At bris and landing it on the sidewalks. At this point the water also covered Broadway from curb to curb and for nearly half an able damage was done by the rush of water on the block paying on the streets north of Broadway and the approach to the bridge at North Second street was washed away and for a while it looked as if the bridge N. P. Nelson, proprietor of a saloon on litself would have to go. The banks of the creek at this point are higher than below Eighth street and the water did not overflow, the flood on Broadway from the Methodist chruch to Bryant street being caused by the rush of water from the side hill streets. At Pearl street and Broadway the water formed a regular sea and passengers who happened to be in the motor cars were compelled to stay in them until the water subsided. A number of passengers who were pressed for time took off their shoes and waded through the water to the sidewalks

AH the storm sewers south and north of Broadway soon became filled and many of them belched out water like small geysers. the one at North Eighth street throwing out water to a height of four feet, a thing that had never been known to occur before. On South Main street the water als

poured down in torrents and at the Burlington passenger depot was over the platform and into the waiting rooms. Although the fall of rain was heavy it did not last much over an hour. The creek commenced to rise shortly after 4 o'clock. but by 5:30 o'clock it had begun to slightly subside, but for an hour afterward the water continued to flow from the breaks in

the banks of the creek. City Engineer Etnyre had a large force of men opening the storm sewers and removing debris from the bridges as far as possible yesterday evening.

Pay Water Bills By Saturday, July 9, and save 5 per cent. Office open Saturday evening. MEETING OF THE CITY COUNCIL.

Municipal Fathers Transact a Lot of Routine Business. The regular monthly meeting of the city council was held last night, at which little outside of ordinary routine business was

transacted.

Bridge and Terminal Railway company notified the council that he had found it necessary to change the location previously decided on for the bridge across Indian creek and that he intended erecting it just south of Second avenue, instead of between Fifth and Sixth avenues. This, he explained, had been found necessary, as having been unable to make arrangements with the Burlington of this town. He was a member of an Illi- culty in finding work in Chicago, as many use its tracks on the west side of the nois battery that fought before the trenches. nonunion stereotypers from other cities have creek he was forced to build a track on the His father, the late Dr. Underwood, was come here, and more are said to be on the east eide. VERY POPULAR WITH THE WOMEN.

lowa Parson Engaged to Seventeen Girls at the Same Time. WHITING, Ia., July 6. Special Tele-gram.)—The little town of Whiting in the Christian church of that place, was ensame time. The announcement of his enexteen others coming forward and claiming hour the street was impassable. Consider- his hand, A church trial resulted, but benarry Miss Annie Bigelow. He arrived in found to be a young man of attractive adlress and particularly fond of the society of women, Mr. Atwood became personally equainted with the families in his church and paid frequent visits to their homes. He was a prime favorite in every home and many men looked forward to the day when he would be their son-in-law. Everything went along smoothly until a few days ago when came the public announcement of his ngagement to Miss Bigelow. Sixteen other damsels nearly fainted when they heard the news. Finally, one by one they confided that stockings, rolled up their trousers and he was also engaged to each of them-at least had promised to marry each one. This came to the ears of the trustees of the church and a public investigation was ordered. But the young man resigned. His only defense is that he loved them all beause they were members of the Christian church and he says when he talked of marrying them it was to some one else. Breach promise suits are threatened.

Expense of Mobilizing Troops. DES MOINES, July 6 .- (Special.) -The expenses incurred so far on account of mobilization of Iowa volunteers and paid by the state is \$112,655.61, and the bills are not all in. The last batch of bills, amounting to \$11,525.08, including \$4,970 for woolen blankets and two items of uniforms, \$1,930 and \$1,450. The bulk of the balance was for transportation, and many more transportation bills are to come in. The estimate of \$125,000 made a few weeks ago will not be far out of the way, though the war department of the state has been inclined to underestimate when talking for publication. They said the rejected National Guardsmen would not cost the state more than \$700 or \$800, when, as a matter of fact, the cost, just paid, was \$5,177.93. Several clerks are still busy figaring on the bills that have been submitted, examining them as to their correctness and graphical union, this decision opened the way for the approval of the proper officer, and making out the bills for the government at Washington to pass upon, so the state can get part of its money back. The state expense of preparing the batteries for the General Manager Webster of the Omaha service will not be great, because they will probably be soon mustered in, and the War

FLEEING FROM BOMBARDMENT

Roads from Santiago Are Lined with Refugees Seeking Safety from the Enttle.

