THE OMARA DAILY BEE' SUNDAY, I DECEMBER 4, 1992-TWENTYFOUR PAGES ANDRAL UNIVERSITY OF SALE PRIOR TO STOCK-TAKING EVERY DOLLAR'S WORTH OF GOODS HAS BEEN GREATLY REDUCED IN PRICE. NEVER SINCE THEY BEGAN BUSINESS in this city has The People's Mammoth Installment House inaugurated such a

INDAL THE TODATAL DOUTINESS sweeping, stupendous slaughter of merchandise as will begin tomorrow morning at their establishment, to continue until the bulk of their goods are disposed of. In a few weeks they begin their annual inventory of stock on hand, and on account of the backward season, they are heavily overstocked and must unload, without regard to what the loss may be. This is an exceptionally good opportunity to purchase Furniture, Carpets, Stoves and House Furnishing goods for one-half or even less than what you would ordinarily pay for them. Those coming first will, of course, have the benefit of the best selections. As the intention of this sale is to dispose of a large amount of goods there will be no restrictions whatever as to quantity, any one, even dealers supplied with large or small lots. Special attention is called to the fact that every article, whether cheap, medium or fine, has been greatly reduced in price, nothing being reserved.
