NEWS FROM COUNCIL BLUFFS

Terminal Company Makes a Mysterious Sunday Night Forst of Industry

Laid a Track on John W. Paul's Land

Considerable Speculation Engendered by the Sudden Energy Exhibited in the Way of Track Laying

Wisconsin Bothered

Sunday night the sound of sledge hammers striking steel rails was heard in the vicinity of the east end of the Terminal

Bridge company's bridge, and yesterday morning a new strip of track three-quarters of a mile long

was laid on the east end of the bridge to the foot of Twenty-fourth street, parallel with the river line

The southern end of the track is on the land belonging to the Terminal company, while all the northern portion, which includes about five-sixths of the entire line, is on the land of John W. Paul

Superintendent Fred C. Harris of the Terminal company directed the movements of the sixty workmen composing the gang

The air of mystery that surrounded the proceeding has proved a fruitful source of speculation

Mr. Paul is now in Chicago and there is no one here who is authorized to speak for him

If, on the other hand, the Terminal company did it, it is equally hard to see what right they have to do so

It is stated that the Terminal company is carrying materials for the new levee to the site of the improvements

WILSON AND SMITH FOUND GUILTY. Griswold Bank Robbers Convicted Quickly in the Federal Court

The trial of Wilson and Smith, the Griswold bank robbers, came to an abrupt end yesterday morning

The case against both the defendants was so clear that the attorneys for neither side seemed to feel the need of an argument

Colonel Dalley, who appeared for the defense, asked the court to exclude some of the testimony introduced against his clients, but for the most part it was refused

That part of the testimony, however, relating to the finding of thirty stamps under the sidewalk in Atlantic, and to the remarks aimed to have been made by Riley, the missing robber, was excluded

The case then went to the jury. In ten minutes after the jury was entered a verdict was returned, finding the defendants guilty as charged

Smith evidently had an injury in his pocket, for as soon as the verdict was announced he wept copiously. Both men will probably be sentenced today

All the beatitudes for baking powders are heaped on Dr. Price's, as it's the most perfect made

REV. L. A. HALL'S LATEST EFFORT. Former Council Bluffs Pastor Making Matters Lively in Wichita

Church people of Council Bluffs will be interested in the latest doings of Rev. L. A. Hall, who occupied the pulpit of the Baptist church here until about three years ago

The prayer meetings during the last few weeks of his stay in Council Bluffs were remarkable for the spirit of devotion which did not characterize them, and the grand climax of his pastorate, which occurred on the night when he called on the police to prevent the members of the opposing faction from holding a business meeting after prayer meeting, is well remembered by all who were so fortunate as to be there

Since leaving here he has been pastor of the Wichita, Kan., Baptist church, and the latest news indicates that he has been using the same ebullient methods there. His erratic manner and sharp tongue divided the Wichita church, and ultimately resulted in the church association's withdrawing the hand of fellowship from him

In the meantime the contributions had fallen off, and when he left the church owed his congregation \$1,000

Last Saturday night he swore out a writ of attachment and put it into the hands of a constable, who undertook to serve it on the officers of the church

The latter protested, whereupon the constable took a sledgehammer, broke into the church building and took possession of all the church property, down to the hymn books

These gentlemen's suits at \$65.00 come in all the different colors. Metcalf Bros.

UNION PACIFIC DRAGGED IN

Motion to Make it a Party Defendant in the Suit Against Gould and Sage

PLAINTIFFS CLAIM IT IS UNNECESSARY WITHOUT THE GRANTING OF THE MOTION RESPONDENTS CLAIM AN ADJUDICATION WILL BE IMPOSSIBLE—COURT HAS MADE NO RULING AS YET

ALBANY, N. Y., April 22.—In the court of appeals today Joseph H. Choate, for the appellant, and Winslow Pierce, for the respondent, argued an appeal from an order of the general term affirming an order of the special term, determining that the Union Pacific Railway company and the receivers thereof be made party defendants in the action brought by the Soldiers' home of St. Louis, Mo., on behalf of the holders of Kansas Pacific consolidated bonds against Gould and Sage and George J. Gould individually, and Edwin Gould, George J. Gould, Howard Gould and Helen M. Gould as executors and executrix of the last will of Jay Gould, to compel the said defendants to account for the proceeds of 29,986 shares of the capital stock of the Denver Pacific Railroad and Telegraph company, of the alleged value, with interest, of \$11,000,000, alleged to have been wrongfully withdrawn from the trust created by the mortgage executed by the Kansas Pacific Railway company to Jay Gould and Russell Sage as trustees, dated May 1, 1889, and to remove the defendants, Russell Sage and George J. Gould, from their trusteeship. Mr. Choate said this was an action to compel the trustees of an express trust to account for the proceeds of the trust securities embodied by them from the trust and conveyed to their use. He contended that within nine months after the trust was constituted the trustees took the \$3,000,000 of stock and appropriated it to their personal use. The bringing in of these defendants, the Union Pacific company, was unnecessary, because the action was brought against these two defendants personally, and the bringing in of the Union Pacific was the object sought by the plaintiffs.

Mr. Pierce, on behalf of the respondents, held that the bringing in of the Union Pacific as a defendant was indispensable, because the Union Pacific was the party who delivered the certificates of stock to the Kansas Pacific company. It is averred Gould and Sage complied with the order.

Pennsylvania Road Bet the Record. PHILADELPHIA, April 22.—The fastest time ever made between here and Atlantic City and the fastest time ever made by a railroad train in this country, for such a great distance, was accomplished by the special passenger train on the Pennsylvania road yesterday morning. The train pulled out of Camden at 6:30 a. m., and forty-five minutes later it was in Atlantic City. The distance by this route is fifty-eight and three-tenths miles, and the average speed was twenty-six and one-half miles an hour. The train was made up of eighty-two cars, and is an average of eighty-two and eight-tenths miles an hour. This is the most notable performance in railroad speed which has yet been made.
