

OMAHA HOLDS TO HER PLACE

Defeats Jacksonville in the Closest Contest of the Current Season.

BOTH PITCHERS DID SPLENDID WORK

Carroll and Parker in Fine Form, but the Omaha Man Had the Better of the Argument—Inks Shows Up Well.

Despite the cloudy and threatening weather there was a good sized crowd out to the old fair grounds yesterday afternoon to witness the battle between the Jacksontons and the Hutchinson family. Those who took the pains to attend the game were well paid for their pains. It was one of the prettiest games of ball played in Omaha this season. It was a pitcher's battle from start to finish and was nobody's game until the ninth inning. Parker did the work for the Jacks, while Carrish represented the Omahas. Mr. McGinnis did the umpiring and he evidently had a very large extract over each optic as his decisions were very much "to the bad."

HOW THE GUNS WERE MADE.

The first inning, after Carrish had been thrown out by Miles, Shaffer let Devinney swing away from him. Katz got a walk and Eggen found the ball for a single, which landed Mr. Devinney safe at home and advanced Katz to second. One base on a single was not enough for Mr. Katz. He wanted to reach one more base nearer home, but single, double, triple, strong arm and threw him out at third. Hoover made the third man out on a fly to Shaffer.

In the second inning, Hutch hit it for two sacks. Inks got a runner on an error of Taylor, Lohman bunted and was retired at first. Mr. Pace then knocked a three-bagger over toward the railroad bridge and Hutch and Inks looped home. Miles fanned out, and Carrish flied out to Belt.

Carrish and Devinney both crossed the plate in the third, giving the "Jacks" the advantage of one run. Inks made a run in the seventh, and it remained horse and horse until the ninth, when Inks once more started the rounds and got home all.

The "Jacks" made one more attempt to do the right thing. Taylor made a single. Van Dyke sent a hot one above Miles, but "Carrish" stretched out his right arm and gathered it in, and, throwing to Inks, caught Taylor napping. Belt flied out to Pace, and it was all over. Score:

TRACK IN POOR CONDITION

Fair Crowd of Wheelmen Turned Out to the Races Yesterday.

BOYS' RACE WAS THE DRAWING CARD

McNider of the Western Union Too Fast for His Rivals—Burdick Gave Fredrickson a Hot Chase in the Twenty Mile Event.

There was only a fair crowd assembled at University park yesterday afternoon to witness the bicycle races. The day was damp, cool and threatening, and it was this condition of things that kept the attendance down. With good weather, a large crowd would certainly have been on hand, as the twenty mile race, the premier event on the card, had awakened a very general interest among the local wheelmen, and they would have turned out in large numbers.

Unfortunately for the afternoon's sport, the weather was not so kind. The track was out of order, for the track, usually one of the very best in the west, was in a wretched condition. It was heavy and slow, and utterly prohibited the possibility of any remarkable time, and the long chase from scratch to finish, was a veritable procession, this man and that making the pace as the whim seized him.

There were but four entries for the big race—H. E. Fredrickson, Walter Stanley, H. E. Gardner and Merrill. Fredrickson, Kessinger and Miller. Time: Two hours and ten minutes. Umpire: Jevne.

THE PLACING PAST RALL. BALTIMORE, June 29.—Washington was helpless before Hemming's pitching. The Baltimore team put up a fast game. The play of the game was Hammar's catch off the ground of Carey's hard drive. Attendance, 18,000. Score: Baltimore, 0; Washington, 0.

COLONELS DROP STEADILY. CINCINNATI, June 29.—Colonel's hits were a trifle better bunched than those of Louisville, and the Reds won by a single run. Attendance, 2,000. Score: Cincinnati, 0; Louisville, 1.

STANDING OF THE TEAMS. Played, Won, Lost, P.C.T. Boston, 20 13 7 63.8. St. Paul, 19 12 7 63.2. Cincinnati, 19 11 8 57.9. Toledo, 18 11 7 61.1. Grand Rapids, 17 11 6 64.7.

STANDING OF THE WESTERN LEAGUE. Indianapolis Even Up with Detroit by Making U Three Straight Also. INDIANAPOLIS, June 29.—Indianapolis took the third game from Detroit by taking Whitehill vigorously and backing up Cross almost perfectly. At critical times the team played superb. Score: Indianapolis, 3; Detroit, 3.

EDDIE BALD MAKES A NEW RECORD. Mile at New York in Competition in 2:09 1-5—Other Events. NEW YORK, June 29.—The fourth annual race meeting of the Kings county track was held this afternoon. The crowd aggregated about 4,000 persons. Owing to Sangar's jump into the professional rank the event of the day, the Sangar-Murphy one mile scratch for a trophy of \$500, had to be declared off. Bald's time of 2:02 1-5 in the class B mile is now the track record.

IRISH BEATS MAHONEY HANDILY. Irish and English Champions Now Tied for First at West Newton. WEST NEWTON, Mass., June 29.—The weather was cloudy and rather sultry this afternoon, but there was a good crowd at the meet of the Neighbourhood club, and they saw good tennis. The first match was between Pim and Mahoney, and the former won 6-5, 7-5, 6-3. The last two sets Mahoney was outplayed at all points.

WON IT IN ONE INNING

Afternoon's Work Proved that the Eleven Intended to Play at St. Paul is in Good Form and Able to Do Itself Credit.

BATTING AND BOWLING BOTH GOOD

The game yesterday afternoon was an interesting one as showing that the Omaha Cricket club, when put to its mettle and under favorable conditions, can do good work. Handled by Captain Lawrie, the eleven men who have been chosen to uphold the credit of the Gate City as a cricketing center, tried conclusions with a team captained by Charles Hill. The result of the game, without being an absolute surprise, proved very conclusively that the material at the command of the club is as good today as ever it was, and that when the players who will represent Omaha at St. Paul on July 4, face the music furnished by the Minnesota cricketers, they will give a good account of themselves.

It will be seen by the scores that some very effective work was done with both the bat and the ball. As a proof that there is no "fall end" to the team selected for the approaching struggle, it may be as well to draw attention to the fact that the largest scores were made by the men who went in to bat toward the end.

Harcourt's eighteen, besides being the largest score of the day, was a first rate performance. Mr. Hill's team could only manage to put together twenty-one runs in the first innings, while their second innings netted them thirty-eight. From this it will be seen that the Omaha team is in a very creditable position to meet the Minnesota cricketers on July 4, and to give them a good account of themselves.

For the losing side Neale worked hard, and his bowling was very effective. The fielding all round was highly satisfactory. Monday and Tuesday next being practice days, all those who are chosen to go to St. Paul are requested to be on the grounds at the usual practice hour. The train which will convey the Omaha to St. Paul leaves the Webster street depot at 6 p. m. on Wednesday next.
