GOOD DIGESTION

MEANS LONG LIFE, GOOD HEALTH & CLEAR HEAD AND A BRIGHT EYE.

The New Discovery, Stuart's Dyspepsia Tablets, Gives Good Digestion to Everybody.

Many people suffer from dyspepsia and do not know it. They feel mean, out of sorts, peevish, do not sleep well, do not have a good appetite, do not have the inclination for any exertion, for physical and mental work they once had but at the same time do not feel any particular pain or distress in the stomach.

Stuart's Dyspepsia Tablets, by digesting the food, instead of making the worn-out stomach do all the work, gives it a much-needed rest and a cure of dyspepsia in the natural result.

When you are nervous, run down and sleepless do not make the common mistake of eating less food. It is not the quantity of food that counts, but the quality.
