Council Bluffs, LaSalle Co.,
Regular meeting council No. 1, Commercial
Pilgrims of America, tonight at Arcadium
hall. A full meeting is desired. G. C. Wise,
W. P.
The Pottawattomie dramatic association
will open a reading room about August 15 in
its headquarters on Pearl street, and will
keep it open until after the close of the fall
campaign.
The Ladies' auxiliary, No. 17, U. L. A.,
will serve ice cream and cake in the Elm
men building Saturday, August 6, afternoon
and evening.
Articles of adoption were filed yesterday
with the county clerk by which a small boy,
who was left at the Christian home some
time ago, is adopted by Patrick Ryan.
The regular meeting of Etchoban council,
No. 12, will be held at 7:30 p. m., at the
corner of Broadway and Main street, at 8
o'clock.
The annual encampment of the Iowa
National Guard will be held at Creston during
the blue grass picnic. The Dodge Light
Guard of this city will attend. New uniforms
will be received during the occasion,
and will arrive in a short time.
Governor McKinley, who was engaged to
speak at the driving park Thursday afternoon,
will not be here. The driving park
from the Chautauqua management, and the
treasury of that enterprise is consequently
held by the entire sum of the receipts.
For several days past, boys have been
bringing off an air raid upon the alley
in the rear of the opera house. Yesterday
afternoon Mrs. C. S. Hubbard was walking
in her back yard, a bully started
per and narrow matted himself her and
hurting her severely.
The Catholics will give a bazaar for the
benefit of St. Peter's Catholic church during
the last week of October. The work of
preparation is in the hands of the following
officers: President, H. Toller; vice president,
Mrs. F. Weis; advisory committee,
Mrs. C. S. Hubbard, Mrs. J. S. Harrison,
Mrs. J. S. Harrison.
Mayor Lawrence has notified Secretary
Atkinson of the State railway commission
that the people of Council Bluffs want a
speedy hearing of the case which has been
commenced in the courts to compel the rail-
roads entering in the city to build better
depots. The policy of the administration
now is to bring the railroads to time as
soon as possible.
Barto S. Weeks, national commander of
the Sons of Veterans, passed through the
city yesterday. He is on his way to Helena,
Mont., where he is to attend the national
encampment of the order. The members
of the local camp, Sons of Veterans,
marched to the depot to see him. They
were accompanied by a martial band, to
meet him. They rode as far as the transfer
with him. Mr. Weeks will probably stop
here on his way home.
John Burch was arrested Thursday night
on a charge of drunkenness and vagrancy,
and was put in the city jail along with
the rest of the kind. The police officer
ought to know what had happened to him
and become very loud and abusive, until he
had to be held in the city jail. He was
in fact upon him, and it was not until the
other prisoners took a hand and damped
several pails of water through the bars into
his cell that he cooled down. He was
released in police court yesterday morning.
Judge Deemer has rendered a decision in
the case of Leonard Everett against the
superior of Pottawattomie county and
others. The defendants filed a motion to
remove the case to another court on the
ground that a case of the kind could not
be brought in that court. This motion
is sustained by the court, and in addition to
the order for removal he gives each of
the defendants one week to answer. Each
of the attorneys' fees on account of the
case having been brought in the wrong
court.
Mary Cooley, a foreigner whose only
accomplishment so far as the English language
is concerned is in the line of profanity, was
arrested yesterday morning for the third
time in less than two weeks for going
without a license. As she was discharged
upon both the former occasions she was
somewhat independent when she was named
by Officer Clark. Yesterday she was in
the patrol wagon she so far forgot the re-
quirements of etiquette as to pucker up
her lips and spit in his face. She will
not be out of the city jail for at least two
weeks, unless yesterday afternoon. The
last three days were spent in
examinations. Among those who
attended the institute were a num-
ber of the high school pupils who are two or
three years yet from the end of their course.
All during the institute they have been
attending to their class, and when it came
to examinations they stood alongside
the teachers of five to fifteen years expe-
rience and answered the questions in a highly
creditable way. Prof. Sawyer was highly
gratified at the showing they made, as it re-
flects credit on the schools of the city as well
as on the pupils themselves.

NEWS FROM COUNCIL BLUFFS

Members of the Married Ladies' Social
Society Disagree.

HOW THE EXCHANGE WAS OPERATED

One Element of the Organization Assert
That the Institution Has Been a
Money-making Scheme—Where
the Poor Come In.

