Wheat at the opening was a fraction higher than Wednesday's closing, because weak and after numerous fluctuations closed weak.

Chicago, Sept. 14.—With heavier receipts in sight the bulls in wheat and corn sold freely today and prices tumbled. The cash demand did not keep up. Compared with last night both wheat and corn show a loss of nearly 10c per bushel. Provisions were in little demand, with irregular slight changes.

to which it down with ill-favored amendments calculated to unsettle the monetary situation. The difficulty in bringing the silver senators to a realization of the importance of immediate action is growing in influence on the speculations upon the stock exchange and the belief is increasing that the future progress will depend on the course of events at Washington.

Among the special influences at work today on the exchange were the disagreement between the British and American governments, the Boston selling of Union Pacific on the belief that the stock of the late Fred L. Ames was being put on the market, reports that the time statement of the Union Pacific, to be given out tomorrow, would make a very bad showing, the absence of the large orders from London that it was expected would follow the reduction of the Bank of England discount rate and selling orders from the west in Chicago.

No change in the trading, however, that the declines affected on unfavorable reports were not very serious and prices moved one way or the other in a sort of perfunctory way. The declines, too, were very irregular, and stocks moved independently of each other.

During the afternoon, however, a general upward movement of small proportions, followed by a decline, began to be noticed, which was succeeded before noon by an upward movement of small proportions.

The following are the closing quotations of the leading stocks on the New York exchange today:

FAIRBULT PLAN A FAILURE
Collapse of a Much Discussed Method of School Management.

CLUSE OF THE MIXED MINNESOTA SCHOOLS
Catholics Cannot Stand Having Two Protestant Teachers in Their Building.

FAIRBULT, Minn., Sept. 14.—The formal announcement of the failure of the Fairbault school plan, which during the past eighteen months has been discussed from Rome to San Francisco, was made yesterday when Father Conroy appeared before the Board of Education and said that the assignment of two Protestant teachers to the Hill school, which had been a Catholic school up to the time of the union, it is understood that the union came from Archbishop Ireland and that he had had a request to take this action from the state. As a result of this union, all Protestant children will be withdrawn from the Hill school and that institution will in the future be conducted strictly as a parochial school.

FOR STATE OWNERSHIP
The Gulf Transportation Convention Adopts a Resolution Which Causes Trouble.

CHICAGO, Sept. 14.—Strife arose in the Gulf transportation convention yesterday. The delegates assembled in the city for the purpose of organizing a committee on permanent organization, which they adjourned to the Nebraska building, where their sessions will be held. A set of resolutions was offered, one section of which advocated the state ownership of railroads. It was objected to the section, saying that it was objectionable to the laws of Texas, because it was unconstitutional for the state to have interest in any railway corporation. The convention then adjourned to the Nebraska building today.

Here's a Queer Offer Plan.
ASTORIA, Ore., Sept. 14.—A request has been made of Governor Hogg by some ardent silver men in the state to call a council of governors of the free-silver states, that they may suggest to such states the passing of a law making a silver dollar weighing one ounce legal tender in the payment of debts. The mines are to have their money coined in Mexico from the products of American mines. Some lawyers say the plan is constitutional.

Troubles of Butcher Templar.
BUFFALO, Sept. 14.—The adjournment of the eighteenth convocation of the grand convocation of the Knights Templar took place yesterday. The convocation was held at the Hotel Hamilton and adjourned to the second Tuesday of next September. The relations between the commanders of New York and Indiana are strained and a New York representative and Indiana's commandery have been withdrawn.

Formed a New Gorge Trust.
BRISTOL, N. J., Sept. 14.—A new gorge trust has been formed under the corporation name of L. Waterbury, company and incorporated under the laws of New Jersey. It began its corporate existence yesterday. The L. Waterbury company, limited, will do business all over the United States. The capital stock is \$2,000,000.

Double Tragedy Among Whitecaps.
LITTLE ROCK, Ark., Sept. 14.—Emanuel Ferguson, a whitecap, killed a companion, whose name is unknown, and then committed suicide by shooting himself through the head near Morrill, Ark.
