CUDAHY SELLS HIS COOPERAGE PLANT

Burlington Switchman Found Killed in the Yards-Congressman Me-Keighan Dangerously III at Hastings.

LINCOLN, Dec. 13 .- (Special.)-The jury in the case of the administrators of the estate eral weeks the Board of Public Lands and cited no little interest in legal citcles, as it ing sums were appropriated for this purpose: 1891, Hockenberger, as county treasurer, paid train. Yesterday the defense moved that the for the Feeble Minded, Beatrice, \$700. For after argument. It is considered certain that the case will be appealed to the supreme

court. The Lincoln Cooperage company today pur-chased of the Cudaby Packing company the cooperage plant at the penitentiary. The Cudahy company recently bought it. The Lincoln company is a partnership compliang E. C. and R. M. Weich. It is learned that the cooperage company will put 100 men at work next Monday and will turn out 800 bar-rels daily. M. D. Welch, for several years connected with the Western Manufacturing company, will be manager of the concern. BURLINGTON SWITCHMAN KILLED BURLINGTON SWITCHMAN KILLED.

At an early hour this morning the dead body of J. C. Deaver, a Burlington switch-man, was found lying between the rails at the west end of the yards, near Fifth and L streets. No one saw the fatality at the time coid. A locomotive engineer, while moving down toward a switch, saw Deaver's body lying between the rails. No wheels had passed over him, and it is thought he was crushed to death by being rolled along the ground under a switch engine. Daver was 44 years old and leaves a wife and two chil-dean A coronaries have found the fasts as dren. A coroner's jury found the facts as above stated. Deceased came from Scranton, Pa., and is a brother-in-law of T. V. Powsition he would like to have made of the re-

mains. It is stated that Franz Fritsche, the man brought back from St. Louis to answer the charge of having embezzled \$500 from various German societies in this city, has made ar-rangements to settle the defalcations. This wife has given mortgages on her property to cover any losses sustained by her husband's bondsmen. Fritsche is now out on a \$500 bond.

INSANE OVER RELIGION.

This afternoon Oscar Webb Tillmann, a young man of 28, was brought to the cliy suffering from an acute attack of dementia. He is a farmer living near Raymond, this county, and has a wife and two children. county, and has a wife and two children. Since Sunday he has been quite violent at times, and has attempted to kill several people. He is said to have become insane on the subject of religion. During the late Presbyterian revival at Raymond, Tillmann was a constant attendant at the services, he seemily stracked his brother and would He recently attacked <u>his</u> brother and would have killed him had it not been for the ef-forts of Tillmann's wife. Afterward he chased other members of the family out of the house, kicked in doors and windows and He was smashed considerable furniture. sent to the asylum by the insanity board.

This morning Governor Holcomb left for Hastings because of the illness of ex-Con-gressman McKeighan, now in that city. He was accompanied by Dr. Griffin. Ever since the Transmississippi congress in Omaha Mr. McKeighan has been confined to his bed. It was the intention of Governer Holcomb to have visited him next Sunday, but this morning he received a telephone message that he would better come at once and left immediately.

WESTERN TREES AND GRASSES. Prof. Bessey's Second Lecture on the Florn of Nebraska.

"Climate is the greatest factor in the distribution of flora, ", said Prof. Bessey last night, beginning his lecture at Young Men's Christian association hall on the subject of the "Vegetation of the Western Plains." "The curious manner in which the species of a plant will travel from one section of a ountry to another forms a study that be-Peculiar Features of the Case Runcomes more fascinating as one pursues it. A seed will be wafted from a far southern coun-

try step by step. It sinks into the soll and germinates. The tender bud shoots up, and in a twinkling the whole face of the earth for miles around has been changed into a kaleidoscope of commingling colore, which up to a recent date had been entirely foreign to

GRAND ISLAND, Neb., Dec. 13 .- (Special.)-The trial of Edward C. Hockenberger, that region. In this manner most of our The case of the administrators of the estate of W. H. Morse, one of the victims of the Rock Island wreck, against the company, late this afternoon brought in a verdict in favor of the plaintiff for \$2,000. The case has ex-cited ho little interest in legal circles, as it tion of George W. Davis for wrecking the first one prosecuted since the convic-tion of George W. Davis for wrecking the first one prosecuted since the convic-tion of George W. Davis for wrecking the first one first on the Insane, \$500; Institute \$5,700, and in September, 1891, he paid, as ents which it contained, and it became almost train. Yesterday the defense moved that the for the Feeble Minded. Beatrice, \$700. For county treasurer, to himself, as secretary of an impossibility for any outside species to case be dismissed, which motion was overcase be distinged, which motor was over ruled by Judge Hall. This barred the com-pany's attorneys from introducing any evi-dence, and the case was given to the jury was soon made by the finance committee of sucked up the vitality of the western corn fields, invaded the garden, thrust its tentacles among the broken glass on the top of the great wall of China and pried its way be-tween the paving stones of great cities. All ficra is of a migratory character. Out His trial was begun Tuesday. About a year

ago he was tried for embezzlement of county funds, having been found short over \$6,000. of the 130 grasses of the state, only ten spe-cies had origin here. One of the greatest means of distribution of seeds was through He pleaded not guilty and was on trial ac-quitted. The prosecution has put up a very strong case, showing the recripts given by the emigration of animals. By Hockenberger to himself as county treasurer to have been \$1,000 less in each instance, were carried mixed with carth in mud form

to have been \$1,000 less in each instance, showing the entries in the county records to be \$1,000 more than his receipts, to have been made in his own writing; that the short amount was never turned over and had not been up to this day. The defense succeided in setting all the records neuronal the world. The ever increasing forests of the state of the setting all the records neuronal the set were due entirely to his hand and the world. The set increasing forests of the west were due entirely to his hand, and a once arid plain had been changed through

county ledger of \$3,000 where it should have been only \$2,000, and that that sum only was due to the school board, and as county treas-urer he had only received \$2,000 for the school board. As to the school board is the present time, there were said to be seventy-five species, and almost nons of them of native origin.

Hockenberger was the only witness put on by the defense, and the testimony was fin-ished at noon. Arguments to the jury were made this afternoon. This evening while Atlantic or Bacine continent either on the ished at noon. Arguments to the jury were made this afternoon. This evening, while the jury was at supper, Juror Roach was taken quite sick with heart trouble. A doc-tor was called, and, though he allowed the patient to go back to the court room, he advised the court that Roach was not well enough to go into the jury box tonight, and instructions by the court will not be read until 9 o'clock tomorrow. The jurymen all remained in charge of balliffs in the court house.

egions of the east.
