CHICAGO, June 4.-CATTLE-Prices for choice BOSTON, June 4 .- Closing prices for stocks onds and mining shares: CHICAGO, June 4.-CAATHE-TICES for choice beeves were higher than during the latter part of last week, such cattle being scarce at the present time and in good demand. All other kinds were slow at unimproved prices and grassy cattle showed decided weakness. Sales of dressed beef and shipping steers were on a basis of from \$3.75 to \$5.89, few selling as high of dressed beef and shipping steers were on a basis of from \$3.75 to \$5.50, few selling as high as \$5.50, and a large part of the saies were at from \$4.50 to \$5.25. Coarse, big cattle, as well as light, grassy steers, were hard to sell at from \$5.65 to \$2.10. Exporters are doing very little this week, as the best American cattle are selling from 5.65 to \$2.10. Exporters are doing very little this week, as the best American cattle are selling from 5.05 to \$2.10. Exporters are doing very little this week, as the best American cattle are selling from 5.05 to \$2.0. Exporters are doing very little this week, as the best American cattle are selling from 5.05 to \$2.0. Exporters are doing very little this week, as the best American cattle are selling from 5.05 to \$4.11. It being the form \$2.00 to \$3.75. The large run of Texans made it hard work for sellers of mative butchers, and canners' stuff to find buyers, and prices ruled weak, cows, heifers and built selling at from \$2.00 to \$4.11. being 'caif day,' about 2.00 hand were offered, and an active demand put prices up a little sales aranging at from \$1.00 the superval domand, for alowly and prices were all in favor of buyers. MOS-There was am rative general domand, buyers, and prices were all in favor of buyers. Hog Senters being particularly good buyers, and most of the superval courd of first hands most of the superval courd of the stansactions were at about yester of 4.50 fewer light hog set from \$4.25 to \$4.20. The set of \$4.50 to \$4.50 mills and his has checked the weakness in such fors. Heavy hogs sold at from \$4.50 to \$4.50, while at 15.50 to \$4.50 mills around \$3 and upward, common them as selling around \$3 and upward, common them as eiling around \$3 and upward, common them as selling around \$3

Ro 4 Market. BOSTON, June 4.-The situation in the wool market yet favors the manufacturer. While he cannot pick up large lines at old prices, he has no difficulty in buying in all the wool he needs for immediate use at the same figures that have prevailed for the past few weeks. New im-ported wools are higher, owing to a general closing out of stocks and a desire to renew. Fleece wools are quiet. Current prices of lead-ing grades are: Ohio and Peeneylvania therees, XX and above, 160165c; X and above, 160165c; No. 1 combing, 20c, delaine, 159318; Michigan, Wisconsin, etc., 160165c; No. 1 combing, 1961 No. 1 combing, 20c, delaine, 160165c; Kentucky, unwashed, medium, 14c; quarter blood combing, 1655017c; Missiouri quarter combing, 16617c; ter-ritory wools, Montana, No. 2 feedium, 110 Hey nourd, 16c; Montana No. 2 feedium, 110 Heye, northern spring California wools, 19611c; seoured, 28620c; southern defective, spring, 6 €65.c.

aged. Rye is rulned in some cases and perhaps generally. Lancaster-A good many out fields seem to be killed. Rye and much of the wheat are past recovery. Corn is growing finely, especially the last planting. Nemahus-All crops except listed corn suffered from drouth. Winter wheat will not make more than two-thirds of a crep. Guts revived by the rain. Fruit badly blown from the trees by the high winds. Nuckells-Hot winds did considerable damage.

From Dyspepsia and Stomach

A New Discovery. But Not a Patent

Dr. Redwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's

by the use of the next Dyspepsia Tablets. He says: The patient was a man who had suffered to my knowledge for years with dyspepsia. Everything he ate seemed with dyspepsia. with dyspepsia. Everything he ate seemed to sour and create acid and gases in the

stomach; he had pains like rheumatism in the back, shoulder blades and limbs, fullness and distress after cating, poor appetite and loss of flesh; the heart became affected, causing palpitation and sleeplessness at night. I gave him powerful nerve tonics and blood

mediate relief was given and after he had used four boxes he was to all appearances fully cured. There was no more acidity or sour watery risings, no bloating after meals, the appetite was vigorous and he has gained between

are cutting it for feed. Corn and pastures doing well. Douglas-Temperature for the week averaged nearly 19 degrees above the normal. Hoit-Gardens getting over the effects of the frost except berries, which are beyond redemp-tion. Grass coming on finely and prospects good for a great crop of even. Knox-The hard winds and dust storm damaged fender plants. Corn is up well. Crops recover-ing from the frost. Plenty of moisture now issue
