MISCHIEF OF INDIAN CREEK

Stream's Impulsive Ways Cause Expense to the City Fathers.

ITS CONTENTS ARE SAID TO BE IMPURE

Property Owner Whose Premises Were Flooded Asks Damages and Asserts that Creek is Utilized as Municipal Sewer.

The first of the many suits arising out of the flood caused by the overflow of Indian creek which it is anticipated the city will have to contend against was brought in the district court yesterday.

Wilson Smith, who owns a large tract of land in the southwestern portion of the city, asks the court to grant a judgment against the city in the amount of \$2,900.

Smith contends that Indian creek is used by the city as a passageway for the sewerage system of the town and that in consequence the water of the creek is foul, putrid and unhealthy.

Smith further sets up that he has leased his property to one Charles Hartman, whose crops were damaged by the overflow of the creek to the extent of \$400.

Indian creek presents a serious problem to the city authorities and one for which no practicable solution has as yet presented itself.

The banks of the creek at Green street were considerably washed during the recent heavy flood and adjoining property is in danger of subsiding into the stream.

SCREAMED WITH ECZEMA

Baby's Skin Red and Raw. Doctor's Medicine was Painful and Useless. A Stranger Advised CUTICURA. Cured in a Month, with Skin Smooth and Fair.

My little daughter, when six months old, broke out with Eczema. I took her to a doctor and he pronounced it "Mook Eczema," and prescribed for her. She screamed when I put the medicine on her, and I stopped using it. It was indeed very painful. Her skin was all red and raw, and moisture coming from it all the time. A person stranger to me advised me to use CUTICURA remedies. I got CUTICURA SOAP and CUTICURA Ointment, and they entirely cured her within a month. She is twenty-three months old today, and her skin is like a piece of silk, and fair as a lily. Mrs. E. J. KANE, 815 Ohio Ave., Oct. 7, 1898. Kansas City, Kan.

My face was covered with a pimply, ruptured, and itching skin. After using CUTICURA SOAP for six weeks, all the pimples went away, my skin getting as soft as velvet. H. CROME, 223 Melrose St., Chicago, Ill. Sept. 21, 1898.
