

COUNCIL OFFERS CONDITIONS

Proposes to Shorten Time Allowed on a Viaduct and Subway.

WILLING TO CLOSE SEVENTEENTH STREET

Twenty-Fourth Street Viaduct to Be Built During 1900—Martha Street to Be Closed When Hancock Street is Done.

The proposition to the Burlington and Union Pacific roads which the council started to work on late Friday afternoon was finished yesterday and sent to the heads of the roads for their consideration. It is the result of the deliberations of the council and the attorneys for the roads yesterday afternoon in the council chamber and contains some modifications of the proposition for the roads submitted by the council and imposed by it on the roads in brief as follows:

To maintain, pave, light and otherwise care for the subways at Seventh, Thirteenth, Fourteenth and Twentieth streets.

To construct the sixteenth street viaduct according to the plans prepared by the city engineer by January 1, 1899, and forever thereafter maintain it.

To construct a viaduct on Twenty-fourth street between Hickory and a point 100 feet more or less south of the tracks of the right-of-way of the B. & M. during the year 1900, according to plans made by the city engineer and approved by the council, the viaduct to be completed by January 1, 1901.

To construct a subway on Hancock street thirty feet wide with a roadway of twelve feet in the clear, when required to do so by the city.

To construct a viaduct on Boulevard street as soon as the park board shall improve and open that street to the public, said viaduct to be according to the plans of the city engineer and to be maintained by the roads after completion.

To provide all necessary lights and watchmen at all grade crossings.

The council and mayor to be the arbiters between the roads and the city in all matters of expense satisfactorily to them.

Concessions from the City.

In return for the above concessions on the part of the roads the city agrees to do certain things as follows:

To amend the ordinance of 1876 so as to relieve the Union Pacific from the necessity of maintaining an open roadway across its right of way near Sixth street.

Not to seek to reopen any street between Seventeenth and Twentieth, Twentieth and Twenty-fourth, Twenty-fourth and Hancock, or Hancock and Boulevard.

To close Martha street over the right of way of both roads on the demand of the latter, provided that it shall not be closed before the subway at Hancock street is completed and open to travel, and provided that the roads shall save the city from all damages incident to the closing of said street, making provision in advance for the payments that shall protect the city from loss.

To close Seventeenth street on the demand of either road on the same terms as to damages as specified for Martha street. To vacate and close all streets over which viaducts have been or shall be constructed, provided that such closing shall not prejudice the rights of the city to require the reconstruction or maintenance of the viaducts or to use the streets for laying sewers or other subways.

To assume the expense of lighting all viaducts and hereafter to make no charge against the roads for lighting except in subways and on grade crossings.

The material points in which the above proposition differs from that submitted by the roads are the time limits on the construction of viaducts or subways at Hancock and Twenty-fourth streets and the reference to the claims of the city against the roads for lighting viaducts in the past. No mention is made of the claims.

W. M. Gallagher of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best of all. It relieves instantly and cures all throat and lung troubles."

CONVINCES TO ROB HIMSELF

Samuel Harding Consents to the Looting of a Car of Junk.

The next time Samuel Harding wants to catch the thief who has acquired the pernicious habit of robbing his junk shop he will not attempt to compound the crime by getting another to join in the theft. The trial of John Brown, charged with burglarizing a box car containing junk belonging to Harding, occurred Saturday afternoon in police court. Brown and Rabinowitz were the defendants, but the latter did not go to trial. Detectives Brummy and Mitchell testified that on the night of June 1 they caught the two defendants breaking into a car on the track on Twenty-second street, between Iard and Nicholas. They had a lot of brass and copper in their wagon at the time of the arrest. Harding applied as a witness when he went on the stand. He said that Brown came to him a few days before June 1 and told him that Rabinowitz had tried to induce him to assist in robbing a junk car. Harding told him if Rabinowitz said anything about it again for him to acquiesce and then let Harding know the night

THE SURGEON'S KNIFE

ONCE BELIEVED TO BE THE ONLY CURE FOR PILES AND RECTAL DISEASES.

A Better Way Now Discovered Which Cures Every Form of Piles Without Pain or Inconvenience.

