Washerwomen use Domestic soap. Queen Economy.

"It's a queer sort of economy a lot of the Council Bluffs taxpayers are practicing," remarked a well known and level-headed business man yesterday afternoon, "in assigning their claims for excessive taxes to an attorney who gobbles half of the amount for turning over to the property owner the other half. The drawing committee then make a hole in the county treasury which will have to be filled up by an increased taxation. These very same taxpayers will then have to pay the county back not only the half of the judgment secured against the county, but the other half as well that was turned over to the attorney. The probability is that after it has been definitely decided by the supreme court that the tax was really excessive the county treasurer will be instructed to refund all the money to the property owners. Then they will be able to read their title clear to the whole amount instead of having to divide with the lawyer."

PARK COMMISSIONERS MEET. Improvements at Elmwood—Old Soldiers to be Given Preference in Employment.

At their meeting yesterday afternoon the park commissioners decided to continue work in Elmwood park during the balance of the month. The secretary reported that there would remain about \$4,500 in the maintenance fund after paying salaries for the remaining quarter, and it was the unanimous opinion that some of this money should be expended in completing the boulevard to Leaveworth street.

There was considerable discussion with regard to the contemplated action of the charter amendment committee, which is to give preference to old soldiers in the matter of employment. While most of the members were favorably disposed toward the veterans, they took the ground that it was a mistake to dispose of the board had any positions to dispose of which did not require able bodied men. A resolution was finally adopted which provided that in the future the veterans should have the preference, all other considerations being equal.

Wear-Proof Nuptials. One of the prettiest church weddings of the season, if not for several seasons, was solemnized last evening at 8 o'clock at the First Congregational church, Rev. T. J. Mackay, in the absence of Dr. Joseph T. Duryea, officiating. The contracting parties were Miss Mary Price, daughter of Mrs. Nathan Price of this city, and Mr. Theodore G. Wear of Topeka, one of the prominent business men of the Kansas capital. They were supported by a retinue of young men and young women, the bride having the honor of being escorted by six bridesmaids and a ring bearer. The bridesmaids were: Miss Curtis, Miss McClelland and Miss Thompson of Topeka, Miss Orcutt, Miss Palmer and Miss Hays of Omaha. The groom was represented by his next friend, Mr. Edson of Topeka, the ushers being Messrs. Treat, Gould, Delitz, John Burgess and W. H. Wheeler. The bride wore a gown of white and balloon sleeves, the gown being richly ornamented with real lace. She carried a handsome shower bouquet of white roses, while the bridesmaids largely carried chrysanthemums to match their costumes. A pretty feature of the wedding was the dignity with which the bridesmaids, in their white robes, scattered flowers in front of the wedding party as they exited from the church. Mr. and Mrs. Wear left last night on a wedding trip.

About Croup. Croup is a terror to young mothers. To post them concerning the first symptoms and treatment is the object of this item. In a child the indication of croup is hoarseness. In a child who is subject to the disease, the appearance of a sore sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is used as soon as the child becomes hoarse, it will prevent the rough cough from appearing. It will prevent the attack. It has never been known to fail.

READY FOR A FINAL EFFORT

Iowa Prohibitionists Will Make a Vigorous Fight to Retrieve Ralston Fortunes.

THIRD PARTY ELEMENT AT THEIR GUARD

Review of the Great Fight Made by the Opponents of the Liquor Traffic and some interesting side lights.

CEDAR RAPIDS, Ia., Nov. 19.—(Special Telegram.)—It is just now becoming painfully apparent to a certain element of the republican party of the state of Iowa that the seemingly passive quiescence of the prohibitionists during the late campaign was loaded. Indications all point to the fact that the opponents of the liquor traffic are preparing for one of the most energetic campaigns next year. At the very outset there will be an effort to capture the republican state convention, as was done in 1883, after the prohibitory amendment to the constitution had been knocked out on a technicality. THEY GOT THE TON OPEN. HUNTINGTON, W. Va., Nov. 19.—A terrible explosion occurred today in McDowell county, on the Norfolk & Western railroad. A coal mine struck here yesterday. It was one of the coldest ever experienced at this time of the year. Thermometers this morning registered 3 below zero.

AGREABLY SURPRISED. Henry Wilson, the postmaster at Weirton, Fla., says he cured a case of diarrhoea in six hours, with one small bottle of Chamberlain's colic, cholera and diarrhoea remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take.

THE BEST PLASTER. Dampen a piece of flannel with Chamberlain's pain balm, and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with pain balm.

NEWPORT, R. I., Nov. 19.—The testing of small arms was continued today at the naval station, before the naval small arms board. After listening through an inter-
