westbound mail train was held up, dynamited and robbed at 1 o'clock this morning near Wilcox, a lonely station on the Wyoming division. The holdup was accomplished by waving a danger signal a short distance east of Wilcox bridge. Engineer "Grindstone" Jones resisted, when one of the robbers climbed on his engine and struck him on the head, giving him a severe scalp wound. He was made to cut his engine loose from the train at the point of a gun. The robbers drove the express messenger from his car and then exploded a charge of dynamite under it. The car was wrecked and the mail car next to it badly damaged. The robbers then exchanged a charge of dynamite under the Wilcox bridge, cutting off communication between the train and engine and tying up all trains after the bridge was blown up. The holdups disappeared and Engineer Jones ran to Medicine Bow and reported. It is not known at this time the amount secured from the express car safe. The holdup occurred in a district where escape to the mountains is comparatively easy.

Denver Story of the Robbery. DENVER, June 2.—A special to the Times from Cheyenne, Wyo., says: At 4 o'clock this morning Union Pacific mail and express train No. 1 was held up one and one-half miles west of Wilcox station, in this state, by six masked men, evidently professionals, who blew open the safe of the express car and carried away all the contents. The mail was not touched, presumably on account of the fact that four armed mail clerks were in charge. The mail and express runs as the first section of No. 1, overlaid limited. The second section follows five minutes behind. A bridge two miles from the scene of the robbery was fired to prevent the second section from coming up during the operations. A bridge in front of the train was dynamited. The trainmen were all covered with rifles and the robbers took their time. The value of the plunder is unknown, but is represented as light. The sheriffs of Albany and Carbon counties, with posse and United States marshals, are after the bandits, who are supposed to be members of the notorious "Hole in the Wall" gang, which has terrorized the state for years.

According to information obtained at Union Pacific headquarters last evening the amount of money secured by the train robbers does not exceed \$1,000 and the damage to the express car contents is not over \$700. Officials After the Robbery. CHEYENNE, Wyo., June 2.—(Special Telegram.)—General Manager Dickinson of the Union Pacific, officials of the Pacific Express company and a large party of detectives in charge of Chief Canada of the Union Pacific escort service passed through Cheyenne tonight en route to the scene of this morning's train holdup, where possees will be organized and the search for the robbers pushed. Sheriff Shaver of this county is now organizing a large posse which will leave at midnight in a special train over the Cheyenne & Northern for the northern part of the county to intercept the bandits, as it is believed they are traveling northward in an effort to reach the famous Hole in the Wall in central Wyoming, where they will be safe from pursuit.

Small Fire. Two frame cottages at 3020 and 3022 South Twenty-eighth street were destroyed by fire Friday evening. Only a part of the furniture from each was saved. No. 3020 was owned by Patrick McEligat and occupied by his family. The fire started in his dining room, being caused by an overturned lamp. The flames quickly spread to the adjoining building, which was occupied by the family of H. J. Graham, the owner. Each cottage was valued at \$800, and insured for \$600. The furniture of each was valued at \$100. About half the contents of the buildings was saved by the neighbors and firemen.

NAME NASH FOR GOVERNOR

Ohio Republicans Settle on a Candidate on the Second Ballot. OPPONENTS PLEDGE LOYAL SUPPORT Contest Cases Disposed Of in a Few Minutes After the Convention Assemblies in the Morning.

For Governor.....GEORGE K. NASH For Lieutenant Governor.....JOHN A. CALDWELL For Auditor (renominate).....JAMES M. SHEETS For State Treasurer.....ISAAC D. CAMERON For Attorney General.....W. D. DAVIS For Supreme Judge.....FRANK RUFFMAN For Board Public Works.....

COLUMBUS, O., June 2.—The republican state convention today nominated Judge George K. Nash, the favorite of Senator Hanna, for governor, and ex-Congressman John A. Caldwell, the favorite of George B. Cox, for lieutenant governor, with the other five nominations distributed among those of less distinct party affiliations. What was generally called the Hanna-Cox combination controlled a large majority of the 513 delegates, but it did not exercise its power beyond the nominations of Nash and Caldwell. The delegates, of which Senator Hanna, Mr. Cox and others reached a mutually satisfactory decision, did not conclude until an hour before the convention assembled. It was all over then with Mr. Daugherty and other candidates, who knew that the convention would conclude its work without any such protracted session as had been anticipated.

