The above illustration shows the size of the great WORLD-HERALD Edition of Encyclopedia Britannica, now offered for a limited time to our readers at the unheard-of rate of **Only Ten Cents a Day**. The volumes are handsomely and substantially bound, more strongly than the expensive Edinburgh Edition, which costs \$8 per volume. The type is large size and the paper is of excellent quality and strength. A serviceable bookcase to hold the entire 25 volumes will be furnished for \$1.00.

THE WORLD-HERALD'S GREAT OFFER

To deliver to your homes the entire 25 volumes on the payment of \$5 per month is an opportunity of a lifetime, and no family can afford to miss it. If you prefer the **Ten Cents a Day** plan, we will deliver 12 volumes at once on payment of \$3 on delivery and 10 cents a day, and will deliver the remaining volumes as soon as the 12 are paid for.

READ OUR PROPOSITION.

One complete volume of this great work will be delivered to you upon payment of only ONE DOLLAR. This is done in order that you may compare it page for page with the original Edinburgh Edition. There is no obligation on your part to take the remainder of the set. The remaining 24 volumes can be secured at \$2 per volume as follows: Twelve volumes will be delivered on payment of \$3 on delivery and 10 cents a day thereafter, or we will deliver the whole set of 25 volumes on payment of \$5 on delivery and \$5 per month thereafter. This Edition is printed on a fine quality of paper, is elegantly and substantially bound in rich silk cloth, the lids of the book are of stout oakum board, which will hold its shape and never warp. The lettering is genuine gold leaf of the purest quality. It is bound with a double flexible back, just like an Oxford Teacher's Bible. It is an actual fact that this book is more strongly bound than the edition which is sold for \$8 per volume. All charges are paid by us to any part of the United States.

Cut this out and send it to the WORLD-HERALD ENCYCLOPEDIA HEAD-QUARTERS, 214 South Fifteenth Street.
