NITA, the GYPSY PALMIST, who has been in Omaha a few days only, is creating a great sensation because of her remarkable gift. She is able to read life so correctly that the many who consult her cannot help pronouncing her a phenomenon. One lady testifies that she has consulted many palmists and clairvoyants to ascertain something in regard to an incident in her past life and not one ever made the slightest reference to what she wanted to know about. However, she noticed Nita, the gypsy's, ad. in The Omaha Bee and decided to consult her, who at once said: "You are here to gain some information regarding an article which very mysteriously disappeared from you a number of years ago. You can if you pursue the proper course recover said article, which was a valuable diamond ring given you by your mother a few days prior to her death. The ring is now in the possession of your stepmother and she stole it from you." A gentleman also testifies that he has traveled a great deal throughout the United States and has consulted many of the leading palmists. Nita, the GYPSY, is the only one who has ever given him anything at all convincing. If you are inclined to be SKEPTICAL you should not miss the opportunity of consulting Nita, who can remove all such ideas. Those who have investigated palmistry and have not received satisfaction are especially invited to call upon this wonderful woman. Satisfaction guaranteed or no charge. Hours from 9 a. m. to 10 p. m.; Sundays from 10 a. m. to 8 p. m. Pariors 212 No. 17th st.; reading, 50c and up.
