PATCHEN AMUSES THE CROWD

GOES AGAINST TWO SULKY RECORDS

Falls to Lower Any Figures, but Gives a Fine Display of Speed-Summaries of Other Races.

LOUISVILLE, Ky., Oct. 27.-Jee Patchen's record trials today attracted to the Driving and Fair Association's track 6,000 people, who witnessed an excellent exhibition of speed, although the big black falled to place any world's record to his credit. Patchen had been secured in place of the alling Star Points: to go against the high wheel sulky record of 2:06%, made by Johnston, and his own wagon record of 2:04%. Paced by a runper he tried first in the sulky and after scoring twice started with a fine burst of speed, making the quarter in 0:31, the half in 1:02% and the three-quarters in 1:34%. The last quarter was slow, and the mile was finished in 2:07%. After a rest he went against the four-wheel wagon record, and caced the mile in 2:0812, which is better than any previous record except his Juliet

record of 2:04%.