There has been a division in the ranks of
the Married Ladies' Social society lately,
and the ladies who belonged to that flourish-
ing organization are now doing business at
two stands within a stone's throw of one an-
other. The organization was started over a
year ago for the purpose of dispensing char-
ity to the worthy poor of the city, and an ex-
change was started as an adjunct to the so-
ciety, for the sale of cakes, bread etc., with
the understanding that the proceeds of the
sales were to be distributed among the
poor. Before there was any proceeds, how-
ever, the ladies who belonged to the society
and who made the articles that were to be
sold received pay at their own figures for
the time, labor and materials that had been
used. As a consequence the exchange never
paid expenses, and although considerable as-
sistance was given the poor in other ways,
and although the public was urged from
time to time to patronize the exchange for
the benefit of the worthy poor, the worthy
poor never reaped any benefit from the ex-
change itself, and no one profited by the
scheme excepting the ladies themselves.
Of late there has been considerable ill
feeling among the ladies, which, it is said,
arose from a feeling on the part of some of
them that it was not quite right to be
paid for their goods, when the public as a
whole was asked to contribute, when in
fact, the scheme was in the hands of the
ladies themselves. A resolution was then
passed and the original society
moved a few doors up the street to 317
Broadway and hung out its shingle. The
other ladies remained at 317 Broadway, and
entered into an agreement with the agent of
a sewing machine company at that number
to furnish a clerk and the necessary room,
and in fact to carry on the business of the
exchange, for 15 per cent of the sales. The
ladies expect to carry on benevolent work
as usual, but under a different name and with-
out any connection with the Ladies Ex-
change or the Married Ladies society.

Buried Alive.
Frank Guannelli was called to Hinton
station, ten miles below Council Bluffs,
yesterday afternoon by a telegram announc-
ing that one of the men working for him
on his gravel bank had been killed by a land-
slide. He left at once for the place, and
found that the report was true. The man
had been working on the side of the bank
and had been warned of the coming danger
by one of his fellow workers a few seconds
before the landslide occurred. He failed to
heed the warning and the first of the
masonry to fall was over his head. He
was buried to the neck, and when the land-
slide had subsided he was found lying
under the debris, fully thirty feet below,
and the red covered him up to a depth of
over ten feet. The rescue work began at
11:30 a. m., but it was 4 o'clock before his
body was exhumed. The name of the un-
fortunate young man could not be learned
last evening. One of his fellow workers
brought the news to the city last evening,
but although he had been working by the
side of the man for several weeks he could
not think of his last name. His first name
was John, and he was 26 years of age. He
was to have been married shortly to a young
lady of Pacific Junction, where he has a
brother and a sister. The corner of
Mills county is to hold an inquest this
morning.

Preparations for the Encampment.

The department commander of the Grand
Army for Iowa has issued a circular to the
posts throughout the state giving information
with reference to the national encampment
at Washington and the most desirable
method of getting there. All the railroads
terminating at the Missouri river will start
special trains on the morning of September
17 from Council Bluffs, and Sioux City, and
these will be known as Grand Army trains,
and in fact to carry on the business of the
officers will be in charge of each of these
trains, and they will arrive at Chicago early
the morning of the 19th. The headquarters
will be set up at the Grand Central pas-
senger station at the corner of Fifth avenue
and Harrison street, the passenger station of
the Baltimore & Ohio.

A band of music will accompany the Iowa
contingent to Washington and it is the
intention of the organizers to make a showing
of which the state may be proud. Every
contingent who expects to take part in the
parade will be expected to provide himself
with a regulation uniform. Railway tickets
will be sold good August 13 to 20 and
returning out October 10.

People's Party Club.

A meeting was held in Masonic temple last
evening by the members of the people's
party for the purpose of organizing a club.
About 100 were present. The room was
hung with banners bearing engravings
whose meaning was more or less vague,
and the motto of the party hung across the
room, "The people are right." Along toward
the front of the room a table was set up
by order of A. McClernon, and City
Treasurer Kinnahan was appointed chair-
man. Paul Vandercor, who was to have
been the main attraction, is a local and
leader, as he had been called
into Kansas and failed to make
connections on his return. The
gap was filled by Messrs. Rogers and Kelsey
of Omaha and E. P. Brown of Neola, who
kept the audience more or less interested
until after 10 o'clock. Along toward the
