting to such outrageous methods of carrying on their prohibition warfare by attacking our official census returns.

If these accusations are true, as they must be in my opinion, when Mr. Rash states that John Dale read to him a copy of a letter he had sent away to prominent eastern prohibitionists asserting that Omaha's census returns had been exaggerated at least 25,000 I think that every such person or persons should be censured by every citizen of Omaha and Nebraska, and further, if we have so-called ministers of the gospel in our midst who are haranguing their audiences upon the subject of prohibition or politics and taking up collections for political purposes I would suggest that in this community where ninety-nine out of every one hundred of our law-abiding citizens are opposed to prohibition, that the trustees of all churches—presided over by such protesting preachers as Carter and Himmettel—should at once and give them all the "grand bounce." We have no use for such fanatics in our cities, counties or states. Instead of every citizen of Omaha and Nebraska, let us transplant them all (instead of simply giving them the pass outside our state boundary) to "Stanley's Wilds of Africa," where they can utilize their energies in endeavoring to beatheize the cannibals (or vice versa) instead of trying to beatheize us Christians, ruining our municipal and individual credits, depleting our population, setting our values in two, preventing all progress by every citizen of Omaha and Nebraska, and growing in all our noisy and lively thoroughfares. Our city, county and state are in danger! Down with such traitors and fanatics whom you cannot reason with or teach the difference between temperance and prohibition.

The chair ruled that Berlin's point of order was well taken and Mr. Turner was forced into his seat, while the passage of the sheet was defeated.

ANNOUNCEMENTS.

The J. C. Duff opera company, numbering more than sixty people, appears at Boyd's opera house on the first three evenings of next week in a grand review of Gilbert & Sullivan's operas, presenting the following repertoire: Monday evening, "Patience," Tuesday evening, "The Pirates of Penzance," Wednesday evening, "Iolanthe."

The attraction at the Grand this evening will be the Rose Hill English Folly company in the comic operatic burlesque, "Parisian Revels, or Wrecked in Montreal." The specialties, which are new and original, are done by some of the cleverest artists in the variety business.

The Japanese burlesque company at the Eden Music is drawing away the specialty artists are first-class. The company finish the week here.

W. R. Goodall went to St. Louis yesterday to make arrangements for the production of his new comedy, "An Absent-Minded Man," to be given at the Grand on Monday evening, E. Rice. The play will probably be produced in the next five or six weeks under Mr. Rice's direction, John W. Hart being the veteran St. Louis manager, becoming the financial backer of the enterprise. It is thought "The World's Fair" will close the season at St. Louis to give way to "The Absent-Minded Man," which Mr. Rice considers a winner. The friends of Mr. Goodall will be glad to learn of his good fortune in becoming associated with a leading burlesque manager in America.
