

THEY DEMAND IRRIGATION

Farmers in Western Nebraska Want Something Done in this Line.

GOVERNOR CROUSE ON THE SUBJECT

Inclined to Think that Whatever is Done in the Premises Must Be Accomplished by the Commissioners of the Several Counties.

LINCOLN, June 14.—(Special to The Bee.)—The J. F. Felt, president of the State Irrigation company of North Platte, visited the state house today for the purpose of presenting to Governor Crouse a petition signed by about seventy-five farmers of Lincoln county, asking that an official investigation be ordered into the crop conditions of the middle west of Nebraska.

President Felt reported to the governor that the farmers were leaving that part of the state by scores on account of the drought, and that unless something was quickly done the state would not only lose a great many of its citizens, but those who remained would be reduced to the utmost extremity. At a mass meeting held yesterday it was resolved to ask the governor to call a special session of the legislature for the purpose of assisting in the construction of irrigation ditches, thus furnishing employment for a large number of the farmers who are this year without a crop.

Governor Crouse was emphatic in his assertion that it would be impossible to call a special session of the legislature. He stated that whatever was done for the relief of destitute settlers must be done by the commissioners of the several counties. The governor was anxious, however, to institute an official investigation into the extent of the crop failure of western Nebraska, and conferred with the deputy state commissioner with a view to having the state make a personal visit to the stricken counties. The commissioner was unable to see his way clear to such an investigation as the last legislature made no provision for traveling expenses.

President Felt stated that the crop was a failure in many of the western counties, especially in Logan, Keith, Deuel, Grant, Hooker, McPherson and Thomas counties. Something must be done at once, the farmers refuse to accept state and county aid, and want the state or the counties to issue bonds so that irrigation works might be started. The commissioner is a member of the board of directors of the state irrigation board, and he is in a position to accept state and county aid, and want the state or the counties to issue bonds so that irrigation works might be started.

WANTS A RECEIVER

W. E. Thomas, president and treasurer of the Southwestern Fuel company, today applied to the supreme court for a receiver for that company. In his application Mr. Thomas makes some startling and serious charges against P. Barton, the general manager of the company. He claims that Barton has from time to time used large sums of money belonging to the company and had rendered no account for the same.

FROM THE POLICE COURT

Seven tramps are under arrest at the Rock Island freight car. Annie Smith was sent up to the county jail this morning for ten days for manufacturing a disposition to break into a freight car.

TURNING OVER THE POLICE

The Lincoln police force is indulging in considerable speculation in making the action of Mayor Weir last night in making an entirely different disposition of the officers. In a letter to Chief of Police Cooper the mayor ordered a number of changes made, but stated that for good reasons his motives would be kept to himself.

LINCOLN IN BRIEF

The trustees of the Young Men's Christian association have decided to abandon the ladies' classes in athletics owing to the large number of members who desire to use the gymnasium. The young ladies have an association of their own, but have been using the gymnasium at the building destroyed in the fire.

Explosion of a Gasoline Store

YORK, Neb., June 14.—(Special Telegram to The Bee.)—About 4 o'clock this afternoon fire destroyed the dwelling house owned by O. R. Kilbourn. The house was occupied by Rev. H. H. Maxwell. The fire was caused by the explosion of a gasoline stove and Miss Maud Maxwell was badly burned. The house was insured for \$1,000 in the Connecticut. No insurance on the contents.

Ansions to Hold Boyd County

NAPER, Neb., June 14.—(Special Telegram to The Bee.)—The county commissioners will again submit the question of bonding the county to the voters of Boyd county at the next election. The proposition carried last fall by twelve to one, but the voters of the county are now divided on the subject, and a new election is necessary.

Because the Water Pressure Was Weak

NEBRASKA CITY, June 14.—(Special Telegram to The Bee.)—Mrs. Ann Walker, whose barn was burned Tuesday morning, has brought suit against the city for damages. She claims that there had been insufficient water pressure her building could have been saved.

