United States is advanced 12 and the new 4s 14, while ac 28, when issued, declined 1-5 in the bid tree. There were large dealings in the 38 if from 1052 down to 1054 at the close. The Evening Post's London cablegram ays: Except for Kafflys and West Aus-ration mining shares, which are booming, be stock markets here were quiet and enerally dull today. The leading stocks for somewhat depressed by Creata affacts bain Srev mericing were lat on the St. radii dool-ast.

were somewhat depressed by Cretan affairs. Americans were last on the St. Fault doub-lend, closing near the lowest. It is gen-rally believed here that the St. Paul com-oany could have padd a much higher divi-lend and the policy of a large carry-for-ward is regarded as a not too hopeful omen for the future. The London discount rate is 111-1681% and decidedly firm on the New York de-mand for gold. It is reported that gold is to to go to New York direct from Japan in addition to other shipments from Aus-tralia, but I cannot confirm this.
