Hiram Closes in a Rush.

LINCOLN, Sept. 8.—(Special Telegram to The Bee.)—The last game of the season played on the home grounds with the St. Joe team was witnessed by one of the largest crowds of the season. It was anybody's game until the beginning of the ninth inning, when the locals by terrific slugging secured seven runs, after a chance had been given to retire the side. Sullivan smeared himself all over with glory, making five putouts unassisted, two of these being on a double play, which he executed very nearly. He is credited with twenty putouts out of the twenty-seven, resulting from the inability of the visitors to knock the ball outside of the diamond. He also secured four hits, a single, two doubles and a three-bagger. His hitting was very timely, bringing in two men at one time and three at another, and afterwards scoring himself. One rank error marred his otherwise perfect record. Pedroes secured the same batting honors as Sullivan and brought in three men by a timely three-bagger. Barnes put up a great game in the box, but he weakened a little in the fifth inning, when four hits were made, netting three runs. Score:

Needham Wins for the Leaders. Rock ISLAND, Ill., Sept. 8.—(Special Telegram to The Bee.)—Manager Strothers of the Jackschvilles intensified the feeling toward him here today by permitting his men to withdraw from the field in the second inning because Umpire Needham had not called Lohbeck's hit into the bleachers a fair balk when it was plainly a foul. The game was then given to Rock Island, 9 to 0. The score at that time was 5 to 1 in Rock Island's favor, with Mauck and Sage and Carisch and Lohbeck as the batteries. Peoria Pursues Her Suap.

WALLOPED BY THE BLUFFS.

Omaha Traveling Men Sat on Again by the Iowa Contingent. The Council Bluffs traveling men jumped on the Omaha boys and gave them the big gest kind of a touch of high life at the Charles Street park yesterday. The game was characterized by terrific batting by the Council Bluffs team. Omaha was unable to do anything with Stevenson' able to do anything with Stevenson's curves, while the Bluffs boys took very kindly to Kibbe, McArdle and Eggleston. The features of the game was a one-handed running catch in extreme left field by Shepard and the beautiful catching of Burton. New and McPherson gave a very pratty exhibition of fast scoring, while Mr. Ford's timely contribution of 15 not out won the game for his side.

The bowling and fielding on both sides were good: Both Marshall and Lawrie were on the spot for their respective sides, while Wilson, as usual, was to the fore in the matter of fielding. Although the game was a close one, it must be borne in mind that but for Rev. Mr. Liwyd's 18 and 15 extrast the losing side would have made a poor showing indeed. For some unaccountable reason there was a dearth of players on the field, which accounts for the fact that there were only nine on a side. Score:

smoke nuisance the use of "smokeless coal" offers one solution of the problem. There are many so-called smoke consumers, but with the exception of Captain Reynold's device, they do not seem to comply with the requirements of the ordinance. Many users of steam have arrived at the conclusion that smokeless coal is the best smoke consumer, and those who have used it pronounce Sheridan coal an absolutely smokeless coal, and on account of its low price moke nuisance the use of "smokeless coal" less coal, and on account of its fow price it has the preference. As Dr. Duryea said of it at the letting of the school contract for coal: "It is as nearly a perfect fuel as anything yet discovered," as it is equally good for all purposes. The office of the Sheridan Coal Co. is at 16th and Farnam.

WITH THE HARNESS HORSES

State Breeders Meeting a Euccess in All but a Financial Way.

PAXTON'S CONQUEROR HAS GONE LAME

Strained His Near Hind Leg and Had to Be Sent Home-Some Marks Taken This Season-Gossip of the stables.

The meeting of the Nebraska Pacing and

Trotting Horse Breeders' association at the fair grounds during the past week was a financial failure, which will be felt for some time and will probably out some figure in the contest for the permanent location of the state fair. The horsemen are inclined to feel sore ever the indifferent attitude of the people of Omaha and the surrounding towns toward their meeting, and are not only keenly disappointed but will have to make good, out of their own pockets, a considerable deficiency. They have grounds for complaint, it is true, but there are some things to be considered which they may not have thought of. The Breeders' association is composed of the most prominent owners and breeders of harness horses in the state. They hold annual meetings, at which the speed of the different grades and breeds is ested for remunerative purses and records. Nebraska has some famous sires, more famous harness racers, and consequently lots of coltthat may soon be challenging the kings and queens of the turf. Her horsemen are known on all the eastern racing circuits and the Chamdler, Gould, Paxton, Briggs and other strings have contested in the fastest classes. Yet with all this in their favor, there are no good mile tracks of reputation in the state, while lowa, the rival of Nobraska for fast harness horses, has a half dozen tracks of record reputation. The Omaha meeting was as good as the average state breeders meeting, but at no time was there a large enough attendance to pay the purses for that day. Among the things that kept the crowds away was that the racing was conducted on a half mile track, and not a remarkably fast one at that. Besides this, there were counter attractions in the shape of base ball, and so many evening amusements that people that may soon be challenging the kings and attractions in the shape of base ball, and so many evening amusements that people of moderate means could not take them all in. This has also been a season of turf sensations, records of all kinds have been broken, and neither fast time nor good records can be made on half mile courses. The breeders' meeting not a success in all except finances, and it seems as if their meeting was held under the most unfavorable circumstances, which was the fault of no particular person. Let the breeders' association establish a fast mile track in this city and it is a safe prediction that financial stringencies in its affairs will be a rare exception. Omaha should not be made to shoulder all the blame for their ill success this time.

