Bank Failures at Minneapolis.

MINNEAPOLIS, June 26 .- The bank of New England has suspended payment, at least emporarily. Since the failure of the State bank Thursday there has been a steady withdrawal of deposits. A. J. The bank had liabilities of \$200,000 and assets somewhat in excess of that sum. Blethen is a well known newspaper man.

The company estimates its liabilities at about \$120,000 and its assets, including capital stock, at \$119,000, which would virtually make it solvent, but the assets in-clude about \$40,000 due from a former agent, which is not considered worth anything.

Stringency in the Money Market. SAN FRANCISCO, June 26 .- Today the firm of S. & G. Gumpa, extensive dealers in (art goods, made an assignment. Liabilities, \$140,000; assets, \$100,000. The failure is at-tributed to the stringency in the money market.
