NEWS FROM COUNCIL BLUFFS

Date Finally Fixed for the Opening of the Grand Hotel.

WILL OCCUR ON THE 20TH OF NEXT MONTH

Manager Clark Now in the East Purchasing the New Furnitures for the Institution—Some Changes Will Be Made in the Interior of the Building.

It has now been definitely decided that the opening of the Grand hotel will occur on the 20th of next month. This date is two days before the meeting of the Missouri Valley Medical association, and was the date previously fixed up by Mr. Clark and the hotel company, but it was not generally known that the Penn Mutual Life Insurance company had not fully relinquished its grasp upon the property and was still contending for greater advantage in some of the minor details of the deal. Yesterday the insurance company signed all of the terms of the contract. Mr. Clark left a couple of days ago for the east to purchase the furniture. He expects to take advantage of the low markets and secure some big cash bargains in the furniture line. With the amount of money he intends to put into it he will be able to furnish the big hotel in a style of magnificence that was not approached at the former opening.

Contracts were also let yesterday for the expenditure of \$1,000 in repairs and changes in the interior of the building. These changes will be made under Mr. Clark's supervision, and will include the re-arrangement and convenience of the patrons. Mr. Clark's lease now covers a period of five years and he has sufficient incentive to go to the limit in the hotel, the most popular hostelry in the west.

For the benefit of those in need of footwear, I would say take advantage of Duncan's wreckage sale. This is what you can get:

500 pairs men's fine Russian calf shoes and all our regular \$5.00 and \$6.00 tan shoes, all the latest shades and styles of top, \$2.50.

60 pairs ladies' lace patent tip and counter, \$1.25.

72 pairs misses' button shoes, patent tip, 75c.

72 pairs youth's shoes, sizes 8 to 12, \$1.25.

120 pairs boys' shoes, sizes 12 to 5, lace, \$1.25.

12 dozen child's and infants' shoes, at 20c to 50c.

This wreck occurred on the I. C. R. July 21 and was the result of a collision between a passenger train and a freight train, both of which were operated by Mr. Duncan for one-half the actual value. 28 Main street.

BENNINGTON BROS., Council Bluffs.

Bumped the Bartender.

Clifford Hough, a young man well known in police and foot racing circles, went into the bar of the Neumayer hotel yesterday afternoon and created a disturbance by trying to whip off the effects of a jag he had been accumulating. He was met by William Pfaff, came out from behind the bar and tried to get him to keep still. He turned on Pfaff, and shouting that no one could put him out, he proceeded to convulse Pfaff by his physical prowess by lambasting him across the face with his fist a number of times. Pfaff showed up half an hour later at the police station with a swollen face and a face covered with blood and his face full of holes and swore out a warrant for Hough's arrest on the charge of assault and battery.

William Pfaff, who lives on 11th street, was taken to the hospital for treatment. He is now recovering from his injuries and is expected to be home in a few days.

Abducted a Fifteen-Year-Old.

Willard James, who had a good deal of unenviable notoriety a few weeks ago by reason of his taking a couple of young girls to Missouri Valley and keeping them there for several days, has come to the front again. Last evening the police of Council Bluffs telephoned to the police of this city that James had brought a 15-year-old girl named Ellen Living in a buggy to the city and left her there. He was driving a hack from William Martin at the time. The case will be investigated by the police, and if the circumstances turn out as is now believed the young man may find himself taking another dose of grief.

Certainly, that's what everybody says. Manhattan beach, Lake Manawa, is the best place to go in the summer. Good place to picnic and have a nice time.
