Combination that Helped Quincy's Average in the Standing Table Series' Points.

ROURKES IN TOUGH LUCK ONE MORE

Yesterday's Game Should Have Been Ours, but Had Playing Would Not Have It that Way—St. Joe Keeps Omaha Company.

There are times in a man's life when the consciousness of having done his best opens to a degree of the humiliation of defeat. Again he sees his favorite ball team lose and is satisfied because they lost no chance to win and were simply beaten out. But the Quincy pitcher yesterday was not one of those games. Rourke would have won, but on the day before, they were utterly unable to hit the ball with any effect. And then a couple of costly errors at a critical point finished the scene and lost the game.

Everything looked lovely for awhile, and the work began with a nice lead for the home team. Ulrich got a base on balls, stole second by a neck and scored on Langford's two-acker. Seery popped up a foul, which was garnered by Andy Sommers, but McVey went down on four wide ones. Meanwhile a passed ball advanced Langford to third, and he and McVey executed a double steal, Langford scoring and McVey going to second. It was a play that is seldom successfully attempted, and the crowd cheered it as an omen of victory. But they were away off, for in the second the visitors made it make with a grand one hit and an error, which tied the score.

Four successive hits by Langford, Seery, McVey and Moran gave us three more in the third, but in the next inning the visitors allowed the yellowbacks to even it up once more.

Lookabaugh hit Sommers with the ball after McVey flew on to Seery. Boland hit Hutchinson, who fumbled the ball long enough to let him first, spoiling a beautiful chance for a grand slam. In the sixth, Seery's home run added two more in the sixth. From this on, however, it was one, two, three and out, while the visitors succeeded in putting in only one more run. Needham was not a success as an umpire. His judgment on balls and strikes was decidedly off, and he was not at all fair in turning on a couple of close base decisions. That was not accountable for the loss of the game, however, which was simply due to the failure of the home team to field and Omaha slugger to slug. Score:

Omaha Lawn Tennis Club Prepared to Entertain Its Guests This Week.

ENTRIES NOT UP TO EXPECTATIONS

Iowa's Champion Among Those Who Will Play in Singles and Doubles—Kansas City Sends a Team—Lincoln Players Flunk.

For the Interstate lawn tennis tournament, which opens on the grounds of the Omaha Lawn Tennis club on Harney street tomorrow there has been a larger entry from outside the city than there ever was before for any tournament held in this city. It is the first time that Omaha has attempted to hold an open tournament on a large scale. The entry list does not come up to the hopes of the committee of management, based on letters received earlier in the season, but with nearly a dozen competitors from outside of Omaha it cannot be said that their efforts have been altogether in vain. And among these, also, are several of considerable ability. Mr. Farquhar, the champion of Iowa, is to be here and he is entered in the doubles with his fellow townsman, R. Nicholson. Guilmotte of Hastings is the only Nebraska from outside Omaha. Three or four men from Lincoln were understood to be intending to come down, but their entries were not received. The only entry from Lincoln who would be able to add much to the standard of the play in either the singles or doubles, yet their presence might well be considered a waste of the efforts of the committee of management, based on letters received earlier in the season, but with nearly a dozen competitors from outside of Omaha it cannot be said that their efforts have been altogether in vain.
