

SHE EVIDENTLY NEEDS REST.

Editor-Stationer Porter "Poetically" Assailed by a Maiden Seeking a Vacation.

THIS SHOULD GET HER ALL SHE WANTS.

Washington Swell People Who Bet on "Pay Nine"—Enforcing the New Law to Check Counterfeiting Operations.

WASHINGTON, June 20.—(Special to The Bee.) Just at this time of year the head of every department is overrun with applications for leave of absence. The requests are generally of a very prosy character and they of course have to go through the customary unending of rote type before they are granted.

There's a girl in a certain division. Who is tired as tired can be. She would like to be detailed to number 100.

She says she will quit all the sea shells. Or the waves or the sand on the shore. And will give information concerning The volume and depth of their roar.

She is weary of schedules and forms. And longs to be in the land of the living. She'll be worried with "trap" trails. She'd like to be in the land of the living.

She finds there's a note on provision. She'll be in the land of the living. She'll be in the land of the living.

She would like to be sent to the mountains. For such contemplation as she needs. To find with her own eyes the things.

She would look them in the face. She'd like to be in the land of the living. She'd like to be in the land of the living.

She will tell with minutest exactness. The comparative virtues of each. The Mohammedan who sits on the mountain. And the lover who waits on the beach.

I venture to hope, Mr. Porter. That you'll further this maiden's desire: If you can't, she'll be in the land of the living. She'll be in the land of the living.

IMITATING WALES. Since the great bacaret scandal at Tranby Croft which set the world talking, the game has become quite fashionable in this city and in the many poker clubs about town.

It is a game of chance, and is played with a deck of cards. The game is played with a deck of cards. The game is played with a deck of cards.

AN INSURANCE COMPANY SUNDERS. HURON, S. D., June 20.—(Special Telegram to The Bee.)—The Liberty life insurance company, organized and doing business here for the past six years, decided to quit business.

THE BIRD ON CATTLE. CHARLES CITY, Neb., June 20.—(Special Telegram to The Bee.)—An arrival from the ceded Sioux lands brings information that a band of Sioux Indians have captured 106 head of cattle belonging to white men.

FOR A NEW HOTEL. DEADWOOD, S. D., June 20.—(Special Telegram to The Bee.)—At a meeting of the board of trade, held last night, the sum of \$20,000 was voted to erect a new hotel.

HEBREWS WILL PARTICIPATE. They Arrange to Take Part in the World's Fair. NEW YORK, June 20.—Many prominent Hebrew Americans met in the Spanish and Portuguese synagogue on Tuesday to take action for a becoming representation at the coming quad-centennial of the discovery of America.

THE BUREAU OF THE BEE. A Buffalo saloon keeper who has a number of silver dollars imbedded in the floor of his place conceived the idea of making a dollar as a trade mark. He had a die made and all his stationery is embossed with the dollar.

"RAN IN" THEIR GUEST. Chicago's Whitechapel Club Plays a Joke on a Member. CHICAGO, June 20.—Two police patrol wagons dashed up to the door of the Whitechapel club rooms at 2 o'clock this morning and several officers rushed in and placed twenty-five of the club's guests, mostly cloverites from Philadelphia, under arrest.

Caught a Stray Lunatic. Chief Seavey received a telegram from Oliver Spraul, dated at the Asylum, Philadelphia, Pa., on Friday evening, making inquiry about Oliver Spraul.

Barillas' Fine Financier. St. Louis, Mo., June 20.—A dispatch from the city of Guatemala says: A great sensation has been caused here by the discovery that \$5,000,000 bonds have been issued for the redemption of treasury notes issued for the \$3,000,000 called for. It is further stated that Barillas sold \$5,000,000 worth of those bonds.

ESCAPED A LIFE SENTENCE.

Hanlin Brown Will Go to the Asylum Instead of the Penitentiary.

CHILD MURDERER BAYSE ALSO INSANE.

Burglars Abroad in Madison—Found Guilty of Libel—Dakota County Finances—New Factory for Hastings.

KEARNEY, Neb., June 20.—(Special Telegram to The Bee.)—The sanity of Hanlin Brown, who was confined in jail for the past year, was investigated before a jury in the district court today. He was found guilty of criminal assault on his young daughter at the March term and a new hearing was secured.

DAKOTA COUNTY FINANCES. The two reports employed by Dakota county to investigate the records have submitted their second report on the treasurer's office and it has been accepted by the board of county commissioners.

NEW FACTORY FOR HASTINGS. The two reports employed by Dakota county to investigate the records have submitted their second report on the treasurer's office and it has been accepted by the board of county commissioners.

CHILD MURDERER BAYSE ALSO INSANE. It is a foregone conclusion that Mrs. Bayse, who is held for child-murder, will also be sent to the insane asylum without a jury trial.

BOUND TO GET THE HYDRANTS.

Council Resolves to Have the Twentieth Street Fire Plug Set.

CLIFTON HILL MUST WAIT AWHILE.

Animated Discussion of the Situation by the City Dads—Bids for Lighting the City's Outskirts Rejected.

It will be some time before the people out in Clifton Hill get the fire hydrants asked for as well as the hose line before any of the useless hydrants are removed and relocated in other portions of the city.

