# TYPOON II LANDS THE PRIZE

Wins Kentucky Derby Without Turning a Single Hair,

NEVER TOUCHED BY THE OTHER RACERS

Six Thousand Dollars is Raked in by the Winner-Race is Run on a Track That is a Trifle Slow.

LOUISVILLE, Ky., May 12 .- The twentythird Kentucky derby has passed into history and along with it the winter and spring calculations of the talent. Ornament, the much-touted son of Imp. Order, that game chestnut colt, whose 2-year-old performances stamped him, and rightly so, the king of the western turf, lowered his colors this afternoon before a gamer and a better animal. Without being touched and only a little shaking up near the wire Typhoon II landed the coveted prize, showing the way the entire distance of one mile and a quarter. The chestnut colt was never in distress at any part of the journey. The finish was not of the sensational kind that stirs the spectators and furnishes sensations to those who have wagers on the outcome, for Typhoon's victory, well and gamely contested, was won with an ease that clearly proved his su-periority over the five other colts contesting for the honor.
It was a good betting race, but Typhoon.

though a second choice, carried but little of the public's money. When they went to the post the ruling odds were: Ornament, 8 to 5; Typhoon, 11 to 5; Dr. Cattlett, 4½; Dr. Shepard, 9; Ben Brown, 12, and Goshen, 16.

After last night's heavy rain it was thought the going would be unusually bad and that the track would be five seconds slow. But nature and man had accomplished much. Along the rail it was sticky and in spots were evidences of the recent downpour, but were evidences of the recent downpour, but fifteen feet from the rail the track was but three seconds slow. The winner was by Top Gallant out of Dolly Varden and is owned by Free Building.
