Briskness of Trading in Cash Wheat Swung

ONMERCIAL AND FINANCIAL riskness of Trading in Cash Wheat Swung Futures Into Line. UCTUATIONS WERE NARROW UP TO NOON the Corn Pit the Price Was Firm on Account of Wet Weather -stocks and

<section-header><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text> and in the afternoon heavy buying brought December up to the high figure of the day, The. There it closed, the feeling being

December op to the han issue the facing being brac. There it closed, the facing being brac. Complete duliness pervaded the cora pit once more, but the price was firm on ac-count of the wet weather. The speculative trade in the article has dwindled away to the point of disappearance. May ranged from 26% to 26%, and closed at 26%, sellers. There was no improvement in the cats market. Trading was fully as devoid of activity as ever, and there was absolutely nothing of interest to report. May copened at from 26% to 20%, and that constituted the entire range of the day. At the close it was 20% bid. Hog products were gulet, under the in-finence of heavy receipts and lower prices at from 38.55% to 38, January park kept at from 38.55% to 38, January park kept at from 38.55% for 38, January park kept at from 38.55% for 26%. The market closed stendy at 38.55% for ribs. Estimated receipts for tomorrow: Hogs, 25,000 head, wheat, 410 cars; corn, 325 cars; oats, 100 cars.

ats, 110 cars. The leading futures ranged as follows:

Unaccountable Orime of a Party of Small Boys.

The wreckers broke into the section tool house and stole some tools with which they removed the fish plates which fasten the rails to the ties and pulled out the snikes. The train left this city at 3:30. It consisted of four mail cars and three sleepers. There were eleven postal clerks and fourteen passengers aboard, besides the members of the crew. When the crash came the engine was thrown from the track into the ditch was thrown from the track into the ditch and completely submerged in the mud, only the driving wheels on the left side being above the carth. The forward mail car was thrown two car lengths ahead of the engine and rolled down the bank so it hay length-wise toward the rails. The second car, in which the mail clerks were working, was thrown on the tender of the engine and badly demclished. The third and fourth cars with Omaha could guarantee the payment the bill for the repairs on the two viadue's broken. The first one of the sleepers was is one of the important questions troubling e councilmen yesterday. About three over so that the trucks were a distance from the rails. The second car was simply

reads where to make the necessary re-proceed at once to make the necessary re-ternally hurt. The two tramps who were tornally hurt. The two tramps who were found dead are supposed to have been stealing a ride on the forward end of the first mail a ride on the forward end of the first mail

CONFESSED THE CRIME.

John Hildreth and Frederick Bristol, two boys, have been arrested by the Central Hud-son detectives, charged with wreeking the train. After the arrest young Hildreth broke down and confessed that he and Bristol, in company with two other boys named Herbert Plate and Theodore Hibbard, had broken open the tool house, and with the ald of tools thus secured had removed the fish plates from the rails. No cause is given for the dead.

deed. The body of the tramp who was killed has been identified as that of Billy Bond of this city. His companion, whose left foot is cut off, was John Macey, also of Syracuse. The city hall, in which the police station is located, is surrounded by a large crowd tonight, who express freely the opinion that the train wreckers should be lynched. The night and day police force is on duty to provent trouble. Several witnesses have been taken into custody for examination, including a of the committee on viaducts alleys was called for, and the set at the mayor's office. The idge, did not appear, as per ad the meeting went over until en the mayor and the council-Baldridge and the boundil-company, and whom he told the story of how the Martin Lamber company

 5: her all, acknowledging that he took par cilmen are not satisfied with the decisi in wrecking the train. When they parted he told her she would probably not see him again, for he expected to be arrested, as he this one attorney and will request other law yers to look into the matter before the meet ing tonight. In all probability the contrac had lost his hat containing his name. He asked her to telegraph to his father, J. H. Hildreth in New York, and tell him he was will be approved and signed at the meeting of the council this evening. The members of the firm represented in the deal have stated in trouble and to come immediately, and she said she did as directed. When Hildreth left her he said he was that they will sign the contract this morn-ing. If this is done the council will approve at once. Should the Martins decline at last moment bids would have to be adgoing to see the wreck, and he told her she ought to go for it was a sight. He told her also that they did it to rob the passengers. He said all he did was to lead the Error Concerning Mr. Strickland. boys to the place. SOUTH OMAHA, Neb., Nov. 19 .- To the Editor of The Bee: I ask space in you

ulated November 5. Since then nothing has been heard about the matter. Several of the bidders intend writing Senator Thurston and Congressman Mercer, urging them to take some action and hurry the matter up if possible.

## Causes Some Wonder.

JOHN BLISS.

Magie City Gossip.

LINCOLN, Nov. 19.-(Special.)-Considerable speculation is indulged in among several of the state house departments in regard to the attitude of the Board of Public Lands and Buildings. Several weeks ago Governor Helcomb wrote the board, denying that he or Warden Leidigh objected to the letting of the labor of convicte. Shortly after this the board informed the warden that it could let the labor of 100 men if the prison plant was in shape. Leidigh replied that he had put it in good shape and was ready for the con-tractor. Nothing more was heard from the board. It now develope that Contractor Welch has been ready to take the labor of a Weich has been ready to take the board refuses to number of convicts, but the board refuses to let him have them. It transpires that the Nebraska A. P. A. guild has never yet paid for the printing of the ritual of its order. The work was done by the Mickel-Fassett Printing company of the source two years ago and amounts to

by the Mickel-Passelt Printing company of Lincoln some two years ago and amounts to several hundred dollars. The printing com-pany moved out to the Polytechnic institute a short time since and would be pleased to have Secretary W. E. Jones make some ar-rangements looking toward liquidation. 80 80

I like my wife to use Pozzoni's Complexion Powder because it improves her looks and i as fragrant as violets.

Conference of Catholie Clergy. At St. Philomena's cathedral this morn-ing will be held the annual conference of ing will be held the kindle clergy of No bracka. About twenty priests will be pres-ent. Among those in the city are Father J K. Burke of Lexington, J. Fitzpatrick o Kearney, William Rehback of Bow Valle and C. Renner of Menonimee. SHEEP-There were no sheep here to make

A. G. Bartley of Magic, Pa., writes: "I esteemed columns to correct a statement feel it a duty of mine to inform you and the public that DeWitt's Witch Huzel Salve cured which appeared in your edition of the 12th one that was erroneous and did C. O. Strick me of a very had case of oczems. It also cured my boy of a running sore on his leg. and a great injustice. I wish to say to the public that I have never lost a cent through Mr. Strickland, but, on the contrary,