Small Blaze at Hubbard

HUBBARD, Neb., June 14.—(Special to The Bee.)—A cigar stub thrown into a box filled with kindling started a small blaze which burned part of the counter and stovecase, breaking a portion of the glass in Delinger's restaurant on Johnson avenue.

IN THE COLLEGE CIRCLES OF HASTINGS

Past Week Crowded with Interesting Entertainments Among Students—Pleasant Reception to the New Class Last Evening.

IOWA CITY, Ia., June 14.—(Special Telegram to The Bee.)—An even evening of music and drama was given by the college department of the State university today. There were six orators out of the number and they were showered with bouquets and these honors recognized by applause. Miss Paula Kello talked of "In the Pathless of Time." Glenn S. Noble discussed the "Necessity of Better Road Government." Harry Grant Plumb considered the "Relation of the Church to the Social Problem." Miss Stella Helen Price spoke of an "Outlook," and Frank Woolston considered the "Railroad Question." The degree of master of arts was conferred upon the following: Thalia Goodrich, Iowa City; Edward W. Roberts, Mahoning, Okla.; Alice Jane Mott, Fairbairn, Minn.; Alvin B. Noble, Lansing, Mich.; Frank Henry Noble, Lincoln, Neb.; William H. Patterson, Cambridge, Mass.; Carl Leopold of Burlington was granted the degree of master of sciences. The degree of doctor of laws was conferred upon H. C. Washburn, Washburn, D. C.; master of science, Henry F. Wyckham.

RECALLED THE PRELATES

Chapch Trial at Nebraska City Continues to Attract Much Attention.

NEBRASKA CITY, June 14.—(Special Telegram to The Bee.)—Contrary to expectation Bishop Boncum and Father Corbett were both recalled in the church trial this morning. They were summoned to the financial affairs of the Palmyra parish, and each subjected to a rigid cross examination, but nothing new was developed. Charles Royal and Mr. Fleming were also examined on the same point. The arguments were begun at 1:30 this afternoon, and may not be finished until the afternoon of Monday. The decision will be reached. Both sides are confident of a favorable ruling.

Jury Selection Irregular

NAPER, Neb., June 14.—(Special Telegram to The Bee.)—The spring term of the district court will not come off this week, owing to the fact that the drawing of the jury was not properly done. The court had selected a jury from certain men from each precinct who would be able to bear their own expenses, as the county warrants cannot be even discounted and are practically worthless. Judge Barton decided that the process was illegal and discharged the jury. George T. Bastedo, county clerk, and John H. Mosler, ex-county attorney, whose claims for salaries were disallowed by the commissioners, secured judgments against the county yesterday for \$150 each. This will necessitate an additional levy to meet the judgment, and it is claimed will ensure the defeat of the anti-bond element in this county this fall.

Postponed the Ordinance

LINCOLN, June 14.—(Special Telegram to The Bee.)—After an exciting session tonight the city council, by a vote of 11 to 2, indefinitely postponed the street railway ordinance, which has provoked so much discussion during the past six weeks. The ordinance will remain in the hands of the council until the next meeting, which is held on the 22nd. The ordinance would have the effect of relieving the necessity of selling six tickets for 25 cents and that it might run its cars without conductors. It was evident from the discussion of the ordinance that the ordinance would fail and the attorney of the company appeared and asked unanimous consent to have it withdrawn. The ordinance was referred to the committee on a debate of two hours the ordinance was indefinitely postponed.

Injured in a Runaway

FREMONT, June 14.—(Special to The Bee.)—During a runaway Charles Denigier was thrown from a wagon this afternoon, receiving a compound fracture of the leg. A public meeting was held at Nickerson yesterday by farmers in opposition to the construction of the Reynolds ditch, which has been officially abandoned. The meeting terminated. The opposition developed to the enterprise suggests further action.

