PREPARATION IS THE SECRET OF SUCCESS. In securing a short-hand education one

should look to a school's record for thorough, efficient instruction, and to the success of its graduates in securing and holding positions. The school having the best teachers, the best reputation and the best equipment produces the best results, The graduates of Boyles' school have no difficulty in securing and holding post-

If you are interested in securing first-class training call at this school and personally inspect the methods and equipment. The graduates of this school are holding the best paying positions in the city. One

young man accepted a position last month as official court reporter of one of the judicial districts in Iowa and is giving entire satisfaction. He took the regular course at this institution.

The matter of securing positions for graduates is given personal attention by the management of the school. Visitors always welcome.

AWYERS, DOCTORS, MERCHANTS: In fact all classes of people, consult the renowned Mme. Gylmer, why? because they know that palmistry is a source through which they can gain beneficial information regarding their profession, business, domestic or personal affairs; furths more, Mme. Gylmer is a thorough palmist, and her third year in Omaha demonstrates that she is bonest, honorable and worthy of patronage. Her wonderful gift enables her to convince the most skeptical and she has won the admiration of many who were predidicy because they never before realized that there was a distinction between a genuine palmist and a "fake" clairvoyant.
