## **Cures Others**

Will cure You, is a true statement of the action of AYER'S Sarsaparilla, when taken for diseases originating in impure blood; but, while this assertion is true of AYER'S Sarsaparilla, as thousands can attest, it cannot be truthfully applied to other preparations, which entrineipled dealers will recommend, and try to impose upon you, as "just as good as Ayer's." Take Ayer's Sarsaparilla and Ayer's only, if you need a blood-purifier and would be benefited permanently. This medicine, for nearly fifty years, has enjoyed a reputation, and made a record for cures, that has never been equaled by other preparations. AYER'S Sarsaparilla eradicates the taint of hereditary scrofula and other blood diseases from the system, and it has, deservedly, the confidence of the people.

## AYER'S Sarsaparilla

"I cannot forbear to express my for at the relief I have obtained from the use of AYER'S Sarsaparilla. I was afflicted with kidney troubles for about six months, suffering greatly with pains in the small of my back. In addition to this, my body was covered with pimply eruptions. The remedies prescribed failed to help me. I then began to take AYER'S Sarsaparilla, and, in a short time, the pairs ceased and the pimples disappeared. I advise every young man or woman, in case of sickness resulting from impure blood, no matter how long standing the case may be, to take AYER'S Sarsaparilla."-H. L. Jarmann, 33 William st., New York City.