Sixteen-Year-Old Boy Commits Suicide

GRAND ISLAND, Neb., June 14.—(Special to The Bee.)—Ernest W. Spiehs, son of a prominent farmer living near Abbott, committed suicide yesterday afternoon by hanging himself in the barn. He had been at work in the morning and appeared as usual for dinner. The cause of the tragedy was not ascertained. The only theory advanced as to the cause of the act is temporary aberration, caused by the intense heat and the fact that he was with many members of the family, and his youth, only 16 years, makes the case a most mysterious one. If the above theory is not acceptable, his family is grief-stricken and almost broken-hearted.

HASTINGS COLLEGE CIRCLES

Past Week Has Been Particularly Interesting at this School.

HASTINGS, Neb., June 14.—(Special to The Bee.)—The past week has been busy in Hastings college circles. Beginning on the 9th, the closing examinations were started, closing on the 13th. The 10th, the baccalaureate sermon was preached in the morning by the president of the university. In the evening the Christian societies of the school were addressed by Rev. Mr. Irwin of Hastings, Kan. Monday morning came and the commencement exercises were held in the evening of the juniors' reception in the class of '94. Tuesday afternoon the graduating exercises were held in the morning. The class was composed of twenty-five members. Miss Katharine Hartigan, secretary and treasurer. The executive committee consisted of William W. Wray, chief trustee, William D. Ogden, Charles E. Coffin and James A. Patton.

Neigh News Notes

NELIGH, Neb., June 14.—(Special Telegram to The Bee.)—The county supervisors adjourned today. The court house building committee will visit Pierce tomorrow to examine the annual field day arranged by the district court met here this evening. Judge Robinson presiding for the purpose of securing up the equity docket. The drought still continues, but corn is looking fine.

Will Celebrate the Fourth

SURPRISE, Neb., June 14.—(Special to The Bee.)—There is to be a grand Sunday school celebration at Surprise the Fourth of July. The celebration will be held at the school building. The dam on the Blue river at this place was undermined and washed out last night. The damage is \$250.

He is Not a Butcher Now

Rev. S. Wright Butler was given the degree of D.D. last Tuesday by Tabor college. The ceremony was held in the chapel this evening. This ends the second year of the institution, and thirteen students were graduated. After the exercises closed a reception was tendered to the graduates and their families. The exercises were served and toasts responded to by Miss Darby, M. A. Brown, Moses Sydenham, E. H. Deanna and others. There were about 200 guests present, and the prospects are that the institute will be well patronized next year.

HOW NEW YORK'S POLICE GET RICH

Estimates Based on the Evidence Already Given Before the Leavelle Investigating Committee—Figures that Tell Big Tale—Side Revelations.

NEW YORK, June 14.—A New York paper which has heretofore been regarded as favorable to Tammany prints over a column under the heading of "Police Revenue." It seeks to show in this article the amount of illegitimate revenue said to have been received by the police of New York annually, and the showing is based upon the testimony thus far taken before the Leavelle investigating committee. The paper starts out with an explanation of the number of men employed on the police force, which is 1,900. The fact is cited that the amount appropriated by the board of estimates in the budget of 1904 is \$1,125,147. This amount is entered upon as the legitimate sum received by the police force for its maintenance. The paper introduces the following figures: "The testimony brought out by the Leavelle investigating committee shows that the police in addition to their salaries from the city have had an additional income contributed by the keepers of disorderly houses, saloons, gambling houses, merchants and push cart peddlers. This income is made up of the following items: (1) Protection money paid by those who are sometimes called blackmail. The police probably call it perquisites. If the total police income is estimated to be \$1,125,147, and the salaries of the police from the city are \$1,125,147, the balance of \$1,125,147 is made up of the following items: (2) Protection money paid by those who are sometimes called blackmail. The police probably call it perquisites. If the total police income is estimated to be \$1,125,147, and the salaries of the police from the city are \$1,125,147, the balance of \$1,125,147 is made up of the following items: (3) Protection money paid by those who are sometimes called blackmail. The police probably call it perquisites. If the total police income is estimated to be \$1,125,147, and the salaries of the police from the city are \$1,125,147, the balance of \$1,125,147 is made up of the following items: (4) Protection money paid by those who are sometimes called blackmail.
