## THE OMAHA DAILY BEE: MONDAY, APRIL 4, 1898.

The Baptiets of Muscatine are planning changes and improvements in their church building, which will amount to about \$7,000.

The foundation of the new Free Methodist church at Correctionville tas been com-

pleted and work on the superstructure begun. The foundation is 26x38 feet.

The Christian church at Perry will I

sold and a new one will be built on another lot. About \$2,800 has screedy been sub-scribed toward a \$6,000 church.

UNCLE AVERY: "There, Jed, is a bunch of them Boston lossengers that that feller told us about. He draws a dipper of water, throws in a lossenger, and fools hisself into thinkin' he is drinkin' lithia water like this old spring water that used to limber up our daddies, cure Cap'n Pillsbury's kidneys, and now keeps us a haulin' all the time to cure all creation. Reckon folks'll find the difference between old Londonderry, Nature's water, and those things."

chusetts, being somewhat slower than the rest of the fleet, will be supplanted by the New York, and the average of speed and fighting capabilities of the squadron will be increased It must be remembered that the Brooklyn and New York are two of the finest types of fighting machines in the world, having their main batteries supplied with rapid-fire

inded it will give the state creditable iquarters, while the commissioners favorably regarded by Japan.
