NUMBER 167.

Toys and Holiday Goods.

E Santa Claus' Headquarters. "There is no place like Hay-

"Haydens' have the biggest

stock in town."

"Haydens' prices are the low-

est." Those were the remarks you could hear on the streets, on the

corners, at the fireside, etc., for the past four years, and in order to keep up with our steadily Increasing trade our display of toys and holiday goods this season will excel all previous efforts. Toys and fancy goods are now arriving in carload lots and are being opened and placed in position as fast as possible.

Such a layout of dolls as we will have! Such a display of dishes for the little ones! The little boys will feel happy when they lay their eyes on those hobby horses, shoofly, carts, wagons, wheelbarrows, buck saws, tool chests, etc., while the little girls will all want to wheel their dollies in those handsome doll buggies. Musical instruments and games of every description; story and picture books till you can't rest. The display will be immense. Our opening will be in a few days, when Santa Claus will hold his reception and will be happy to meet all the little ones as well as the older ones who have met him before.