There were fourteen members at the council meeting last night and they decided this by reconsidering the vote by which the fire ordinance was passed last Tuesday night.

Mr. Chaffee said that one member had stated that fourteen hydrants had been taken from one ward, when in fact that ward had had its number of hydrants increased.

To please Chaffee, Elsassner said he would move to reconsider the vote.

This was seconded by Olson. The motion prevailed.

Elassner moved the ordinance be reconsidered. The motion was on file.

The last motion prevailed.

The waiver of damages resulting from the proposed change of grade of St. Mary's avenue was received and the clerk instructed to notify the appraisers.

Architect Belindorf in a communication said that in sending for the foundation for the pump and boiler room in the city hall building he finds soft ground.

He suggested going down five feet, where a clay foundation can be obtained. This will result in an additional cost of \$1,500.

The matter was referred to the committee on public property and buildings.

A lengthy discussion followed when the Sixth ward petition asked for some additional cross walks. It was argued that an agreement was entered into by which the respective wards were to have a certain number of walks.

The Sixth ward acquired its number sometime ago and the proposition to add additional walks was defeated by a large majority.

The board of public works was instructed to advertise for bids for paving districts Nos. 348, 349, 350, 351 and 352.

Chairman Birkhauser, by resolution, was granted a ten days' leave of absence.

Mr. Birkhauser said Smith is waiting for the bid to be put on the water works street, that the curbing is about done; that Murphy is working on Eleventh street, and that his work will soon be commenced.

Mr. Chaffee wanted an ordinance introduced providing that two hydrants shall be placed on Twentieth street, that the paving ordinance be amended so that the water works company shall be the city.

Mr. Elsassner objected, saying that now is the time to see whether or not the water works company own the city, and it should be put on the city.

Mr. Davis advised giving a little coaxing. He believed that if the council asks the company to put the hydrants on the water works street, they will do so.

Mr. Chaffee said, "If you want fight you get it. But I think the water works company will give you all you want."

Mr. Specht said that he favored following the advice of the city attorney and ordering the hydrants and the water works company show his hand.

President Lowry said: "An one man who is making a lot of noise and is making the waterworks to drink instead of letting it lead the city. If that company had the interest of the city at heart, it would not stop all public work when asked to simply put in two hydrants. We must take action in this matter and stand shoulder to shoulder with the city."

Mr. Bruner was tired of listening to advice. He said, "We have taken advice and we have been delayed for six months."

Mr. Olson was tired of listening to advice of the city attorney. He regarded it good and to the point. He did not propose to let the city hold back the water works and for this reason favored testing the matter.

Mr. Osthoff said the councilmen are the obstructionists. The people of Clifton Hill objected to put up the money to pay the water works and to pay the city. The council would not let them do so.

President Lowry said there are no parties who will put up money to pay hydrant rental. He would like to see the city put up the money for the hydrants.

The original motion, that the committee on fire and water be instructed to draw an ordinance providing for the location of two hydrants on Twentieth street prevailed. The ordinance will be reported by Mr. Elsassner Tuesday night.

Mr. Elsassner agreed to report the ordinance and he said: "This is robbery and I have the figures to prove it. In Denver the same amount for ten hydrants is \$20,000, but here it charges us \$25,000 for 1,367. In Denver they charge \$5 per annum per hydrant for the first ten years and \$25 per annum for the rest of the term."

The council went into committee of the whole, with Mr. Specht in the chair, to consider the ordinance of additional street lamps.

The bill presented by the city council meeting was read. For gasoline there were two bids, as follows:

Robert Seeger, 700 lamps at 65 per year. The Ohio street lighting company, 700 lamps at \$3 per year.

There are also a two-year contract. Gas inspectors were called for. He explained that he had tested both lamps. The Seeger lamp is equal to 13-200 candle power and the Ohio street lighting company's lamp 15-100 candle power.

Mr. Davis had seen the Seeger light and considered it cheap for the money.

Mr. Elsassner said considering the two lights, the Ohio light is the cheapest.

Mr. Olson had seen both lights burn and could not see a difference between them.

A letter was read from Mr. Seeger. In it he said: "I will give a bond to furnish a good light for \$15 per year for the Ohio company and \$30 for the Seeger company."

Mr. Bruner said: "We have tried the Ohio lamp, and know that it is good. The same thing will be true of the Seeger lamp. It is a good light as the sample. The motion prevailed, and after instructing the controller to advertise for the shortest possible time, the council adjourned.

Mr. Olson claimed for permission to introduce a resolution providing for the disposition of the dirt that will be taken from the Douglas street hill.

For Farham School. The board of education held a short session last night and authorized the president and secretary of the board to put in a bid on that portion of Twentieth street lying between the center of the Farham school site and which has been offered for sale by the city. Twenty-two bids were received for the school site. The school board considers this a good opportunity to secure additional ground for the Farham school, and a bid will be sent in for a piece of the street that is to be sold.

Dr. Cantwell's Sermon. Rev. J. S. Cantwell, D.D., of Chicago preached a powerful sermon last night at the First Universalist church taking for a text the parable of the "Sower who went forth to sow." Dr. Cantwell resembles the late Henry Ward Beecher to a remarkable degree in both face and physique. He is an eloquent and forceful speaker, and the audience assembled last night at the church on