(Converight, 1898, by Associated Press.). OFF JURAGUA, July 5 .- (By Associated Press Dispatch Boat Dandy, to Port Antonio, Jamaica, July 6.) The roads leading from Santiago de Cuba have been black today with people fleeing from the dreaded bombardment. A flag of truce has floated over the walls of the city and above the enin Transmission.)-During the pursuit of the | The unofficial armistice which terminated

> This fact is generally accepted among the officers at headquarters as an indication of a grim determination on the part of the Spanish to fight it out. The negotiations looking to the surrender of the city have not been concluded, as no reply to General Shafter's last demand has been received, but

> no one of the hundreds who fled today believed that a surrender was possible. A rumor was persistently circulated about headquarters this afternoon that the enemy had offered to surrender if permitted to retain their arms and colors, and that the cable to Washington was hot with dispatches concerning the proposition, but the story was laughed at by General Shafter, and it is

> entirely without confirmation here. No shot was fired today by either side and the American forces took advantage of the full to strengthen materially their po-

> General Shafter this morning sent some wounded Spanish officers and men under a flag of truce into Santiago, and it is hoped this will have a good effect in showing that Americans are kind to their prisoners.

General Shafter is endeavoring to arrange I an exchange of prisoners for Naval Constructor Hobson and the crew of the Merrimac, offering the Spanish some of the 200 tender to him the German-American regi- priseners in his charge. He says no answer to the exchange proposition had been re-The American commanding general here

has issued an order congratulating the troops

upon their gallant achievements. Generals

Lawton, Wheeler and Kent, with the officers and men under them, are especially commendedd. The Americans and Spaniards used the truce to strengthen their positions. Our guns, siege, dynamite, field, Hotchkiss and Gatlins, are masked where it is possible and several of the batteries of the Spaniards.

are directly under our fire, as is Santiago The incidents attending the death of Licutenant Ord were dramatic. He was an aide on the staff of General Hawkins and throughout the day of battle was energetic in getting the troops up the hill. He was right in the front line when the Sixth, Thirteenth, Twenty-fourth and Sixteenth regiments made their desperate charge on Sau Juan hill and was one of the first officers to

Just as he passed the brow of the hill he saw a Spaniard lying on the ground, and pointing to him he said, "Take care of that The Spaniard saw the motion, and evidently thinking Lieutenant Ord was ordering him killed, he raised his rifle and shot

the lieutenant dead: The coldiers of the Sixteenth infantry, as Licatement Ord was an officer of that regiment and popular with the men, were wild with rage and literally tore the Spaniard to pieces with bullets.

Change in Forest Reserve.

WASHINGTON, July 6.—(Special Tele-gram.)—It is expected that within a short ime a proclamation will be submitted to the president by the secretary of the interior providing for the withdrawal from the Black Hills forest reserve in South Dakota of large portion of land on the western side of the reservation. Examination by the United States Gological Survey has disclosed the fact that the land designated has little or no timber. At some time it is expected mother proclamation will ensue, embracing within the reserve a large tract of timber land adjoining the reserve on the northwestern border. Plans are being prepared by Land Commissioner Herrman to prevent detruction of timber on the reserve by fire. Arrangements are also being made by tho department for the sale of such timber as an be properly disposed of, which will be of much interest to purchasers in the Black Hills regions. Proclamations will be issued General Sternburg says the hospital ship by the land commissioner. as soon as the preliminaries are completed
