outlasting very long the close of the London exchange and the strength reflected from there, which was, however, less marked than yester-day. London also was again a purchaser of securities in this market, though not in so large a volume as yesterday. Some purchases were also said to be for Holland account. The stocks built by the foreigners were Union Pacific, St. Paul and Louisville & Nashville; also Nor-folk & Western. Some sale for foreign account were also made. The selling movement in Su-gar and Chicago Gas became heavy later in the day. Sugar being sold on reports of jeopardy in the sugar schedule of the amended tariff bill and chicago Gas on reports of the unikelihood that expected beneficial legislation could be en-acted in Illinois. This caused such sharp de-clines in those stocks that the depression spread by sympathy through the list. The duilness of trading was in part due to the expected an-nouncement of further gold shipments, but these were not forther gold shipments, but these were shipments may be made by Naturday's storschadowed issentiat. American Tobacco Dividend. NEW YORK, May 12.-At the annual meeting of the American Tobacco company

held today in Newark, N. J., the following held today in Newark, N. J., the following directors were elected for a term of one year: Josiah Brown, Joseph G. Butler, John Doerhoeffer and Ernest Schreissen. The an-nual report for the year ending December 31, 1895, showed a balance, or surplus, of \$5,884,548, against a surplus of \$8,900,372 for the year previous. The net earnings for the year were \$3,593,197, and the balance after dividends and charges, \$964,177. This amount, added to last year's surplus, makes a total of \$5,464,548, and deducting from this a 20 per cent script dividend of \$5,550,000 on the common stock, the \$5,884,548 balance of sur-plus is left.

Defeat the Street Railway Bills.

SPRINGFIELD, Ill., May 12.-The Humphrey bills, extending the franchises of all street railways in Illinois fifty years and street railways in Illinois fifty years and investing the control of existing lines and new franchises in boards or commissioners instead of the aldermen of the various cit-ies, were killed in the legislature today. The enacting clause of the first bill was stricken out by a vote of 123 to 29. Similar action was taken regarding the second bill by a viva voce vote. The Humphrey bills have been subjected from the start to a redhot fight by the civic reform organiza-tions and the newspapers, and the defeat of the bills caused widespread rejoicing. ...14

SAN FRANCISCO, May 12.—While the San Francisco police were scouring the world for the record of the murderer of Philopena Langfeldt there remained unknown to them a chapter in his life the scene of which was laid in San Francisco. Joseph Edward Bianther was married in San Francisco March 23, 1887, to Irene E. Campbell, by Rev. Father John E. Cottle, then assistant rector of St. Mary's church. The fact of h's marriage here was completely hidden from the police and would probably have never been heard of but for a desire of the widow to obtain the contents of a certain tin box which she thinks the police of this city have in their possession.