The stallion Conqueror, 2:154, by Egotist.

made to shoulder all the blame for their iil success this time.

The stallion Conqueror, 2:15½, by Egotist, owned by William A. Paxton, ir., of this city, has been sent home to the Keystone breeding and training farm, and he will be driven in no more races this season. The admirers of Conqueror will learn with regret that he is suffering from a badly sprained left hind leg, which has laid him off the track, and he may not enter the speed lists again. Mr. Paxton does not think the injury a permanent one, and if it is it will only injure the horse as a racer. Ab Fullager has charge of Paxton's string and has made fifteen starts in races at the meetings at Joliet, Graod Rapids, Chicago, Independence and Indianapolis. He has won portions of fourteen of the purses, but did not get anything in the odd race. The string is showing up well and earning more than feed money, something that lots of them are not doing in this season of record smashing. Phenoin, his 2-year-old pacer, made a race record of 2:21½ in the third heat in the mild at Indianapolis last week. Coswing, his yearling trotter, won a race and record at Grand Rapids by traveling the mile in 2:4½ early in the season, and Two Strikes has won two second and one fourth moneys in the 2:13 class pacing events At Indianapolis Two Strikes drove Fidol under the wire in a recent race in 2:10¼ and lost the heat by a neck's length. This week Mr. Paxton made a valuable addition to his string, purchasing Mina Medium, 2:14, by Riley Medium, of J. S. Ricker of Emporia, Kan., for 33,00. This animal is 7 years old and is a tried and true campaigner. She recently won the second, fourth and iffth heats in the 2:15 class trot at Indianapolis, beating Senator A and Alamito. After the races there on Thursdrow at Indianapolis, beating Senator A Alamito. After the races there on Th day Mr. Paxton traded Woodallah to Jo-seph Neagele for Lady Arlington, a good 3-year-old in the 2:50 class. He expects Two Strikes to bring a new record home with him at the close of this season.

Clinton Briggs has given his string of horses over to the care of Chandler, the well known driver and trainer, who has Barondale, one of Baron Wilkes' best get, in his string. Mr. Briggs has not had good luck with his horses this season, and after winning the Minneapolis two-mile derby and a few minor events early in the season his horses have not made the showing expected of them. Alamito, a fast animal, too, has been beaten twice recently in races in which he should have won. But such things are among the misfortunes of turfmen, and better things may happen before the closing of the racing season.

Turfmen were treated to a grand sensa-Turfmen were treated to a grand sensa-

Turfmen were treated to a grand sensation on Thursday afternoon of the past week, when Robert J and Joe Patchen made their world-beating performance. Ever since Mascot, Flying Jlb and Nancy Hanks made a mark of 2:04 each last year horsemen have been aiming to beat it, and now two of them have accomplished the feat in a race, which will go down in turf history as one of the grandest of harness races. The record has been reduced one and a haif seconds, and the two-minute mark is now in sight. Even since the opening of the season there has been great rivalry between Geers, driver of Robert J, and Curry, driver of Joe Patchen, and two match races have occurred between the little world-beating gelding and the famous stallion. The first one took place a few weeks ago, and Joe Patchen performed in such a manner that he was beaten to a standstill. He was beaten in the last race, but he made such a gallant effort that horsemen express genuine regret that Joe could not have won one of the heats in order to get a stallion record. He traveled the second mile in 2:032, pushing Robert J under the wire in 2:032, pushing Robert J under the wire in 0 a record," although it is the fastest ever made by any stallion in the world. It was a good race and broke all pacing records, for time, for fostest first, second and third heats and for the fastest average heats. Also for the instest quarter mile in a race. The time was 2:03%, 2:03%, 2:03%, averaging i:03% for the fastest average heats. Also for the instest quarter mile in a race. The time was 2:03%, 2:03%, 2:04%, averaging i:03% for the fastest average heats. Also for the instest quarter mile in a race. The time was 2:05%, 2:04%, and in a short time she will face the starter for a go against the world's record of 2:04 for trotters.