Many people suffer the pain, annoyance and other serious results from piles for years, and after trying the many lotions, salves, ointments and the many so-called cures without cure or relief, give up the hope of final cure rather than submit to the intense pain and danger which a surgical operation involves.

Happily all this suffering is no longer necessary since the discovery of the Pyramid Pile Cure, a remedy which is approved by the medical profession as being absolutely safe, free from any trace of opiates, narcotic or mineral poisons and which may be depended upon as a sure and reliable relief for any form of piles, whether internal, external, hemorrhoidal, prolapsing, itching, bleeding or protruding. Some of the hundreds of cures recently made are titles short of a full cure, as a part of the following will demonstrate.

Major Dean of Columbus, Ohio, says: "I wish to add to the number of certificates as to the benefit derived from the Pyramid Pile Cure. I suffered from piles for forty years, and from itching piles for twenty years and two boxes of Pyramid Pile Cure effected a permanent cure."

Dr. J. W. Meagan of Leonardville, Kan., writes: "I have used one box of Pyramid Pile Cure and received more benefit and relief than from any remedy I had used in the past twenty years."

James Jamerson, Dubuque, Iowa, says: "I suffered from piles for six years, have just used the Pyramid Pile Cure and am a well man."

Mrs. M. C. Hickey, 601 Mississippi St., St. Louis, Mo., says: "I have been a sufferer from the pain and annoyance of piles for fifteen years, the Pyramid Pile Cure and the Pyramid Pills gave me immediate relief and in a short time effected a cure. The Pyramid Pile Cure may be found at druggists at 50 cents and \$1.00 per package. A book on cause and cure of all forms of piles will be mailed free on request to the Pyramid Drug Co., Marshall, Mich."

Omaha Business Men Contribute Funds to Assist the People at Herman.

Omaha business men continue to contribute their money to supplying the immediate needs of the cyclone sufferers at Herman and the fund that is provided over by Secretary Utt of the Commercial club continues to grow. Friday the aggregate contributions reached \$1,163, and at noon today this had been increased to \$1,349.53. One of the subscribers was the Omaha Press club, an organization that went out of business seven years ago. At that time Victor E. Bender, then an Omaha newspaper man, but now business manager of the Council Bluffs Non-Parade, was the treasurer. He has held the position ever since and has retained the balance that was on hand at the date of the dissolution. Yesterday he came over from Council Bluffs and donated to the fund the balance—\$12.83.

The winner of the first prize, Miss Addie Palmer of the W. R. Bennett Co., drew heavily on her reserve voice, rising from 4.52 to 4.74 and may well be charged with having carried the parasol up her sleeve. It is a magnificent sun shade valued at \$30 and for the benefit of all who desire to see it to good advantage is to be carried on the stage at the Orpheum by Miss Emma Cairns at the matinee and evening performances today. A remarkable incident in the race for parasols is the winning of the second prize by Miss Ada Talmage of M. E. Smith & Co. without changing the position occupied on the previous day. Miss Alma Lindquist of M. E. Smith & Co. and Grace E. Gunnell of Sherman & McConnell are both participants quite new in the upper ranks and have won third and fourth prizes respectively, coming forward in the race as dark horses. Misses Sunderland and Rabinowitz both carried parasols by casting a heavier vote than called for, while Misses Oumpugh, Donner, Rehdorf and Rodgers went to the extreme of caution in not casting sufficiently large a vote. Another notable feature is the fact that not one of the successful contestants in the Orpheum free box was managed to duplicate their success in this instance. The following is the record of those receiving five or more votes:

HASTINGS COMES TO FRONT

Handsome Contribution Forwarded Herman Sufferers Through The Bee.

Hastings' contribution to the Herman sufferers has been forwarded through The Bee in the shape of a draft for \$137, accompanied by the following letter from its mayor:

HASTINGS, June 17.—Hon. Edward Rosewater, Editor of The Bee: Dear Sir—Enclosed find draft for \$137, which you will please apply to the fund for the relief of the Herman cyclone sufferers. This is the proceeds from the concert given by the Second Regiment band last evening. Yours truly, JACOB FISHER, Mayor.

