HAYDEN BROS.' GRAND REMOVAL AND TEARING DOWN SALE

Our immense new store is nearing completion and will soon be ready for business. The west wall of the inside building adjoining will have to be torn down. The "Big Store" is to be one of the greatest and best in the world. Every department will be modified or enlarged and transferred. All the old counters, shelves and fixtures will be torn out. Unless present tremendous stocks are sold they would have to be packed, stored, moved and rearranged for sale.

Every Article Quoted is Sold at 1-2 and in Many Cases as Low as 1-10 its Regular Value.

The packing, reasorting, etc., would cost thousands of dollars and the moving, handling and taking down would damage the goods thousands of dollars worth more. The first loss is the best and we have resolved to sell every dollar's worth possible before the removal begins. Goods will be sold regardless of cost or value.

This Wonderful Removal and Tearing Down Sale Offers the Most Stupendous Bargains Ever Put on Sale in America.
