COPYRIGHT (CSO Don't be a spider and crawl in these days! Why not keep up with the nineteenth century? You would not buy a steam engine made like those of a century ago. Then why should you buy the old-fashioned, big, drastic pills that gripe and debilitate your system?

As great improvements have been made in pills as in steam engines. Dr. Pierce's Pleasant Pellets are tiny, sugar-coated granules, or pills, are easiest to take, and never gripe or shock the system.

They are purely vegetable and perfectly harmless.

One little Pellet's a laxative, three to four are cathartic. They regulate and cleanse the liver, stomach and bowels - quickly, but thoroughly. They're the cheapest pill, sold by druggists, because you only pay for the good you get. They're guaranteed to give satisfaction, every time, or your money is returned. That's the peculiar plan all Dr. Pierce's medicines are sold
