He left for Denver several weeks ago and is now clerking in a hat store there. Before he left, however, it s alleged that he pawned a \$5 gold bracelet belonging to a young lady who lives on Stutsman street and pocketed the proceeds. A watch and chain which another young iady had given him to take to the joweiry store to be mended was treated in the same way. A friend of his put up the price of the watch and chain in order to avoid a scandal. The bracelet case was reported to the police and has been found. Some trouble is prom-ised the young man by the parties in whose possession the bracelet now is unless he makes the matter right.

Saved His Child's Life.

A. N. Dilferbough, York, Neb., savs: "The other day I came home and found my little boy down with cholera morbus, my wife scared, not knowing what to do. I went straight way and got a 25-cent bottle of Chamberlain's Colle, Cholera and Diarrhœa Remedy and gave it according to directions. You never saw such a change in a child. His limbs and body were cold. I rubbed his limbs and body with my hands, and after I had given him the second dose he went to sleep, and, as my wife says, from a deathbed he was up playing in three hours.' It saved me a doctor bill of about \$3, and what is better, it saved my child. I can recommend it with a clear conscience."
