## GOT HIS ACCOUNTS MIXED

Ex-County Treasurer Farney of Hamilton Short Several Thousand.  
WAS ELECTED AS A THOROUGH REFORMER

After Serving Two Terms the Pride of the Fusion Element Failed to Turn Over to His Successor Proper Funds.

### LINCOLN, July 2.—(Special to The Bee.)

The report of State Examiner C. A. McCloud, whose figures are generally conceded to be accurate, shows that ex-County Treasurer Peter Farney of Hamilton county is about \$15,000 behind in his accounts. Mr. Farney was elected in 1889 by a fusion of the democrats and populists, and was heralded all over the state as a rara avis in the shape of a county treasurer—one who would see that all the interest derived from the investment of county funds should go to the county, and as a matter of fact the interest was turned over to the county. His last term expired January 1, and Examiner McCloud has had considerable trouble in getting over his accounts. He has been at Aurora, the county seat of Hamilton county, for over a month, and as a result has the following figures in red ink at the foot of his report: Farney's receipts..... \$78,338.98  
Excessive fees..... 119.98  
Paid to successor..... 63,292.58  
While the examiner was at work he carried the record at Aurora was burned down and many of the records destroyed, but he has verified the record by applying to the state offices and to other sources.  
Brooks R. Johnson and Ellen Johnson, his wife, have filed a petition in the supreme court to have set aside a judgment of the Douglas county court giving to the Nebraska National bank certain lots in the city of Omaha. Johnson was the janitor of the bank and it is alleged made away with some sacks containing \$5,000 in gold. No criminal proceedings were instituted by the bank, but when he began to buy property civil action was commenced, and a judgment obtained, which it is now sought to set aside.  
A committee, consisting of Colonel Will B. Dale of Columbus, Colonel Frank W. Barclay of Beatrice, Captain E. P. Hedges of South Omaha, Colonel J. N. Killian of Columbus, and Major George E. Wetherby of Oakland, has been appointed by Brigadier General Hotchkiss to make arrangements for the transportation of the Nebraska brigade to the encampment at Washington. The committee met at the Lincoln hotel last night and completed its arrangements.  
John Dowden, treasurer of the Lansing theater, was married in Council Bluffs on Saturday.  
Two hundred and seventy-six arrests were made during the month of June in Lincoln.  
The republican county convention is to be held tomorrow, and all factions are busy today fixing up their fences. Both of the leading candidates, Moore and Hamilton, have established headquarters at the hotels. The outlook is that the state, as prepared by the bosses, will be seriously shattered.  
There is a great deal of anxiety in the city over the railroad strike, some fears being expressed that the railroads here may be tied up.  
The board of purchase and supplies has been in session today.  
Something of a scandal was created yesterday by a couple of young bloods, who armed themselves with a supply of booze, and accompanied by a couple of dissolute women, entered the land commissioner's office as a convenient place for a Sunday celebration. The janitor fired them out, notwithstanding the fact that one of the celebrants was a son of an employee of that department.  
The State Board of Transportation is preparing a petition for the Holt county district court in the matter of transfer switches. The matter was before the supreme court last week in the form of mandamus proceedings to compel the Short Line and the

Elkhorn to put in the switch at O'Neill, but was referred back to the district court.

