

CONTRACTS AND TRADE

Business in a Jobbing Way Shows No Improvement Over Previous Week. Collections Reported Rather Slow.

Trade Generally Without Important Features to Give It Character-Volume of Merchandise Moving All That Could Be Expected Under the Conditions.

The intervention of a holiday, as usual, has its influence upon the trade of the past week in the way of retarding for the moment orders from country buyers.

In addition to being somewhat quiet the operation of jobbers has been mostly the ordinary character and without special features of interest to the general public.

In the boot and shoe trade the jobbers are commencing to ship out in a small way fall goods. There is, however, a disposition on the part of buyers to wait as long as possible before having the goods shipped.

Local jobbers of hardware report a good business for this season of the year. As a matter of fact, the hardware line and no great amount of business is anticipated at this time.

Local grocery jobbers generally report trade as lively as during the previous week, due no doubt to the influence of the hot weather.

California evaporated apricots are 1 1/2c higher on account of the short crop on the increased cost of the green fruit.
