M. W. Welsh Ordered to Bring His Books Into Court to Show the Relations Retween Mosher, Himself and Their Company.

devoted to the transaction of the regular business of the presbytery. Wednesday even-ing there will be an address by Rev. John LINCOLN, April 12.-(Special.)-This Gordon, D. D.; subject, "The Powed and Re-sponsibility of Home Influence." Short ad-dresses will follow; topics, "The Home in morning Judge Hall finished up the case of Lewis against Holdrege et al, involving the transfer of an interest of Charles Mosher in a land syndicate of which Holdrege is trustee. Arguments were heard this morning. but the court not being fully apprised on one point, issued an order to M. D. Welch to show cause by Monday next why he should not bring into court his books showing the Will be union meetings of the societies of not bring into court his books showing the transactions between Mosher, himself and deavor of the churches of the presbytery. the Western Manufacturing company, the interest in question having been so transferred before it reached Mr. Lewis' possession.

L. L. H. Austin, editor of the Lincoln Call, a twilight publication, is wearing inflamed features just now, the effect of an encounter between himself and Jacob North of the printing firm of Jacob North & Co., of this printing firm of Jacob North & Co., of this city. It appears that when the Call recently issued its Woman's edition of the paper its typographical and press facilities were not equal to the occasion, and the North firm was called upon to help out the enterprise. was called upon to help out the enterprise. the land which was his home at the time of Austin paid a portion of the bill, but left a his death, and by careful management had balance due North of \$13, which, together with another balance of \$7, said to be due from Austin, North threw together into one statement, and presented the bill for \$20 to Mr. Austin over the counter of the Call business office. Previous to this some torrid language had gone over the telephone wire from the Call office concerning the dispute, and this undoubtedly hastened Mr. North's steps in the direction of the caloric editor's place of business. It is said that here the quarrel was renewed and gathered considerable accelerated mom-

# WERE AT IT IN A MINUTE.

North, it is stated, called Austin a llar and the editor struck out, catching North in the vicinity of the upper vest pocket. In stepping backward North fell over the gate of the office and Austin landed on top of him. At last North, who is about twice the weight of the editor, emerged from the catchas-catch-can imbroglio without a scratch, while the face of Austin gave every evidence of severe punishment. In view of the fact that the aggressor received the worst end of the deal no arrests were made.

Mrs. Kruse, the woman who was shot by her husband last Friday night, does not appear to have been so hadly injured as was at first reported. This morning Dr. Hatch, city physician, visited her and found her sufficiently improved to walk to her own home, thus relieving Mrs. Korsemeyer of the duty of caring for her longer. The case of L. L. Lindsey, charged with

comfort of man and beast and the heautify-ing of the country. I would urge that cit-izens devote the day renerally to the plant-ing of trees, shrubs and vines at their homes, along the highways and in public places, rendering the landscape more at-tractive and contributing to the happiness and prosperity of the people. I would also recommend that the day be observed in the public schools of the state by appropriate ceremonies and exercises in order that the youth may appreciate the importance of making Nebraska in reality "The Tree Planter's State." contempt of court in refusing to obey the order entered up some months ago requiring him to turn over his diamond ring and stud and gold watch to one of his creditors, was today continued until Monday next at 2 1 m. Attorney Oppenhelmer appeared and filed a number of affidavits showing that Lindsey was indebted to Courtnay in the sum of \$700 for attorneys' fees, and to secure him had given him a chattel mortgage on the diamonds and watch on October 24 last, due October 25, 1895, with a clause therein stat-Mr. Cole of this city has filed a suit in dising that Lindsey should retain possession of

Chief of Police Seavey Will Cease to Be Chief May 20.

ON LEAVE OF ABSENCE UNTIL THEN Board's Discussion Was in Private-Acting

Sergeants King and Cook Promoted to Rank of Sergeant-Letter of the Chief and Resolution.

The resignation of Chief of Police Seavey was accepted by the Board of Fire and Police Commissioners last evening. The entire proceedings of the board were conducted in executive session, which lasted about an hour. At the end of that time the following resolution was made public:

Resolved. That the resignation of Chief of Police Seavey be accepted, to take effect May 20, and that he be given leave of ab-sence until that time without pay. There was nothing said in regard to the investigation or its results and nothing was

included in the resolution to indicate whether he chief retired with the approbation of the ticipated in the exercises of the evening were board or otherwise. The letter of resignation was delivered to the board just before the

was delivered to the board just before the meeting and was as follows: To the Honorable Board of Fire and Police Commissioners-Gentlemen: I have the honor to submit to you herewith my resignation of the position of chief of police of this city, to take effect at the pleasure of your honorable body. I am, gentlemen, very respectfully your obedient structure. The very respectfully, your obedient sirvant, W. S. SEAVEY

After the board had retired to its private room Commissioner Hartman made the sug-gostion that the resignation be accepted, to take effect May 20. The delay was in order that Chief Seavey might attend the national convention of chiefs of police in his official capacity. Mr. Hartman said that in

his opinion this was the least that the board could do. There was absolutely nothing in

evidence to reflect on Chief Seavey's conduct in office. He had been the originator of the national association, and was its presiding officer. It was no more than right that he should be retained in office until after the convention.

### Chance to Take a Long Rest. The development in the brewers' differences

yesterday was the application of a few men to return to work under the guise that they had renounced the Brewery Workers unlon. Fully one-half of the "quitters" remained out. The boss brewers stood by their proposition and refused to accede to the demands of the union. They sent to St. Louis, Milwaukee and St. Paul for new men and the latter will be put to work Monday morning. The boss brewers say that the application of a few Omsha union men to return to work

under pretense of renouncing the union is only a ruse to convert the new arrivals, per-suade them to join the union and then all

walk out within a week. Hence the boss gram.)-The republican state central combrewers are only accepting such of the old men as they believe to be sincere. The breweries are all short-handed, but will was considerable difference of opinion as to have a full working force Monday when the "imported" men arrive. They insist that they will all stand united to the end, now that the journeyman have refused to lift the "unfair" decree.

The journeymen brewers held another meeting yesterday and decided to affirm the action of Thursday night. The Knights of Labor will be appealed to and committees of the brewers union will visit each labor organization and urge a determined fight.

Cleveland Satisfied to Let it Rest. BOSTON, April 12 .- As an outcome of the apology made by Dr. Lansing in the Cleveland episode, a Boston citizen felt that some fellow townsman ought to call upon Dr. Lansing and demand an apology for the Dr. Lansing and demand an apology for the apology he made. With this and in view an offer to demand such an apology was forwarded to the president, and the following reply was received: "While his so-called retraction is an ag-gravation of his original effense. I am will-ing that his further punishment should be left to his conscience and the contempt of list neithbors and the American people.

his neighbors and the American people. "GROVER CLEVELAND."

# Attorneys' Claim Against Indians.

SYRACUSE, N. Y., April 12.-Delegates from the Six Nations in New York state are in council here today, relative to granting Attorney J. B. Atkins of Oneida and ex-Judge Barker of Fredonia an extra 25 per cent of the \$2,000,000 claim allowed against the United States for land in Kanpleasure, during which absence Captain Mostyn will act as chief. The reorganization of the police department was postponed until a future meeting, the only further action being to promote Acting Sergeants Cook and King to the rank of

first of the year.

life," the blood, upon which nerves, muscles and all the organs depend.

In these cases what a change is made by Hood's Sarsaparilla ! This great medicine has wonderful power to purify and enrich the blood. It gives to the vital fluid just those qualities

and sustain the physical organs.
