DR. C. GEE WO,

China has about half the population of the globe. They have been practicing and perfecting medicine over 4,000 YEARS. Chung Nung (see Ency. Brit.) discovered seventy-two poisons and their antidotes 2,454 years before Christ, and Marco Pola, who brought the

Campini, one of the first Europeans who en-tered China, says: "Their physicians have a thorough knowledge of the nature of herbs and an admirable skill in diagnosing by the pulse." A MOTHER'S STORY.

I am 62 years of age and have suffered indescribable agony from asthma for many years. I could not sleep and had to sit up all night in a chair. I tried doctor after doctor but without help, and thought some night I would choke to death. As a last hope I tried Dr. C. Goe Wo, the Chinese doctor, and was celleved instantly. In a short time I was cored and have never since been troubled. I have reason to biess Dr. C. Gee Wo.—MRS. P. O. HIRSH, 34th St., bet. J & R. South Omaha. In order to convince the public that Dr. C. Gee Wo can cure any disease, he makes the following offer: A GUARANTEE to return the money if after a fair trial the patient is any way dissatisfied with treatment. DR. C. The Great Chinese Panaceist

Wishes to give a few reasons why he is work-ing such wonderful cures where other doctors fall.

But it was to medicine the Chinese gave their attention, and when the emperor Chin Wong ordered all the books to be burned he excepted the medical works and it was only by the merest accident that the great works of Confucius himself were saved, he having placed a set of his works in the corner-stone of his residence, which was found 2,000 years after.

of his residence, which was found 2,000 years after.

The celebrated Dr. Hobson states that one of the Chinese dispensatories gives 1442 HERBAL REMEDIES alone. Can you wonder then at the doctor's success?

The Caucasian physicians all use the very same Remedies and when you change doctors, in your disappointment and disgust, you merely change faces and assertions but not medicines. When an American doctor discovers a new remedy all the other doctors know about it immediately. Now, you know the Chinese Doctor comes from an almost unknown country, containing nearly half of the people of the world, where all the medicines are entirely different, and Dr.C. Gee Wo offers a reward of \$50.00 to any one who can duplicate any one of his Chinese Medicines. Do you now comprehend that after giving up all hope of being cured by your doctors, that in taking the Chinese Doctor's Remedies, 4,000 in number and absolutely unknown outside of China, that he has a wonderful advantage over all other physicians. His new remedies have never before entered your blood and set on it as if by magic, curing the disease and rendering the complexion clear as a child's.