Directly, Sallsbury's famous 2-year-old pacer, still goes ahaad smashing records.

Directly, Salisbury's famous 2-year-old pacer, still goes ahead smashing records. He commenced by knocking out Lena Hill's mark of 2:12%, and then smashed Online's mark of 2:11 under adverse conditions, and now he has a mark of 2:10%, made at Indianapolis on Friday, and it is predicted that he has not-yet reached his limit. Billy Paxton, who saw birectly last week, says that he is as fat as a hog, sound as a gold dollar and takes to his work as kindly as a duck does to water. Andy McDowell and Monroe Salisbury are willing to chance a couple of silver manes and a whole lot of money that Directly will beat 2:19 before the end of the season.

Among the pacers that have made records this season are: Directly, 2-year-old, 2:109, this season are: Directly, 2:109, 2:1

Gould & Miller's Woodline colts made a splendid showing at the Omaha races during the past week. In the yearling trot two of Woodline's and outested for first money, and it took five heats to settle the dispute. Miss Woodline, owned by Beaumont Bros. of Madrid, Neo., and Stella Woodline, owned by louid, tretted ? 9 fest half mile heats, and while Miss Woodline had about five seconds the best frue in two heats, she lost the small beat by rusking a break in the getaway. It wever her defeat was no discredit, and horseiner are of the opinion that neither colt has any advantage. In the yearling pace Woodline colts took first and second moneys. Maude-

line, owned by Beaumont Fros., captured the race in straight heats, but Cedar fields, owned by F. F. Miller of Fullarton, gave Mandeline a game brush during the first two heats and drove her under the wire in 1:23%, hair mile heat. Attaline, another Woodline coit, 2 years old, has a yearling record of 2:33% and went an exhibition mile in E:34%, which was a commendable performance under the circumstances. Cappie Woodline, a 2-year-old trotter, captured second money in the race for foals of 182, the fastest heat of which was made in 2:33%. Red Wing, another of Gould's horses, won the 2:35 class trot, and Fred K, 2:11%, went an exhibition mile, without a prompter, in 2:16%.

Online, the great pacer from this state, with a mark of 2074, has been sold to the Lesh Stock Farm of Goshen, Ind., for a price that is not far from \$19,00. This tarm was the owner of Ontonian 2075, a full brother to Online, and was purchased from Mr. Bowman of Fullerton, Neb., last spring. Ontonian died suddenly on August 20, and as the Lesh farm had such success with the Shadeland Onward get it concluded that it wanted Online. Online will soon go into the stud.

Charley Williams, the horseman made famous by the Independence kite-shaped track, and breeder of Allerton and Axtell, has completed his new track at Galesburg, Ill. He gives a meeting there from September 24 to October 27, inclusive, and has fixed all purses at \$500 each. The entries close September 17.

There will be a great race meeting at the St. Joseph fair meeting, September 10 to 15, and some of the fastest harness horses in the country will be started. There is a good track at St. Joe and some records will probably be broken.

RESULTS ON THE RUNNING TRACKS.

Oriental Handicap at Gravesend Merely NEW YORK, Sept. 8.—All during the racing at Gravesend today rain fell in torrents and the attendance was exceedingly light. The chief race on the card was the Oriental handicap, at a mile and a quarter, in which Ramspo, Horspipe and Bassetlaw were the contestants, and that was the order of favoritism. When the flag fell Ramapo dropped behind to let the others do the running, and it could be seen that while the others were running he was only cantering, and when the time came he drew away and won in a common canter. Results:

Lively Racing at Waterloo WATERLOO, Neb., Sept. 8,—(Special Tele-gram to The Bee.)—The long talked of races came off today. The weather and track were all that could be wished for, and the were all that could be wished for, and the heavy rain of last night settled the dust nicely. Either side of the track for half a mile was covered with wagons and carriages of all descriptions, and people on foot jostling each other in trying to make room to see. The well known form of the bookmaker was also to be seen and hundreds of dollars changed hands on the different races, although the most interest was taken in the 100-yard foot race between D. T. Park of this blace and J. Filch of Washington for a purse of \$29, the former winning easily by twenty-five feet. In the high-geared bicycle race O. B. Tegelby of Mead took first money, M. and J. Clifton of Gretna second, \$3. Nest was the low-geared bicycle race, Howard Skinner, Waterloo, first, St. J. Miller, Valley, second, \$2. in the pony race J. Reeves, Waterloo, won first, \$4, and P. Decker, Valley, second, \$3. The half-mile here race caused considerable excitement, and money changed hands freely, Methatches' horse of Fremont took first and R. Hrown's of Waterloo second. The 100-yard foot race between L. Hines and A. Anderson, both of Waterloo, was won by the former, \$3. In the boys 50-yard foot race T. Decker of Valley took first money, J.