BENEFIT ENTERTAINMENT

Arrangements are being made to have the Dodge street school, under the direction of Miss E. Sherley, the principal, repeat its recent entertainment some evening this week in Boyl's Opera house, the entire proceeds to be given to the fund for the relief of the Herman cyclone sufferers. The use of the opera house has been donated by Manager Burgess. The entertainment will probably be given under the auspices of the Commercial club.

Help from the Elks.

At the regular meeting of the local lodge of Elks Friday evening the sum of \$50 was voted for the relief of the Herman sufferers. It was decided that a circular should be sent out to all members of the lodge asking for contributions of wearing apparel of all kinds for the women and children. Wagons will call next Tuesday for the contributions upon notification.

NO NEED TO ALARM TEACHERS

School Board Promises to Be More Conservative Than Ever in Framing Teachers' List.

The much talked of election of public school principals and teachers is scheduled to come off at the board meeting Monday night. From a reliable source it may be stated that the alarmist reports of wholesale decapitations will not materialize.

"As a matter of fact," says a well known man who is close to the inside, "there will be fewer changes in the teaching force this year than in any recent year previously. If you remember, only two janitorship changes were effected by the present board, while last year there were several times that many changes. A year ago the kindergarten force was practically revolutionized and no small number of principals and teachers dropped out. The present board is acting on more conservative lines than that of its predecessors and there is no reason to expect radical action in the makeup of the teachers' list are doomed to disappointment."

Llewellyn's Successful Mission.

Special Agent C. E. Llewellyn returned yesterday from Philadelphia and Washington, where he went in the interest of the Greater America Exposition. He secured from the War department the loan of some fifty lay figures, showing every kind of military uniform that has been in use from the date of the revolutionary war up to the present time. There will also be lay figures showing the style of uniform worn by the soldiers at West Point. Of these lay figures, it is said, there will be a great many more than were shown last year.

At Rock Island and Springfield Mr. Llewellyn secured the loan of a large number of guns. There will be every kind of gun from the old flint lock to the modern rifle. In addition to the small arms, there will be a large number of cannon, including the modern as well as the obsolete guns.

Stopping in Chicago on his way home, Mr. Llewellyn closed a contract by which the city of Chicago now in that city will be brought here and undoubtedly be placed in one of the viaduct buildings that was occupied as a restaurant last season.

Mr. Llewellyn has received a telegram from Colonel J. G. Albright, who was connected with the New Mexico exhibit last year, stating that he has secured the people and equipment for a Mexican village. There will be ten men and women from old Mexico and some twelve or fifteen Indians from the republic.

Bennett Co., drew heavily on her reserve voice, rising from 4.52 to 4.74 and may well be charged with having carried the parasol up her sleeve. It is a magnificent sun shade valued at \$30 and for the benefit of all who desire to see it to good advantage is to be carried on the stage at the Orpheum by Miss Emma Cairns at the matinee and evening performances today. A remarkable incident in the race for parasols is the winning of the second prize by Miss Ada Talmage of M. E. Smith & Co. without changing the position occupied on the previous day. Miss Alma Lindquist of M. E. Smith & Co. and Grace E. Gunnell of Sherman & McConnell are both participants quite new in the upper ranks and have won third and fourth prizes respectively, coming forward in the race as dark horses. Misses Sunderland and Rabinowitz both carried parasols by casting a heavier vote than called for, while Misses Oumpugh, Donner, Rehdorf and Rodgers went to the extreme of caution in not casting sufficiently large a vote. Another notable feature is the fact that not one of the successful contestants in the Orpheum free box was managed to duplicate their success in this instance. The following is the record of those receiving five or more votes:

Clara McCann, Thompson & Bel- den & Co., 1,077
Eva Phillips, Swift & Co., 977
Pearl Sunderland, Postal Tel. Co., 6,915
Jennie Rabinowitz, W. R. Bennett Co., 6,881
Addie Palmer, W. R. Bennett Co., 6,745
Ada L. Talmage, M. E. Smith & Co., 6,641
Alma Lindquist, M. E. Smith & Co., 6,508
Grace E. Gunnell, Sherman & McConnell, 6,500
Florence Rodgers, Richardson Drug Co., 6,478