### CHASING HOLDREGE MURDERERS.

Trace of the Two Men Discovered in the Sand Hills.  
HOLDREGE, Neb., July 2.—(Special Telegram to The Bee.)—The sheriff returned last night with his special car, having gone as far east as Minden, bringing back two men picked up by a deputy that were evidently the wrong parties, but they got on the track of the right parties in the sand hills near Lowell. It seems the robbers ate dinner Saturday at the Farmers' hotel. They are described as a tall man about five feet eleven inches, weight about 170 pounds, long hair, light complexion, with a long, slim face, blue eyes and no beard, dressed fairly well in suit of dark clothes and soft felt hat. He had a ring on one of his fingers. This man appeared to be ill at ease and would not look a person in the face, and it was hard to get a word from him. The other was a short man, about five feet eight inches, well built, dark brown eyes, smooth, round, full face, dressed in dark clothes, and wore a soft hat. They smoked cigarettes incessantly, which they made themselves. They both seemed to be great novel readers. About half past 5 they disappeared. After dinner they had a conversation with one another, in which they spoke about beating a negro at Kearney out of all the money that he had in a game of craps.  
The sheriff's deputies are still scouring the country.  
Richardson County Mortgage Record.  
FALLS CITY, Neb., July 2.—(Special to The Bee.)—The following is the mortgage indebtedness of Richardson county for the month of June: Sixteen farm mortgages filed, amounting to \$16,418.49; nineteen satisfied, \$19,459.85; four town and city mortgages filed, \$1,989; thirteen satisfied, \$4,831.15; eight-seven mortgages filed, \$11,124.71; twenty-two satisfied, \$3,329.19.  
Last night John Shurtliff and John Casey went through the clothes of William Torrey from the Missouri Pacific depot and got \$15. They were arrested this morning and taken before County Judge Whitliff and bound over to the district court in the sum of \$200, in default of which they were taken to jail.  
Ended the Officers.  
WAVERLY, Neb., July 2.—(Special Telegram to The Bee.)—J. C. Benfer, accompanied by Deputy Sheriff Holloway, came in from Plattsmouth this morning to bring back "Reddy" Woods, charged first with horse stealing, and under arrest since Sunday, although the charge has now been changed to petty larceny. While Benfer was getting his reliefs papers to take the horse and saddle away a Mr. Broadwater, from Havelock, came in and traded for the horse and took it away without the knowledge of the officers. As soon as they found out that the property was gone they jumped into a rig and followed the man to Havelock, but failed to capture him.

### Nuckolls County Republicans Organize.

OAK, Neb., July 2.—(Special to The Bee.)—The Republican League club of this place has a membership of 123. The republicans of Elk precinct are highly elated over their success in bringing into their fold one Harry Washington, a prominent merchant of this place. Unless hot winds strike this section in the future Nuckolls county will have one of the largest corn crops it has seen for years. Wheat will make a two-thirds crop.

Children's Day Celebrated.  
JUNIATA, Neb., July 2.—(Special to The Bee.)—Children's day was observed at the Baptist church last night with a special program by the little folks. The decorations

were fine, the rostrum being completely filled with choice blooming plants, in the midst of which a beautiful fountain was playing, sending sprays nearly to the ceiling.

### State Notes.

Hail at Holdrege broke fifty panes of glass in one greenhouse.  
The Saline County Teachers' institute will be held at DeWitt, beginning August 20.  
Three horses belonging to A. D. Cole of Valentine were killed by lightning the other night.  
Mrs. Fritzton, an aged woman, is missing from her home in Filley, and it is feared that she has been drowned.  
Fred Chambers of Aurora was seized with a fit while in the water and was drowned before help could reach him.  
A branch of the Ancient Order of Hibernians has been organized at Alliance with thirty-five charter members.  
C. E. Fields has sold the Tilden Citizen to A. C. Mason, who will turn the paper into a weekly-republican sheet.  
A telephone manager at Nebraska City tried to learn the circus trade, and, as a result, he fell from a trapeze and is now laid up with a broken collar bone.  
Hayes Center Congregationalists will only hear preaching once a month this summer for their pastor, Rev. George E. Taylor, has become field secretary for Doane college.  
Because of the lack of proper medical attention Mrs. Anna Cochran of Dwight has been declared insane and will be taken to an asylum. She is the mother of five small children.  
A barb wire fence in Thayer county got in its work the other day on two horses belonging to William T. Mosler. One of the animals had its jugular vein severed, and the other was so terribly cut on the legs that death resulted.  
John Millrons tried to load a team at Albion while a man hauled a hog into the wagon. The horses couldn't stand the porker's screams and they ran away, throwing John down and trampling all over him. He will recover, but he feels rather sore.  
Mrs. Boyer of Cherry county has discovered that it is a mistake to use barbed wire to haul water from a well. She tried it the other day, and when she had pulled the bucket to the curb she lost her hold on the wire. The result was fish-reading, for, as the old oaken bucket fell to the bottom, the barbed wire wound itself around the arm of Mrs. Boyer and cut things loose at a great rate. It took an skillful surgeon several hours to partially repair the damages.

### At Dierks, a Madison man, hung his vest on the limb of a tree, and when he came to look for it found it missing. A search resulted in finding the vest near by, but \$20 in money and a gold watch were missing. He suspected two boys who had been with him, and swore out a warrant for their arrest. The arrest created some excitement, and as nothing was found in the pockets of the boys it was suggested that a search be made near where the vest had been picked up. The search was made, and the money and watch found on the ground. The verdict rendered was that a cow had caught her horn in the vest and scattered the contents promiscuously around.
