Corner is the Chief Influences.

Chief I terday's bulge in September, due to the elevator fight, gave a tone of bullishness to trading that was reflected in slight opening advances in the deferred futures. The bearishness gradually disappeared when the control of the common to the first of the series of September when the control of the common to the first of the common to the first of the common to the first of September among big shorts were current and that gave rise to the belief that the congestion had been relieved. The inclination among local professionals was apparently to sell and support cat the compatity of the commission houses harden buying orders early. The common to the control of the commission houses harden to see market amounted to remove the market had seen exceedingly dull, New York reported good acceptances of last might's cable offers and the northwest reported an excellent cash demand, but the market in a general way showed heaviness until the primary receipts were posted when Minnery receipts were posted when Minnery receipts were that were strongly in the control of the session a good deal of long wheat the congestion had been relieved. The common to the market and flour amounted for wheat for export. Atlantic port clearances of the session a good deal of long wheat came onto the market, Minneapolis and Duluth receipts were 879 cars, against 33 last week and 944 a year ago. Chicago receipts were 147 cars, only 1 of contract grade. New York reported 30 loads taken of the session a good deal of long wheat for export. Atlantic port clearances of the session a good deal of long wheat for export. Atlantic port clearances of the session as a hidden for september late in the session, which caused the rally in that option. Large purchases of wheat at a southwestern points for shipment to Chicago were reported.

Corn was irregular and fairly active. A corn was irregular and sele

which caused the rally in that option. In the putchases of wheat at southwester reported.

Corn was irregular and fairly active. A feature was the strength of September, growing out of the recent strength of September, growing out of the recent strength of September, which made shorts inclined to get out. Prices advanced sharply early, but heavy liquidation by longs followed, nearly significant the growing and the small stocks of corn, which made shorts inclined to get out. Prices advanced sharply early, but heavy liquidation by longs followed, nearly significant the state of the high lake rate. December ranged from 25% to 23%,62% can delosed a shigh as 23% to 32,82% can delosed by high lake rate. December ranged lower at 23%,62% can delosed by high lake rate. December sold as high as 23% to 32,82% can delosed by high lake rate and would bring \$3. Flaxsed lower at 28%,625%. September sold as high as 23% to and closed by high the site, but later this was lost. There was a capital cash demand. Receipts were was a capital cash demand was a capital cash demand. Receipts were was a capital c

Presbyterian Seminary Opening. The Presbyterian Seminary Opening.
The Presbyterian Theological seminary at
Ninth and Harney streets will open this
morning, when the first chapel exercises
will be held. The opening address was to
have been delivered yesterday by Dr.
Harsha, but the speaker failed to arrive
and his address will be given at some time
to be announced after his return to the
city. city.
Immediately after the chapel exercises this morning there will be a meeting of the faculty for the matriculation of new students and the arrangement of the work of the year.

Boiler House Burned. The boiler house in Withnell Bros. & Smith's orick yards at 134 South Twenty-second street was partly destroyed by fire shortly after 5 a. m. yesterday. Workmen had been engaged in cleaning the furnace and the blaze is supposed to have started from redhot cinders falling on the wood floor. wood floor.

The flames spread to adjoining sheds before the arival of the department, burning the roofs and damaging the contents. The loss amounted to about \$200. It is partly covered by insurance.

READ THIS BOOK.

A book which will remove the cloud from your future, which will show you how you can elevate yourself mentally and physically. It tells of twenty years spent in the surfusiastic study of vital nerve force, finding what it comes from and, when lost, how to replace it. We all like to be at our best, and from what I have learned I am in a position to help you.

STUDY MY METHOD

Ont of all my experience I have built up a method of infocing the system with vitalising electricity, which is the basis of all mimal (human) vitality. My book tells what I know of this, and you can have it free if you will call or write today.

Dr. M. A. McLaughlin, 214 State-st., cor. Quincy, Chicago. Office Hours 8 a.m.to 8:30 p.m. Sundays 10 to 1.

## Kodol Dyspepsia Cure

Digests what you eat. It artificially digests the food and aids Nature in strengthening and reconstructing the exhausted digestive organs. It is the latest discovered digestant and tonic. No other preparation can approach it in efficiency. It instantly relieves and permanently cures the property of th Dyspepsia, Indigestion, Heartburn, Flatulence, Sour Stomach, Nausea, Sick Headache, Gastralgia, Cramps, and all other results of imperfect digestion.
