Later Reports From the, Florida Coast Describe Scenes of Desolation.

ONLY FOUR HOUSES REMAIN IN CARRABELLE

Business Blocks Are Completely Wrecked and Their Stocks Are Destroyed.

Lanark and McIntyre Are Destroyed and Inhabitants Are Destitute.

Full Extent of Storm and the Loss of Life Can Only Be Learned Upon the Return of the Rescuing Party.

RIVER JUNCTION, Fla., Aug. 4.-The most disastrous cyclone that ever visited this section of Florida completely annihil- part in the boycott. The warrant, which ated Carrabelle, McIntyre and Lanark Inn, charged violation of the statutory rights' United States did not interfere with the govsouth of here, yesterday. At Carrabelle only law, was sworn out by Patrolman Isaacs, ernment of Heureaux, who robbed and murfour houses remain of a once beautiful and who alleges that the barber refused to prosperous town. Communication from the shave him because he had ridden on Big mayor states that two hundred families are Consolidated cars. The case was continued without homes or shelter and many are to August 7. Trieste is out on ball. completely destitute. At McIntyre only two mill boilers mark the place of the town. "Lanark Inn," the famous summer resort,

was blown into the gulf. The Carrabelle, Tallahassee and Georgia railroad is washed away for a distance of thirty miles.

or Lanark. Fifteen ships lying at anchor in painting shop on Pearl street to order a Dog Island Cove and upper anchorage are sign. He was followed into the shop by a now all high and dry on St. George's and boy, who called to two men within that Dog Island. Twelve were loaded with lum- he had ridden on a scab car. The two ber and ready for sea. Nothing remains of men seized Mr. Mellen and threw him out them but a mass of wreckage. When the Italian bark Cortesia struck it split in walk and the two men and the boy, reintwo from stem to stern.

Identity of Wrecked Craft.

The names of the ships blown on the islands and which are total wrecks are as fellows: Norwegian bark Ranavalo, Edward Zen, master; Vale, Andersen, master; of the oldest and one of the most promileading New York newspaper, that Governor Jafner, Tygsen, master; Hindoo, Madsen, master; Elizabeth, Pedersen, master; Russian bark Latasa, Krauman, master; American schooner Benjamin C. Cromwell, Mc-Lean, master; Mary E. More, Densmore, master; Grace Andrews, Brown, master; Warren Adams, Gibbons, master; James A. Garfield, Cottongham, master; bark Vidette, Waldron, master: Italian bark Cortesia, ashing smack Albert Haley.

Three pilot boats and the steamers Oila and Capitola and forty boats of under were recovered today, supposed to be sail-

Tugboats have gone from here to the is being given. Fifty destitute sailors were brought here today and are being cared for A mass meeting of citizens is being held here tonight and all possible aid will be given the Carrabelle destitute. One million dollars will not cover the loss. The insurance was small.

Crescent City is Safe.

TALLAHASSEE, Fla., Aug. 4.-The first intelligence concerning the steamer Crescent City, which was reported in last Tuesday's storm, was received here today. The steamer is safe up the Chattahoochee river, where its captain ran it for safety. Only four houses remain in the town Carrabelle.

The depot naval stores, warehouse and completely wrecked and their stocks de-

The town of Lanark was almost wholly destroyed. The big hotel filled with sumgas plant of the hotel was destroyed and bors. fifty women and children huddled together in the women's parlor in total darkness all

A special train left this city over the Tallahassee, Carrabelle & Gulf railroad this morning for Carrabelle, carrying the officials of the road and a wrecking crew. Telegraphic communication with the coast

has not yet been re-established, but the extent of the storm and loss of life will prob ably be known tonight when the train returns from Carrabelle.

Great uneasiness is felt at Pensacola by owners of fishing smacks over the fact that no news whatever can be obtained from them. These boats are quite small and carry crews of from eight to fifteen. The pilot steamer Somners H. Smith went to Apalachicola last night to ascertain the extent of Tuesday's storm there.

