and outside, and this room was just as comfortable as it could be, and that layout did look inviting, and I couldn't even guess who it was for, because the house was shut up tighter 'n a drum—evidently nobody ex-pected and nobody settin' up. But while I was standing there wonderin' over it I heard a door open—the one next to the one I'd come in at—and in corres a man that iocks at me for a minute and save:

"This is an unexpected pleasure." "And I says it is to me, too, looking at him at the came time, and seein' a man, maybe a little bigger 'n myself, and perfectly resplute and capable and able to take care whose grandfather was a white man.

Scotchman, one of the famous Clan McIntosh, signed the treaty, believing that it was for the best interests of his people. After the transfer had been made, some of his enemies invoked this law, which had long been in

you.' And there it was, and when I turned around again the man was putting oysters on the fire in the grate. Five minutes later disuse, and demanded the execution of the chief. The latter was informed of the move he was picking 'em up with a pair of tongs and layin' 'em carefully, round shell down, on the old tea tray. 'Now, will you thought best for my people. I am ready to

down, on the out carried out, all sorts of queer cere-in suffer from insomnia, and I find that when I suffer from insomnia, and I find had when I can't sleep, a little snack of something to eat makes me sleep. I can tell, generally, before I go to hed, the nights I have 'em fix up something for to eat in case I should need it; and then I come down and find it, like this. And eatin' something sort o' trangentizes my mind, and is o back to bed

tranquilizes my mind, and I go back to bed and go to sleep all right." This incluent I metcely method to show with the transfer of their lands and how "He pushed the top shell off an oyster in bitter a struggle it will be for them to finally

"He pushed the top shell off an ovster in front of him over onto the tray and put a little bit of a scrap of butter on the ovster and looked at it dissolve a minute, and then he put on just one drop of pepper sauce, turned the oyster over in the deep shell so as to get the dry top side into the ovster juice and melted butter, and then he ate it. Then he dipped a little hunk of bread into the julee in the deep shell out of the way on the tray and took another oyster off the fire with the tongs and began on that.

ne tragic incidents accompanied this transfer. I met not long ago a Mrs. Sue M. Rogers, a very bright Indian woman, who is the clerk of the supreme court of the Creek by J. A. Macpherson, Mrs. Ellen M. Henrotin by J. A. Macpherson, Mrs. Ellen M. Henrotin nation. She is a descendant of old Chief Me-Intosh, who was at the head of the Creek writes entertainingly of "Women in Fi-nance," and there is an interesting account of nation when the treaty was signed between the leaders of that tribe and the government, ending the Creek lands east of the Mississippi the recent Wagner festival at Bayreuth, at which for the first time an American singer-Madame Nordica-was heard in that strong-hold of German opera. "College Life at for those west. It appears that one of the ancient laws of the Creeks is that any mem-ber of the tribe consenting to or adding in a Vassar" is brightly described by Nancy Vinsale or transfer of tribal lands to an outsider shall be punished by death. Chief McIntosh, cent McClelland.
