# HAV Several hundred thousand dollars worth of Merchandise on Special Sale IIIS Month

The entire vast spot cash purchasing power of the Big Store has been concentrated to bring together for the holidays the grandest assortments of goods from the world's best markets. Expert buyers have watched every opportunity and made their deals at the most advantageous times. No stocks were too large for them. Unlimited cash behind them gave them control of the markets and the result is apparent in every department in every crowded case, shelf and counter. Eager buyers are filling their wants from the cream of the world's productions at fully one-third to one-half less than the regular figures. Holiday goods are already beginning to move fast. Nowhere can you find such splendid and complete lines to choose from.