About Preston, Minu.-Railroad Tracks All Washed Away.

PRESTON, Minn., Aug. 4.-The damage done by the flood here yesterday is far greater than at first supposed and by some is placed as high as \$500,000. The narrow gauge railroad is completely washed out for several miles. It will be a week or more before trains can run from Preston. The mails and express matter had to be taken to Hutton by team.

Anxiety Felt for Tugs

MOBILE, Ala., Aug. 4.-Much concern i felt here for the safety of the tugs Chief and Dio Volente and the dredge Craighill, with scows, that left here Saturday for Charlotte harbor, Florida, and must have been in the center of the storm Wednesday. Incoming vessels report many narrow

First Nebraska Boys Come in for a Nice Cash Rake-Off on the Deal. One of the San Francisco papers prints the following interview with Lieutenant Lake Champlain for a ten days' visit to Colonel Frank D. Eager of the First Ne-President McKinley. The vice president ap- braska which explains several interesting

features connected with the management of the regiment's canteen: GOATS ARE SOLD AS MUTTON "The Nebraska regiment," said Lieutenant Colonel Eager, "was in somewhere near Thousands of Asgoras Are Placed twenty-five battles. Our most disastrous fight was that at Quingua, where we had forty-three killed and wounded. There we lost our colonel, Stotsenberg, and another officer, and had two others wounded among Thousands of goats are bought, slaughtered a total of but seven engaged. A bullet knocked the heel off my left shoe, and two much conversation among their friends, of the epidemic at this time, which might and sold as mutton by some packers at the days after that another bullet went through result in a relaxation of vigilance. He stockyards. This traffic is carried on most the upper part of that same shoe and crip extensively during the winter and early pled me. Some of our more important "There are several features in the situa- spring up to and including the month of fights were those of San Juan bridge and the Deposito on the 4th and 5th of Feb. ruary, Malolos, Guino, Marilao, Rio Grande

> Tomas we actually waded through swamp lands up to our breasts. "There has been too much fault-finding." continued Eager, "with Major General Otis. He is an honest, able and conscientious man. He has acted in a way he considered best to end the rebellion. He may not be a Grant or a Sherman, but, in my opinion, hs is entitled to great credit for what he has accomplished, especially with the means at

mal Industry, when asked today in regard to his command. "I come home convinced that other coun tries cannot produce such fighting men as American volunteers and regulars. No feeling existed between these two branches of the army in the Philippines. Colonel Stotsenberg was the fighting man of them all. What Nebraska officers and men know about battle was taught them by that idol of the regiment. He was a merciless disciplinarian. an ideal soldier, and, in action, an inspiring

leader of men. "We have been aboard the Hancock thirty-five days, as we had to wait five days in Manila bay for the Utah men to embark Then we stopped five days at Nagasaki and two days at Yokohama. Altogether it was a pleasant trip, especially the passage through the beautiful Inland sea by daylight. There was very little complaining, for the men fared well. They had company funds to supplement their travel rations. Their extra money came from a dividend distributed from the profits of the canteen. had charge of the canteen fund for three nonths, from the 14th of March until the 14th of June, and in that time the profit was \$11,000 Mexican. I declared a dividend at that time and each man in the regiment got \$8 Mexican. At Yokohama the men were broke. They had not been paid since I got each of them 3 yen as further ATLANTA, Ga., Aug. 4.—It became known profit from the canteen fund; that is about oday that Governor Candler of this state \$2 in Japan. On that money the boys were

able to see the sights. "Before the regiment is mustered out here it will draw practically eight months' pay, or over \$120 for each private, and more for the others. June and July pay is still due, and we shall be here a month, for which we will be paid. Then the distance for loweta county an hour after daybreak. He which we shall receive travel money is took command of the Newnan Guards, a equivalent to three months' pay, and the government gives us a bonus of two months! guarding the fall during the night from a pay for foreign service. All the men want to be mustered out in San Francisco, many of them would like to receive a good deal of their pay on the way home."
