More About the Suicide. W. C. Estep returned home yesterday afternoon with the body of Conrad Lanzen dorfer, who committed suicide at Carroll last Sunday, and the funeral will take place tomorrow afternoon at 2 o'clock from the residence on Seventh street, near the corner of Willow avenue. Until yesterday only the most meager details of the affair could be obtained, but it is now learned that it was a bullet that ended his life and not poison, as has been stated by the local papers as a mat-ter of conjecture. The deceased scated him-self on the bed in his room, and raising his shirt put the muzzle of the revolver directly on the skin above the heart and fired. The revolver was evidently held in the right hand, as there were powder marks on the left breast. None of the people in the hotel heard the shot, and it was not for some time left breast. after the tragedy had taken place that his door was forced open and he was found lying

dead.

The actions of the people of Carroll were very peculiar. They did not take the trouble to send Mrs. Lanzendorfer any word after the first telegram, which was sent by P. M. Hoffman, proprietor of the hotel, where Lanzendorfer had been stopping. The telegram contained none of the details, and neither the coroner nor the proprietor of the hotel seemed to have any idea that the widow would have any anxiety to know how the affair occurred.

the affair occurred.

When Mr. Estep reached Carroll he found that the local undertaker had put the body a a cheap casket and was making prepara in a cheap casket and was making prepara-tions to bury it at the expense of the county. When asked if he did not intend to send it home he replied no; he was not sure of getting his money if he let the body go out

f the county. The actions of the hotel man were just as The actions of the hotel man were just as strange. After the inquest the coroner turned all the papers belonging to the deceased over into the hands of the hotel keeper, and he refused to give them up to Estep. The supposition is that he intends to hold them until Langendorfer's bill for heared amounting to separating agency. board, amounting to something over \$100, has been settled. It is stated that among the papers is a life insurance policy of \$2,000 which Hoffman thinks Mrs. Lanzeniorfer will be anxious enough to get to pay the amount that is due. In keeping the papers he acted under advice of the county attorney of Carroll county.

DEVOTED WOMEN ASSEMBLE

Interesting Meeting of Presbyterian Workers in Omaha This Week.

MRS. VINCENT'S INSPIRING ADDRESS

Achievements of the Past Century in Mission Fields Reviewed-Address of Welcome by Mrs. McCague to the Delegates.

There was a time when a convention of women meant an assemblage of shortflow made in Dakota and far superior to anything on this market, \$1.10 sack for haired, scatter-brained females who were the laughing stock of sensible people. The first meeting of the women of the United Presbyterian church last evening showed a guaranteed better than any flour made in Council Bluffs, for \$1.00. gathering of intelligent, refined ladies whom it was a pleasure to meet.

The devotional exercises were conducted Daisy flour, this is a Kansas straight by Mrs. Dr. Moorhead of Xenia, O., the singing being conducted by a large choic under the leadership of Rev. J. A. She then brought out in a foreible way the changes that have taken pince in the last 100 years, the giant strides of Christianity. 'India, once hostile, has become tolerant, China—the walled kingdom—once presented formidable difficulties to the soldiers of the cross. Darkest Africa has been penetrated by the Light of the World, Japan welcomes the old, old story,' Madagascar has fully demonstrated that the worl of God is powerful to convert. America is the new land of promise to all the world. We have so much roon and so many coming to us from all parts of the earth. The heathen have been Manawa. In the word of God is the only solution of the great labor problem of the day. The work of the home missionary was never so much needed as pounds of fish were caught, and the occur-rence was repeated almost every night in the week, so that it was clear that unless someweek, so that it was coar that ances some-thing was done at once the fishing would not be in much demand during the season. The parties doing the fishing had made their boasts that they would shoot the first man that dared interfere with them.

"With our societies, our young people's Christian unions and Christian endeavor societies, we have equipment for active work for our Master. This is America's day of opportunity. Fire Chief Smith Recommends Several Improvements in the Department.

Fred M. Smith, chief of the South Omaha fire department, has performed the duties of his office faithfully and successfully for years and is considered by every one who knows him to be one of the best firemen in the west. He has just completed his annual report, which gives some very interesting facts. During the year the department responded to forty-six alarms, which is twelve more than the preceding year. The fire loss was \$30,000, with an insurance of \$19,000; loss over insurance, \$11,000. The cost of maintaining the department was \$7,782.72. There are eighty-five hydrants in use. Mr. Smith recommends that the council buy \$90 feet of two and one-half inch rübber four-ply hose, and 200 feet of cotton two and one-half inch fire hose, the rubber hose to be used on the hose reel and the cotton on the hose wagon. Also that fire hydrants be located at Twenty-fourth and E and Twenty-fourth nd J streets.

Not because it concerned him, but merely ecause he thought justice was being misapplied, Edwin Dygart, a traveling man, interfered with a dog-catcher on South Thir-teenth street yesterday morning. While he was talking to a customer, a representative of the pound happened along to arrest the grocer's dog, to which Mr. Dygart objected forcibly with the result that he was arrested and lined 83 and costs. and fined \$3 and costs.

DON'T BE CARELESS. DON'T BE too careless to examine closely when you go to buy a bottle of Carter's Little Liver Pills. Many unprincipled dealers will hand you a bottle, put up in RED wrapper, and closely imitating "C-A-R-T-E-R-'-S." Don't fall to examine cirefully, and don't be put off with something "just as good as Carter's." There is nothing so good as "Carter's." The only safety is in getting the genuine CARTER'S LITTLE LIVER PILLS. A POSITIVE CURE FOR SICK HEAD-ACHE ACHE