Outside of the unusually animated contests for the nominations the feature of the convention was its universal endorsement of President McKinley. When the plank "commending the president for the judicious modification of the civil service rules, recently promulgated," was read there was a very enthusiastic demonstration. It is announced that there will be a Nash jubilation here next Monday night and that the state committee will meet here June 17 to organize for the campaign. Candidates for Governor. The name of Hon. H. M. Daugherty was presented by James W. Holcomb, chairman of the contesting Cuyahoga delegation, that had just been seated. The name of Judge George K. Nash was presented by Hon. Henry C. Taylor of the Franklin county delegation. The name of Judge L. W. Hall was presented by Judge E. W. King of Sandusky. The first ballot for governor resulted: Daugherty, 211; Nash, 285; Jones, 76; Nevins, 82; Hull, 39; Durban, 48; Douglas, 60; Orr, 17; necessary to choice, 407. The second ballot for governor was as follows: Nash, 446; Daugherty, 210; Jones, 27; Nevins, 55; Douglas, 43; Durban, 31. On the second ballot the changes were so much in favor of Nash as to indicate his nomination. Nash gained only one vote in Cuyahoga county, but when Cox cast the eighty-six votes of Hamilton county solid for Nash there was a tremendous demonstration.

Nash was nominated on the second ballot. Chairman Holcomb of Cleveland attempted to move to suspend the rules and make it unanimous before the ballot was completed, but the ballot proceeded. Ex-Congressman John A. Caldwell was nominated for lieutenant governor. Captain E. S. Wilson of Ironton and J. Park Alexander of Akron were his only opponents and Caldwell was nominated on the first ballot. Senators Forkner and Hanna and ex-Governor Charles Foster escorted Judge Nash into the hall and he accepted the nomination in a vigorous speech for an active campaign. On motion of Chairman Holcomb of Cleveland the nomination of Nash was made unanimous without a count. George K. Nash is a leading attorney of Columbus, 45 years old and a widower. He has been prosecuting attorney of Franklin county, attorney at law, a member of the supreme court and, during four campaigns, chairman of the state committee.

Hon. Harry Daugherty made an eloquent speech, saying the convention had named the next governor and he would not be behind anyone in contributing to that end. He cheerfully joined in the ratification of the nomination of such a worthy man as Judge Nash. W. H. Gilbert of Caldwell was renominated for auditor of state without opposition. For state treasurer Isaac B. Cameron of New Lisbon, Columbiana county, was easily nominated on the first ballot, as follows: Cameron, 470; Rebenberick, 195; Latham, 182; Campbell, 10. "Slate" is Broken. The proceedings were quiet and orderly till the order for the nomination of attorney general was presented. There were nine names presented for this nomination, among them being that of Judge L. M. Hull of Sandusky, whose name had been presented earlier in the session for the nomination for governor. The first ballot was proceeding in such manner as indicated the nomination of Judge Hull, when an apparently organized chorus began the yell of "slate, slate, slate" and the proceedings were interrupted by the cries of "slate" every time votes were announced for Hull. The first ballot resulted: Hull, 159; Stewart, 99; West, 63; Monnett, 29; Allread, 23; Carpenter, 129; Harper, 100; Sheets, 118; Lott, 59. Allread withdrew on the second ballot. There has been a rally from the stampee caused by the nomination of Judge Hull and the result was: Hull, 193; Stewart, 92; West, 83; Monnett, 17; Carpenter, 108; Harper, 120; Sheets, 149; Lott, 8. West and Lott withdrew. When the third ballot began the cry of "slate" was repeated in a deafening chorus and the result was settled when George B. Cox changed the eighty-six votes of Hamilton county from Judge Hull to James H. Sheets. Then came a stampee and the rules were suspended and Sheets was nominated by acclamation before the call of the counties was completed. This was the first break in the so-called Hanna-Cox slate and the convention went wild. The delegates continued to yell "slate" when the order of "supreme judge" was reached. The names of J. P. Bradbury of Pomeroy, W. Z. Davis of Marion and C. C. Shearer of Xenia were presented. Judge Bradbury has served two terms of six years each on the supreme bench and "the third term" idea had previously been defeated in the cases of State Treasurer S. B. Campbell and Attorney General Frank Monnett. The cry of "third term" and of "slate" were set up against Judge Bradbury. First ballot: Davis, 388; Bradbury, 283; Shearer, 140. Second ballot: Davis, 511; Bradbury, 283; Shearer, 34, the support of the latter going to Davis in opposition to a third term as well as to the "slate."

Frank A. Huffman of Van Wert was renominated for a second term as member of the State Board of Public Works. Platform Adopted. The following platform was adopted: The republican party of Ohio reaffirms the principles declared by the St. Louis platform. We earnestly endorse the great administration of William McKinley. It is distinguished to a remarkable degree in the history of national administrations. Under the last democratic administration and as a result of the democratic principles and policy our industries were destroyed, capital and labor were unemployed, the poor suffered as never before in our history, agricultural products could not be sold because consumers could not earn money with which to buy and every branch of trade felt the blighting influence of the democratic tariff reform hard times. The treasury of the United States was depleted and the gold reserve disappeared. The government borrowed money to pay current expenses, increasing the public debt in times of peace by hundreds of millions of dollars.

..YOU.. EMPLOY AN EXPERT In Food Selection when you eat GRAPE-NUTS The Most Perfectly Made Food for Human Use. TO KEEP FOOD CRISP. A novel way of opening a package of food is shown on the Grape-Nuts package, where a line indicates that a slit should be made with the knife, and the package squeezed, which makes it snap enough to pour out what is needed for a meal, then the package automatically closes, preserving the contents from the moisture of the air. As a rule, Grape-Nuts packages are not kept on hand very long in any family, but it is well to know how to keep the contents of the package in prime condition. Grape-Nuts are ready cooked, very crisp, and can be served immediately with a little good cream or milk. This feature is of great advantage to those who desire ease and convenience in preparing breakfast.

Anti-Trust Declaration. We commend the action of the seventy-third general assembly of Ohio in passing the stringent law now on our statute books prohibiting the organization of "trusts," and we denounce such unlawful combinations as well as the interests of the people. We congratulate the people of the state on the fact that a republican legislature enacted this law and we demand its rigid enforcement. We pledge our party to such further legislation as experience may determine expedient to prevent the formation and operation of such iniquitous and dangerous combinations. Equalizing taxes, uniform system of selecting delegates for state conventions, protesting against lynching and strongly favoring the Ohio centennial at Toledo in 1902. The convention at 3:45 p. m. adjourned, having been in session since 10 a. m. without intermission.

Japanese Spies Executed. SEATTLE, Wash., June 2.—According to Oriental papers received by the Kinshu Maru, Japan is much aroused over the report from Shanghai that twelve Japanese spies had been captured by Russian agents in the Manchurian peninsula. Particulars of the affair were meager, but it is understood that the men were executed in a fortress without trial. Louisville, Ky., June 2.—The formal visit of William Jennings Bryan to Louisville under the auspices of the Ohio Valley Bimetallist league was reserved for today, though he attended Wednesday night's banquet to Judge Tarvin. Mr. Bryan reached Louisville at 12:20 this afternoon. He was escorted to the Auditorium, where he spoke to an immense audience. He said in part: The democratic party adopted at Chicago a platform which applied democratic principles to the existing conditions. The conditions existing today require the application of the same principles. No questions brought to the attention of the people by the last campaign have been settled since the close of the campaign. The republican party did not declare the existing gold standard satisfactory, but declared that it should be continued until foreign nations would join in international bimetallism. The republican president elected in the last campaign sought to carry out the platform promise by sending commissioners to Europe to secure international cooperation. The republican party in the next campaign must declare either for the gold standard or for the restoration of

tilian despotism, accomplished under the master guidance of a republican administration, are necessarily subjects for highest eulogy by a convention of Ohio republicans. To the same master guidance, controlled by the great principles that have shaped the high destiny of the republican party from Lincoln to McKinley, the people can look for the solution of the momentous problem of the future of Cuba, Porto Rico and the Philippines. Their wise solution will vastly increase our foreign trade, spread American civilization abroad and add to the honor and power and glory of this great nation. We commend the president for the judicious modifications of the civil service rules recently promulgated. For the national defense, for the reinforcement of the navy, for the enlargement of our foreign markets, for the betterment of American workmen in the mines, forests, farms, mills, factories and ship yards, we demand the immediate enactment of legislation similar to that favorably reported to each branch of the Fifty-fifth congress at its last session, so that American-built, American-owned and American-managed ships may regain the carrying of our foreign commerce.

THE BEE'S ACCURACY COMPROMISED. OMAHA, June 2.—To the Editor of The Bee: Please accept thanks for your accurate report of the street car accident in which myself, my wife and Miss Burke were involved Wednesday afternoon. Your reporter was the only newspaper representative who called at my house to investigate and naturally published the real facts. The women wronged received no sympathy, the conductor and rendered all assistance in his power. It is true he did not sound the bugle with the result stated in The Bee this morning. Twenty-second street and the car struck the buggy with the result stated in The Bee this morning. C. E. FIELDS.

Council of Women's Clubs. PHILADELPHIA, June 2.—The council of the General Federation of Women's Clubs of America began its sessions today. Mrs. Rebecca D. Lowe of Atlanta, Ga., president, presided in the chair. The board of directors decided to appoint Mrs. Lowe to succeed Mrs. Ellen M. Hendon of Chicago as the representative of the federation at the Paris exposition, and at once make application for space for an exhibition of club work at the Paris exposition.
